HAMILTON CYCLIST WON DUNLOP TROPHY RACE.

Fred Klingbiel, of the Diamond Athletic Club, Won Close Race—Had a Nine-Minute Handicap and Was Always Well Up.

Finishing but twenty-five yards in front of the second man, Fred Klingbiel, of the Diamond Athletic Club, of this city, won the sixteenth annual Dunlop Trophy bicycle race, which started from Scarboro' Beach, Toronto, Saturday afternoon at 4 o'clock in a close race. Notwithstanding the downpour of rain which prevailed throughout the majority of the time of the road race, the men stuck gamely by their wheels and plowed through the muddy roads. Taking this fact into consideration, the time for the race, 1.01.02, was considered good. Klingbiel, however, had a nine-minute handicap, G. McMillan, Q.C.B.C., winning the time prize by finishing in .58.36. John Egli, of Stratford, who had a 9½-minute handicap, was second.

Sixty-three competitors, almost the same as last year, entered in the race. W. D. McClelland acted as starter. Several hundred people were in the grand stand, while several thousand lined the track. There were 18 relays, the first men to start having ten minutes' handicap, and so on, with half-minute intervals down to two minutes, who were followed by four scratch men. At the start the weather was fine and little sun worried the riders. The air was crisp and it seemed just the day for the big event, but soon big black clouds sprung up and at 4.40 o'clock a downpour of rain came, upsetting calculations.

It was a close finish for first place. The Hamilton boy was being closely pressed by Egli, and he in turn by the others. One of the most interesting sights of the race was W. A. Bailey, of Peterboro', a whiskered and bespectacled man of forty years. He said he had ridden in from Oshawa and rented another wheel for the race. Although he finished away behind, several others were in his rear. He stuck in 11th place until the van reached the Half-way House returning to the Beach.

MONTREAL AND SHAMROCKS TIE IN THE N. L. U.

The Irishmen Defeated Tecumsehs by a Score of 7 to 2 on Saturday—Canadian Team Beat Chicago.

MONTREAL, Sept. 27.— Shamrocks defeated Tecumsehs Saturday by 7 to 2. Shamrocks needed this game to have a "look-in" at the championship, and as a consequence they put up their strongest team and called upon them to play their best game. By winning Saturday the Shamrocks are now tied with Montreal for first place, and home-and-home games will be necessary. This will mean gigantic receipts and lots of pocket-money for the players, so this may have had something to do with the fast game put up by the Irishmen on Saturday.

At any rate, they started off at a fast clip, and did not give the Indians more than a look-in. Shamrocks were minus McIlvaine, while Tecumsehs were without Charlie Querrie.

Shamrocks got the first goal, and pressed hard, but the big Tecumseh defence men checked hard. Shamrocks seemed always ready to steal the ball from them, although when they did get it they did not do much with it. There was lots of running with the ball, but little really dangerous work on either side. After a time play steadied down, and the checking and covering were close and hard. The Tecumseh home players put up a good game, but were unable to break down the defence work of the Irish. The finish was all Shamrock, as they scored the last four goals without the Indians finding their net. The final score was 7—2 favor the Shamrocks.

Chicago, Sept. 27.—Before the biggest and best pleased crowd that ever witnessed a game of lacrosse in Chicago, the Torontos defeated All-Chicago yesterday afternoon at White Sox Park by a score of 9 to 5. Three thousand persons saw the game.

At quarter-time Toronto was ahead 3 to 0, and at half-time ended with the score 5 to 1 against Chicago. The third quarter it was 6 to 3 in favor of the visitors. The line-up:

Chicago (5)—Goal, Gilligan; point, Marshall; cover point, Hill; first defence, Pickering; second defence, Selby; third defence, Beaton; centre, Hunter; third home, Graham; second home, Sullivan; first home, West; outside home, McDonough; inside home, Shaver.

Toronto (9)— Goal, Atton; point, menary; cover point, Powers; first defence, McKenzie; second defence, Braden; third defence, Warwick; centre, Dandeno; third home, Fitzgerald; second home, Carter; first home, Barnett; outside home, Kalls; inside home, Anderson.

Goals: Toronto — Fitzgerald, 3; Kalls, 2; Barnett, 2; Carter, Powers.

Chicago — McDonough, 3; Graham, Shaver.

Referee—Edward Howell.

GETAWAY DAY AT THE WOODBINE TRACK.

Azo Won the Jockey Club Cup and Fincastle the Hendrie Steeplechase—The Guy Stake Was Won by Penn.

A CROWD OF SIX thousand attended Wodbine Park, Toronto, on Saturday to see the Ontario Jockey Club's biggest and best card of the thoroughbred races ever put on at the track. The weather was threatening, showers falling at intervals during and after the cup race. Favorites and second choices won everything except the third and fourth races, in which Carthage, at 8 to 1, beat Johnnie Blake, and Azo, at 8 to 1, bowled over Cave Adsum for the cup. This 2¼ miles was a great contest, both on the track and in the ring, and resulted in a head finish, Azo, strongly supported by the stable, defeating Cave Adsum. Old Honesty, also specially prepared for the event, was third. Seagram's Seismic, backed three ways, securing fourth money.

The steeplechase went to Fincastle, the weaker member of the Chetland Stable, Sir Wooster unshipping Davidson at the sixteenth jump. Byzantine was on even terms with Fincastle at the last jump, but Sobell was stronger to finish than Nat Ray, showing at front after taking the last jump, but Fincastle came again for the money. Thistledale, that made the pace for 2½ miles, was third.

Penn, that ran coupled with Paul Davis, won the Grey Stakes in the stretch, Amelia Jenks second and Pulka third.

The purses for the first six days amounted to $35,530; Saturday, as follows: Melton Purse 630, Grey Stakes $1,960, Simcoe Purse $555, Ontario Jockey Club Cup $2,840 and handsome sterling cup, Hendrie Steeplechase $2,290 and handsome trophy, Ayr Purse $550. Total for seven days $44,355.

Azo, the winner of the O. J. C. Cup, landed the two miles race on closing day at Windsor, but from a class much inferior to that of Saturday, and shrewd form followers did not credit him with much chance, but his improvement must have been rapid and the fast trials shown gave the stable every confidence. He was played as high as 10 to 1, going to the post at 6's. The Bedwell pair started false favorites. Gipango broke down and Jeanette M. was never dangerous.

His Honor Lieut.-Governor Gibson presented the tseeplechase cup to A. Henry Higginson, owner of the winner. Dr. Smith did the honors after the 2¼ mile race, handing the trophy to Owner Stevens.

Jockey Rice was fined $25 for crowding on Joe Gaitens in the last race, having been warned for a similar offence the day before, when he rode Fort Garry. Summary:

OTTAWA FAVORS THE AMALGAMATION SCHEME,

But Says Senior Series Must Not be Interfered With—Gossip of the "Big Four" Teams.

Ottawa, Ont., Sept. 27.—The position that the Ottawa Football Club has decided to take with regard to the move towards affiliation or amalgamation with the O. R. F. U. may be outlined in a few words. The Ottawas are in favor of joining hands with the O. R. F. U. but are not in favor of expanding the senior series, believing four clubs all that the Inter-provincial can hope to support in a senior series. Five or six clubs, the Ottawas believe, would hurt, rather than benefit the game. Last year the Ottawas, for the first time in fifteen seasons, wound up with a balance on the right side. Now that they are making a success of football in Ottawa they do not fancy taking chances of hurting it again.

President Nagle states that the senior series of the Inter-provincial must remain as it is. Messrs. Johnstone and Baskerville will represent the Ottawas at the meeting on Tuesday night.

Montreal, Sept. 27.—President Hagar states that no invitation has been received by Montreal to attend the joint meeting of the O. R. F. U. and the Inter-provincial. In this province the organizing of the intermediates and juniors is being left to the Q. R. F. U. and with satisfactory results.

Montreal Rugby Club had thirty-four players in uniform Saturday afternoon, and although several of the seniors of last year did not turn out as expected, the workout was a satisfactory one. The senior back division was made up of Stinson, Craig, Ducket, and Hamilton, with Baillie at quarter. McNamee, McAllen, and Kalls in the scrimmage, Magor, Baillie, and Fraser on one side as wing men, and Eagan, Scully and A. Cameron on the other. Young Savage and Ritchie alternated with Scully at the middle wing. The Executive expects to have out this week Ted Savage, George Kelly, and Walter Molson. If these men turn out the line will be put just right and the team will be able to give a good account of itself. Some of the new men are showing up well. Suckett is playing a good game at centre half and Eagan and Jim Baillie give promise of being first-class wing men.

Ottawa Free Press: Friday was a hoodoo day for the Ottawa football team. Yesterday the seniors opposed the intermediates, and not only played loosely, but seemed to be unable to get going, the scrubbs scoring three trys on them, two being through fumbles, and the third was well earned, Snelling bucking over in two downs from ten yards out.

But the Jonah was present all through the practice. The men had only been going a few minutes when George Church was stretched cold by a knee coming in contact with his wind. It was during a run up the side in which a half dozen handled the ball. He recovered, but rested on the side lines several minutes before he was sufficiently recovered to resume.

While Church's injury lasted but a few minutes, Dave McCann suffered an accident that may keep him out of the game for a week or more. How he got it no one knows, not even himself. A tendon was ruptured in his left knee mid way in the practice, and though he continued on playing, it became greatly aggravated and he left the field limping badly at the conclusion. He was placed on a rubbing board, and Dr. Nagle examined the injury. Its extent will not be known for a day or so yet, but it would not be surprising if he was unable to play against Montreal next Saturday, a fact that will cripple the back line considerably.

"Kiko" Kilmartin also injured an old bruised knee of his, and will be laid up for some time. Billy Slade, who has been showing up particularly well on the intermediate took a flying tackle at Christie who was going like a streak through a broken field, and was knocked out. It was discovered later his nose had been broken. Walter Gillis was also laid out in a scrimmage.

The one great redeeming feature about the practice was the magnificent quarter-back work of Charlie Snelling. He tore holes through the senior line that fairly startled everybody. He got his distance on first and second downs, and once through the line it was almost impossible to pull him up. On his showing yesterday he is practically sure to play quarter against Montreal next Saturday.

The senior backs fumbled atrociously, while the line gave them very little protection. Eddie Pope, who played centre half, is coming up splendidly, and his tackling yesterday was quite a feature. Should Jack Williams not come out, Pape looks good enough to fill the bill.

The Montreal team will probably be a good deal stronger than was first expected. It looks now as if the back division will be Stinson at full. Duckett, the Westmount player, who is likely to be hailed as one of the finds of the season, at centre, and Ernie Hamilton and Billy Craig on the wing halves. Bazz Baillie will be at quarter. McAllen and Kallsseem sure of places in the scrimmage. On the line there will be Kelly, Kingston, Molson, J. Baillie, Fraser and A. Cameron among others to draw from.

The Peterboro' Review says: There is talk of an amalgamation of the Inter-provincial and O. R. F. U. Perhaps it would be a good thing. There is no reason why the two bodies should be scrapping. As far as Peterboro' is concerned, the grouping with T. A. A. C. and Parkdale is quite satisfactory for the present year.

Whiting, who played last year with the Hamilton Junior Tigers, is working for a place on the London Rugby Club's wing line.

Jack Newton, this year's Varsity captain, is doing some fine work in practice.

Lorne McAllen will likely play centre-scrimmage for the Montreal Rugby Club this season.

Joe Wright is certainly keeping the Argos practising hard.

Crawford Wins the Edgar Trophy

In the City Championship Single Competition.

Final and Semi-Finals Played Saturday.

The semi-finals and final in the city championship individual bowling competition were played on Saturday on the Thistle green. In the semi-final round Mr. McKune, who made such a brilliant finish with Mr. Woods Friday, went down before the veteran, Mr. C. W. Walker, and Mr. A. Laird was defeated by Mrs. G. F. Crawford by 21 to 18 after a game which looked like a victory for Mr. Laird, as he led the score from the 2nd to 22nd end. The score at the 21st end was 18 to 15 in favor of Mr. Laird. When Mr. Crawford played the last bowl in the 22nd end Mr. Laird lay three shots, one touching and covering the Jack, but Mr. Crawford, by an accurate running shot, displaced it, and carried the jack to three of his, lying four, which Mr. Laird failed to save. On the next end Mr. Crawford made two, winning the round.

The final game between Mr. Walker and Mr. Crawford was most keenly contested for 26 ends, in each of eighteen ends only one shot being scored. Mr. Crawford defeated his club mate by 21 to 18.

The score by ends is as follows:

Mr. Crawford—000, 101, 410, 001, 300, 101, 021, 001, 22, 21.

Mr. Walker—111, 010, 001, 110, 031, 010, 100, 230, 00, 18.

Rugby.

On Friday a very interesting football match was played between the day boys and boarders of Highfield, and for the first time in the history of the school the boarders won. The score was 9—0. For the boarders Higgins and Reynolds were the stars, while Matheson and Storms did the best for the day boys. The teams were:

Boarders—Full back, J. A. Turner; halves, R. A. Higgins, J. A. Grant, A. L. Carpenter; quarter, F. Gibson; scrimmage, F. E. Lennard, W. F. Hay, Mr. Haughton; wings, G. K. Holland, E. Reynolds, Mr. Ashburner, C. B. Tinling, S. Grassett and H. Hay.

Day Boys—Fll back, H. H. Washington; halves, D. Storms, G. M. Matheson, R. S. Fitch; quarter, M. A. Vallance; scrimmage, H. Campbell, R. R. Mackay, O. Dunn; wings, G. K. Fraser, J. Merrick, H. Colquhoun, G. Evel, R. Jolley, A. Young.

Of Interest to Young Athletes

Football will be going in full swing next Saturday, when the leagues all over the city will play the opening games, and judging by the form and enthusiasm shown by the different teams, some rattling good games should take place. The only league that will not be opened this year is the Victoria Park League. It was the intention of the promoters to organize this league, but the players have scattered, and the managers find it impossible to form their teams. Most of the absentees are playing in the church leagues, while others have left the city. A new league has been formed that will take the place of this one, however, and the fans should see classy football, as the rivalry existing between the teams is said to be great. The league will be composed of the Blue Labels, Hurons, Victorias and Beavers. The players only weigh between 90 and 115 lbs. but the youngsters are at times capable of playing ball equal to any of their elders.

o o o

The Senior Church League will be played in the same place as last year—at the Mountain View Park. Mr. Baker, the president, has kindly consented to open the games. The first game will take place between the Ascensions and St. Patrick's, and it should prove a hummer. The rivalry between the two teams is strong, originating over the Saints' refusal to allow the McLaren Mission to enter a team. The Ascensions are composed of nearly all the Mission boys, and are only waiting for the whistle to start the excitement. The other game will likely take place between First Church and the Erskines. Although the Erskines have not gone through the usual formality of entering a team in the league, their aplication will be dealt with on Tuesday evening, when the executive meets to settle the matter. While the First Methodist are picked to win the game, the Erskines may have a surprise in store.

o o o

The Erskine's entry to the league will be the right move at the right time. Bill Monck is going to manage the west end bunch, and as Bill's reputation is already known, he needs no introduction to the fans. He can be counted upon to have a winning team, and there is no doubt but that they will make a good showing.

o o o

In the Junior League the opening games will be played between the Knox Mission and St. Andrew's. While Knox Mission is the feared team of the bunch, playing nearly all of the Baysides, they will meet a team their equal when they clash with the Saints. The other game will be played between the Y. M. C. A. and Simcoe Street Church, and should be a game well worth while. Final arrangements will be made this week for the opening, which is promised to be something out of the ordinary.

o o o

The selection of officers is causing the committee in charge much trouble. It is hard now to get a man who will take the responsibility of giving decisions that will meet with the approval of both teams, and when he does happen to be off once in a while, well, then, watch out.

o o o

Saturday was a hoodoo for football. Besides a few of the Tigers being put out of business, a number of the juniors had the misfortune to receive injuries that will not better their condition any.

The First Methodist Church, at Victoria Park, in an exhibition game, defeated the Central Y. team by a score of 7—4. The First Church had the better of the argument all the way through, and had little difficulty inu winning. The First Church outweighed their opponents.

o o o

Young McKelvie is looked upon as the sensation of the Church League this year Mac is a classy fullback, and when he gets going is a hard man to stop.

o o o

While the Ascensions are again picked as likely winners of the Church League, the First Church will make them travel some. While the Ascensions have all their old timers on, including a few of the old Rough Riders, the First Church is their equal by securing a few coming players, who are bound to play well this year.

o o o

At a meeting held recently of the St. Andrew's football team the following officers were elected:

Captain—A. Kidd.
Manager—W. Conners.
Secretary—G. White.

o o o

The Collegiate wil sold a practice this evening on the lawn of the school, in preparation for their game with Highfield.

o o o

That the St. Patrick's Athletic Club is a flourishing organization is proved by the fact that nearly all their members who tried for honors at the Tiger athletic meet on Saturday weer successful.

o o o

The East End Y. M. C. A. have received their valuable trophy, the gift of J. W. Nelson, for their winning the East End Soft Ball League.

o o o

Already the youngsters are training for the school athletic meet in the near future. All previous records will likely be smashed.

o o o

The soccer people have secured Britannia Park for the season.
