Cubans Occupy Managua After Defeating Spaniards.

Reported to be Winning Victory After Victory in Santiago Province.

Havana, via Key West, Sept. 23—Gen. Baldomero Acosta has carried out one of the most dashing enterprises ever attempted by the Cubans around Havana. On last Friday, with 600 men, he attacked the town of Managua, which is scarcely three miles from the capital, raided the place, and captured all the arms and ammunition in the Spanish forts. A detachment of Spanish regulars, which came from the ward of Jesus del Monte to the rescue of the town, was dispersed by the Cubans. The many Spanish soldiers who were wounded were brought here Saturday and many persons saw the ambulance carts coming in.

Managua is on the main road to Havana, the whole way being controlled by Gen. Acosta at present. The vegetables, eggs and fowls on the way to market are now seized by the insurgents at Managua.

Famine is spreading rapidly in the city. Last week 12 persons died of hunger and many are at present starving to death. In the wards inhabited by the poor the situation of the people is something appalling. Women and children cry for bread in the streets, half naked and shivering from the calentura de hambre, or "hunger's fever."

In Santiago de Cuba province the Cubans are winning victory after victory. Two Spanish forces at Yareval were destroyed on Sept. 10, being killed to a man. The garrisons were composed of guerrilleros, or Spanish irregulars, and they were sentenced to death by the insurgents on account of their raids upon Cuban hospitals. At Cusalmal, in the same province, the Spanish battalion of Asia was also badly defeated on the same day in a sharp engagement lasting four hours.

TO FORM A LEGLESS LEGION.

St. Louis to Have a Convention of Cripples, and 6,000 Delegates Are Expected to Attend.

St. Louis, Sept. 23.—St. Louis will, Sept. 30, entertain the most unique delegates that ever attended any national convention. It will be first of its kind, too, ever held in the world, a convention of cripples.

It is expected that 6,000 delegates will be present when the convention is called to order, and every man of them will be a cripple. It makes no difference whatever how the man was maimed, he is entitled to a seat.

The originator of this unique gathering and the president is William R. Trower, a flagman on the Iron Mountain Railroad. He said today that he had sent 20,000 circulars to all parts of the United States, Canada and Mexico.

President McKinley was sent an invitation to attend. William J. Bryan, Gov. Stephens and other prominent men have also been invited, besides the city and county officers, the clergy and heads of charitable institutions. The mayor will make the address of welcome.

Boys at York Beach., Me., made a sea serpent of empty barrels and caused some little perturbation among non-abstainers in that part of the great prohibition state.

You may get over that slight cold all right, but it has left its mark on the membranes lining your throat. You are liable to take another cold and the second one will hang on longer than the first. Scott's Emulsion is not an ordinary cough specific, but it is "the ounce of prevention." It builds up the system, checks inflammation and heals inflamed membranes. "Slight" colds never bring serious results when it is promptly taken.

CANADIAN TALENT.

Addie Richardson, ex-manager of the Hamilton baseball club, now a local correspondent for the Philadelphia Sporting Life, has expressed the following opinions through the columns of that newspaper: "The writer has seen all the talent in the Canadian League upon the diamond during the season just closed, and unhesitatingly pronounces Jo Jo Keenan, the third baseman of the London, the king of them all, and fit for faster company.

"The Canadian League of 1898 may include Hamilton, London, Guelph, Stratford, St. Thomas, and another town to be selected, and it is to be hoped the above-named towns can be induced to enter, as it would make a compact little league."

BYRNE'S NEW MEN.

New York, Sept. 23.—President Byrne, of the Brooklyn baseball club, has telegraphed from Boston that he had secured by purchase for his club Catcher Ryan, of Syracuse; Miller, pitcher, of Fall River; Yager, pitcher, of Lancaster; Rowd, Crispin and Beam, of the Newport club.

THE STEINERT CUP.

Syracuse, N. Y., Sept. 23.—President Powers, representing the Eastern League; Wm. L. Lush, representing Toronto, and A. C. Buckenberger, representing the Stars, winners of the Eastern League pennant, met yesterday and decided that the Steinert cup series would be played as follows: At Syracuse, Sept. 24, 25 and 26; at Toronto, Sept. 28, 29 and 30, the seventh game, if necessary, to be at a point agreed on later. Ed. Swartwood will be the umpire.

THE TEMPLE CUP.

Boston, Mass., Sept. 23.—Baseball Managers Hanlon and Selee have decided that the first three games for the Temple cup be played in this city, Oct. 4, 5 and 6. The second three games will be played in Baltimore, Oct. 9, 11 and 12.

FLYS.

On Wednesday night the friends of August Lauer, the first baseman of the Hamilton baseball team, presented him with a handsome garnet ring. The presentation was made at the Grand Central Hotel by Mr. Wm. Mills.

The profits of the New York club this season will aggregate $75,000.

Pitcher Sanders and Catcher Zahner have been turned adrift by Buffalo.

"Sandow" Mertes, of the Columbus team, has stolen more than 80 bases this season.

It is expected that Brooklyn will draft "Butch" Greminger, third baseman of the Buffalo team. He is an ex-Indian.

It is reported that Pittsburg has purchased Gray from Indianapolis. Louisville wants Ace Stewart, and St. Louis big Frank Motz.

Jimmy Ryan, of Chicago, stole home in the ninth inning of the game with Cleveland yesterday, and tied the score. Then the Spiders went in and batted out a run.

The Detroit team will disband on Sunday. Exhibition games for the benefit of the players will be played with Louisville on Thursday and Friday. Two games with Toledo on Saturday and Sunday will wind up the season.

Cross has been appointed manager of the St. Louis club in place of Hallman. Lally and Hallman have been suspended and Grady has been fined heavily.

Manager Hallman, of the St. Louis team, was fined and paid off in Pittsburg for alleged irregularities. Monte Cross now is manager of the team.

Korwan, of Springfield, pitched three games for Chicago, winning one.

Gaston has won eight out of the last nine games that he has figured in.

Baltimore leads in team batting and base running, while Cleveland leads in fielding, Baltimore being fifth.

Shortstop Lewee, who was with Buffalo last year, and who was released by Milwaukee, has been sold, along with Stafford, to Louisville, for $1,500.

Dineen, of Toronto, has a better record than any National League pitcher, having won 24 out of 31 games. Corbett, for Baltimore, pitched in 37 games, winning 23 of the bunch.

The games to be played by the Baltimores and Bostons this week and next will decide which team will fly the league championship pennant. Not since the memorable race of 1889, between the New Yorks and Bostons, has the fight for first honors been so exciting. The teams are so evenly matched, and they are playing so consistently that the result of their meeting at Baltimore on next Friday, Saturday and Monday is awaited with interest by all baseball enthusiasts.

CRICKET.

ENGLISHMEN AT BALTIMORE.

Baltimore, Sept. 23. — Mr. Warner's team of English cricket players began a match game at the Catonville country club grounds against a team of Baltimoreans yesterday, and when stumps were drawn for the night, the visitors had piled up 252 runs, while the home players had scored but 66, with seven out of sixteen wickets down. Twelve of the Britishers played against sixteen of the Marylanders, and gave a splendid exhibition of good playing, both at bat and in the field. The bowling of Jessop was superb, and that of stocks was almost as good, while Messrs. Heming and Bennett made 61 and 64 runs respectively in 40 minutes' play. The attendance was small.

GOLF.

R. C. G. A. ANNUAL MEET.

Montreal, Sept. 23.—The Royal Canadian Golf Association opened its annual meet on the links of the Royal Montreal Golf Club at Dixie yesterday. Prominent golf players from all parts of the Dominion were in attendance, including such players as George T. Brown, of London, Ont., the winner this year of the international at Niagara; J. S. Gillespie, Quebec, amateur champion of Canada, and Henderson, who made a reputation for himself in England before coming to Montreal. The course was in good condition.

Handicap, open to all amateur golfers, members of any duly organized golf club in Canada, eighteen holes, medal handicap, limited to 18 strokes. The distance covered was 2,450 yards, the largest put being 420 yards, and the shortest 110. T. R. Henderson, playing from scratch, was first, with 86; W. H. Kerr, of Toronto, scratch, second, with 87. The contest between Henderson and Kerr was very close.

In the approach and full contest medal, round of three holes, at 60, 40 and 20 yards, W. A. Griffith, of Quebec, was first, with a score of 8; A. G. Palmer, Toronto; J. Dick, Montreal; W. F. Sweeney, Toronto; A. G. Thompson, Toronto, and G. W. Maidengall, Montreal, tied for second place. In the play-off, A. G. Thompson, of Toronto, won, with 3.

Driving followed. Players were placed at 40 yards apart, at 120, 160, 175 and 185 yards from the tee, three drives each allowed to score; the ball had to drop and stop within 40 yards' limit. A drive of 170 yards counted on point; of 175 yards, four points, and of 185 yards and over, 5 points. T. R. Henderson, of Montreal, and A. H. Campbell, of Toronto, tied for first place, with 14 points. In the play-off, Henderson won easily, with 13 points, his opponent being in poor form.

Sudden Deaths.

Glencoe Farmer Found on the Road Near Newbury.

Unexpected Demise of Samuel Neilly, of Aldborough.

Glencoe, Sept. 23.—David McCracken, a respectable young farmer near Glencoe, was found dead on the roadside one mile east of Newbury yesterday morning. He left on Tuesday to buy cattle, and was seen in Newbury Tuesday night. A runaway is supposed to have caused his death.

Later—Early in the morning the deceased was found dead in a ditch opposite the farm of Mr. Regis, on the second concession of Mosa. The ditch was deep, and standing over the body of deceased was the colt. The animal had trampled the life of its master out with its hoofs. A large wound was found in the neck, and the face was lacerated in a shocking manner. It is conjectured that deceased intended to have crossed a road culvert, but missed his way.

SAMUEL NEILLY, ALDBOROUGH.

Samuel Neilly, owner of north half lot 12, con. 10, Aldborough, near Rodney, was found dead in his house on Tuesday by Mr. Dugald McPherson, of West Lorne. Mr. McPherson owns a farm opposite Mr. Neilly, and on Monday evening he requested Mr. McPherson to bring him from West Lorne on Tuesday morning three loaves of bread. Mr. Neilly not calling for the bread, Mr. McPherson went to his house to deliver it, and found Mr. Neilly lying on the floor of his house dead, with his shoes and stockings off his feet. Mr. Neilly was a bachelor, 50 years old, who had lived on his present farm about twenty years, going there from Southwold. Part of the time he rented his farm, and other times worked it himself, and living entirely alone. He had been working every day, and death is supposed to have been the result of heart failure. He has a brother living in Iowa.

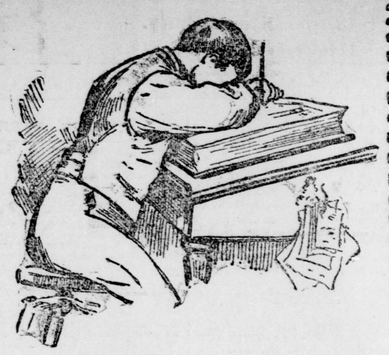
ROBERT BENNETT, HAMILTON.

Mr. Robert Bennett, No. 64 Cathcart street, Hamilton, died very suddenly Tuesday evening. He was up town on business in the afternoon, and took supper in his accustomed hearty manner. Shortly afterwards he complained of pains and sat down. In a few minutes he was dead. Heart disease, it is supposed, was the cause of death. Deceased was about 61 years of age, and was highly respected by all who knew him. He had been employed as a molder in the Gurney foundry for over 25 years.

WILLIAM LIVINGSTONE, WEST LORNE.

A young boy from the home (Elgin) named William Livingstone, who has been living with Scott Tait, West Lorne, went to bed as well as usual, and two hours afterwards was dead. Mr. Tait heard the lad moaning, and went to his bedroom just in time to see him pass away. The bursting of a blood vessel in the head caused death.

Many Workers Fail



HOW often we hear of a flourishing business for sale on account of the ill-health of the owner. He has been so absorbed is his fight for wealth that he has forgotten another account that needs balancing—his health account. He has been paying out and not taking in until he finds the balance on the wrong side of the ledger. Little disorders that might easily have been cured have become startling diseases. Now, broken in health, nerves unstrung by pain, what might have been a brilliant and useful career is ended. Many are ruined thus. Many whom a little care of self and a little toning of the system would have saved, are lost.

Keep your blood pure, your system in good order, and success is yours. **Abbey's Effervescent Salt** will do this for you. Taken every morning, before breakfast, it tones the system, purifies the blood, keeps the appetite on edge, and the digestion good. Abbey's Effervescent Salt is also an efficacious preventative and cure for Sleeplessness, Loss of Appetite, Biliousness, Sick Headache, Constipation, Rheumatism, Neuralgia, Spleen Affections, Nervous Depression, Sea Sickness, Flatulency, Gout, Fever, Skin and Kidney Complaints.
