Business Embarrassments.

These business embarrassments are reported to-day: R. H. Menzies, general dealer, Bark's Falls, obtished an extension; John Brown, furniture dealer, Exeter, assigned; P. J. Grace, general dealer, Panmure, assigned; R. White, general dealer, Pembroke, assigned; R. G. Reid, hardware dealer, Smith's Falls, stock ordered to be sold; Wm. Smith's Falls, stock ordered to be sold; Walton & Co., Shelburne, offered 50c; Hiscox & Co., Brock & Co., Massey & Davidson, tailors and gents' furnishers, Wood-stock, inspectors appointed to examine the estate.

Drygoods.

The past week has included the 4th of the month, and the 4th of August is one of the largest settling days of the year in the drygoods trade. The general feeling in the trade is that it was about as bad a day for payments as the drygoods trade has seen in several years. There were more requests for renewals and; more notes left unpaid than usual. This is accounted for somewhat by the very heavy crop now being reaped in Ontario, causing the farmer to make large outlays for wages, etc. This prevents, in the first place, his paying store bills, and in the second place, his coming to market to make purchases. The dullness will, however be more than compensated for, it is expected, when the fall trade in the country opens. The general feeling is one of buoyancy. Prices are somewhat firm, not only in Canadian manufactures but in every line of imported woolen and cotton goods. Since the first of the month the railway trains have been constantly busy moving goods from the wholesale houses to the depots to fill orders placed during the last two months. Filling the orders has been withheld from precautionary motives, but they are now being discharged freely. Stocks are being rapidly passed in the custom house and Canadian manufacturers are being pressed for delivery, so as to place the trade in a position to announce their fall openings. They will probably be held during the first week in September.

Groceries.

There has been a fair movement in groceries this week for this time of year. Sugars continue dull, with little demand, but this does not daunt the refiners. They still hold up their prices. Yellows are quoted at from 6½c to 6¾c, and granulated 9 1-2 for under 15 barrel lots, and 9⅛ for that and over. Canned goods are getting stronger every day. There has been a considerable advance during the past two weeks. Jobbers are now holding tomatoes at $1 to $1.10; peas at $1 to $1.35, and corn at $1.10. Canned meats are also firm with no change in prices.

The latest feature in the tea trade is the action taken by the Japanese Government to prevent the shipment of low grade teas. Their action is taken to raise the reputation of Japan tea abroad. This will, of course, affect the price of medium and low grade Japans. Coffee is dull. Syrups are firm, in sympathy with sugar, but there is very little movement. Dried fruit of all kinds is steady. Payments are light.

Leather.

A fair trade has been done in leather during the week. Prices are firm and an increasing demand is looked for. Quotations are unchanged. Prices: No. 1 slaughter, B. A. Spanish, 25c to 28c per lb; No. 1 ordinary Spanish, 21c to 23c; No. 2 Spanish, 19c to 21c; No. 1, 17c to 19c; heavy No. 1 slaughter, 24c to 26c; medium slaughter, 22c to 24c; No. 2 slaughter, 20c to 22c; No. 1 harness, heavy, 27c to 32c; medium harness, 25c to 27c; upper, 33c to 35c; grained upper, 28c to 35c; splits, 16c to 19c.

Hides, Skins and Wool.

Receipts of hides and skins continue light There is no change in prices. Shearing and lamb skins remain at 45c. Wool is also dull. Fleece wool is quoted at 19c to 20 1-2c; 22c to 23c for Southdown; unwashed fleece, 17c; washed Southdown at 14c; rejects at 16c; supers at 27c to 28c and extras at 28c to 29c.
