WHEREAS by an Act of the Provincial Parliament, 16th Victoria, chap. 22, entituled, "An Act to establish a consolidated Municipal Loan Fund for Upper Canada," it is enacted "That it shall be lawful for the Corporation of any City or County by by law to authorize any sum of money to be raised on the credit of the Consolidated Municipal Loan Fund, and to appropriate such sum or so much thereof as may be found necessary to defray the cost of making or improving any Bridge, Macadmamized, Gravel or Planked Road within or without the Municipality, but the making or improving whereof will benefit the inhabitants of such County or City."

AND WHEREAS the gravelling of the Road known as the Huron Road from the Town of Goderich to where the same joins the County of Perth, the Road known as the London Road from the Village of Clinton to the Town line of London, and the Road from the Town of Goderich to Brucefield, passing between the first and second concessions of the Township of Goderich, through the Village of Bayfield, and from thence through the Township of Stanley to Brucefield aforesaid, would greatly benefit the inhabitants of the said United Counties; *and whereas* the inhabitants within the said Counties are desirous of having the said Roads graded and gravelled, and the necessary Bridges and approaches thereto, built, and are willing that a special sum of money be borrowed upon the credit of the Consolidated Municipal Loan Fund also said; for the purpose of making and completing the same, and that, if necessary the whole rateable property both real and personal within the United Counties of Huron and Bruce shall be taxed for the period of thirty years from the first day of January next, for the purpose of redeming the interest and principal of such Loan; *and whereas* it will require the sum of Thirty Thousand pounds to make the aforesaid Roads, and Bridges thereon.

Be it therefore enacted by the Municipal Council of the United Counties of Huron and Bruce, and it is hereby enacted by the authority of the same, that the Warden of the said United Counties, under and by virtue of the before mentioned Act, shall raise the sum of Thirty Thousand Pounds on the credit of the said Consolidated Municipal Loan Fund Act, to be expended in making and building the before mentioned Roads and Bridges, which said sum of Thirty Thousand Pounds shall be repaid with interest at the expiration of thirty years from the date of the first payment, on account of the said Loan, received from the Receiver General on the authority of this By-Law.

2 And be it enacted, That the Treasurer, for the time being, of the said United Counties, shall on the first day of January in each year or oftener and at such times as the Receiver General of the Province shall require during the continuance of the said Loan pay over to the said Receiver General all profits, dividends, rents, tolls or returns received on account of the aforesaid Roads and Bridges by the said Treasurer, or as much thereof as may be required by the said Receiver General in terms of the above mentioned Act.

3. And be it enacted, That for affording additional security for the due payment of the interest and principal of the said Loan there shall be raised annually upon all the rateable real and personal property within the said United Counties, during the continuance of the said Loan, in addition to all other rates or taxes imposed, or to be imposed upon the rateable property of the said United Counties such sum or sums that may be required from time to time by the Receiver General of the Province in terms of the above cited act, in addition to the profits mentioned in the preceding section of this By-Law.

GEO. W. MERCHANT'S CELEBRATED GARGLING OIL

UNPARALLELED IN THE HISTORY OF MEDICINE

As the most remarkable External Application ever discovered.

"They can't Keep House without it."

Experience of more than fifteen years has established the fact that Merchant's Celebrated Gargling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Spavins, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fistula, Sitfast, Sand Cracks, Strains, Lameness, Foundered Feet, Scratches or Grease, Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilblains, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c. &c. &c.

GREAT IMPOSITION AND FRAUD!

CAUTION TO PURCHASERS.

THIS oil has become so celebrated in the treatment of diseases, and as a consequence, the demand becoming great throughout the country—the cupidity of designing men have induced them to palm off upon unsuspecting persons an imitation article for the *Genuine Gargling Oil*, destroying thus to ride their BASE MIXTURE into market upon the popularity of the only true article, which now sustains an enviable reputation, which it has acquired by nearly sixteen years use in the United States and Canada. Its increasing demand and wonderful success, in the CURE OF ALL FLESH, and HORSES in particular, induced some persons to ATTEMPT its imitation in various ways, WHICH IS CONVINCING PROOF OF ITS INTRINSIC VALUE.

The most unblushing knavery however, is practised by certain mercenary dealers who are imposing upon the victims of their avarice, a counterfeit for the GENUINE Gargling Oil. The possible sacrifice of the life or property of a fellow man is a secondary consideration with these unprincipled druggists. Who, then, can be safe? Men who will thus impose on the credulity of their customers; may they not be guilty of the same cupidity in regard to any or all other medicines of known reputation? What confidence can you place in them!

The proprietor would therefore caution those who purchase. *Be sure that the name of the proprietor is in his own handwriting over the cork, and these words are blown in the glass of the bottle:* "G. W. Merchant, Lockport, N. Y." who is the ONLY LEGITIMATE PROPRIETOR. None other can be genuine. This is done that the public may not throw away their money for a worthless and counterfeit article.

All orders addressed to the proprietor will be promptly responded to.

Get a Pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.

The great popularity which **Moffat's Life Pills and Phœnix Bitters** have attained, in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the best vegetable medicine now before the public, admits of no dispute. In almost every city and village in the United States, there are many who are ready to testify to their efficacy in removing disease, and giving to the whole system renewed vigor and health.

In cases of **Scrofula, Ulcers, Scurvy** or **Eruptions** of the skin, the operation of the **Life Medicines** is truly astonishing, often removing in a few days every vestige of these loathsome diseases by their purifying effects on the blood. **Fever and Ague, Dyspepsia, Dropsy, Piles,** and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.

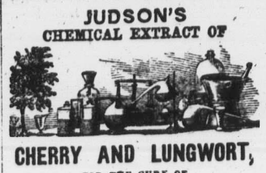
JUDSON'S CHEMICAL EXTRACT OF



CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DEATH can be and has been prevented in thousands of cases by this nature's own remedy, Judson's Chemical extract of CHERRY and LUNGWORT. This medicine unlike most of the patent remidies of the day is the result of careful study and experiments of a scientific and experienced Physician. The two principal ingredients have long been known and celebrated. WILD CHERRY BARK. When the strength of this is properly extracted is the best medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT.—This is a plant the virtues of which are known to but few, it has been said by the most learned men of all times, that "nature has provided a remedy for each and every disease," and these scoveries that are daily made, go to prove its truth. Lungwort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation, almost immediately, is a proof of its adaptation to this disease.

These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated.—Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth. Thousands of Consumptive persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure for ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertion or certificates in curing consumption and all diseases of the Lungs and Liver, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c.

CAUTION.—To protect our own as well as the interest of the consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it is a worthless counterfeit. Remember this.

CARLTON'S LINIMENT FOR THE PILES, &c.—It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first & most certainly for the cure of the Piles, and also extensively and effectually as to baffle credulity unless where its effects are witnessed Externally in the following complaints:—Dropsy Swellings, Rheumatism, Acute or Chronic, giving immediate ease, Sore Throat, Bruises, Sprains, Burns, &c. Sores and Ulcers.—Whether fresh or of long standing and fever sores. Its operation upon adults and children in reducing rheumatic swellings, loosening coughs, tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "it acts like a charm." It is warranted to please any person that will try it.

CAUTION.—Never buy it unless you find the fac simile signature of Comstock & Brother, proprietors, on the wrapper.

AZOR'S ORIENTAL TURKISH WINE.—The great remedy for General Debility, Weakness, Loss of Appetite, Dyspepsia, Bilious Diseases, a certain preventive of Fevers, &c. &c. This Wine is the most pleasant and effectual Remedy for any of the above complaints, and for many other not mentioned, that has ever been discovered.—It is so agreeable to the taste that any one taking it soon prefers it to any Wine; while its action on the stomach and bowels is prompt and efficient cleansing them thoroughly, and thus, by keeping the organ in which the base of the blood is formed, in a healthy and pure state, necessarily keeps the blood pure and healthful. It is a stimulant without reaction, unlike all alcoholic preparations, which leave the partaker in a state of prostrat on. THIS WINE sends a gentle and agreeable feeling through every nerve; and its tonic properties are such that it will restore the weak and debilitated to their natural Strength and Vigor. It is composed of the Pure Wine of many of the most tonic and rare plants in the Materia Medica, the receipe for which was obtained from a celebrated Turkish "Hakim,"—Physician,—and one bottle is equal to ten of any Sarsaparilla or Blood Purifier ever before known. Then give this Oriental Wine a trial; it will speak for itself better than any recommendation or certificate; and he who tries it once will never be without it. Nothing can equal it as a Diet Drink in hot climates, or on Shipboard, and no Traveller should be without it.

CAUTION.—Find the name of Comstock and Brother, and the Stamp of the Turkish Flag, on the label and cork of each bottle. Without that it cannot be genuine.

All orders to be addressed to Comstock & Brother, No 2 St. Peter's Place, New York.

TO OWNERS OF AND DEALERS IN HORSES.—CARLTON'S FOUNDER OINTMENT.—For the cure of Founder, Split Hoof, Foot-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c. on horses. Carlton's Ring-Bone Cure.—For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS for Horses and Cattle. The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflamation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore they have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Caution.—Remember and ask for Carlton's Condition Powders, and take no other.

CARLTON'S NERVE and BONE LINIMENT for Horses, and for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthens weak limbs, and is also used for sprains, bruses, saddle galls, swelled legs, sores, of all kinds on horses. Carlton's articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in 99 cases out of 100 any of the above complaints. They have been used by farmers, livery men, stage proprietors and others, with the most marked and decided success.

CAUTION.—None can be genuine unless you find the name of J Carlton Comstock on the Wrapper of each article. Remember this, as theirtrial ares have been extensively counterfeited of late, look and find the proprietors' name J. Carlton Comstock, &c., never buy without.

All of the above named articles are sold only in Goderich, C. W., by Robert Park, Marwood & Keays, C. Crabb, and H. B. O'Connor; in Stratford by H. C. Lee; in St. Mary's by T. B. Guest; in Woodstock by T. Scott; in London by Mitchell; in Egmondville by J. Carter, in Harpurhey by M. McDermid & Co.; in Mitchell by T. Ford & Co., and Babb & Co.; in Embro J. D. Dent; in Delowere by Tirol. Enquire for Comstock & Brother's Almanac for 1853, which will be given to all gratis. In Bayfield by C. Crabb and Gardner; at Bell's Corners by M. Brown.
