Foreign Missions.

The following resolution of the Telugu Baptist conference recently held in Cocanada deserves more than a passing notice. It is deeply significant that while the brethren on *our mission field* were thinking of and planning for their work that they should be directed to the same day, 31st March, as a day of special prayer to the God of missions as were the friends of our beloved mission here at home. But let the resolution speak for itself and may the spirit of God do His work in connection therewith.

Be it resolved that we request the Baptists of Canada and the members of our churches throughout the Telugu country to unite with us in observing the last Sunday in March as a season of special prayer, thanksgiving and consecration in regard to our mission work amongst the Telugus, and that we especially remember:

(1) *The native churches*, that only such as are "being saved" may be added to them; that any root of bitterness amongst them may be cast out by a spirit of love; that they may be enriched in all the blest graces of the christian life; and that they may abound in liberal giving to self support;

(2) That the *schools*, the *Ongole college*, the *Seminaries* at *Ramapatam* and *Samulcotta* may be used of God not only to bring many to Christ, but to conduct the training of the young in such a way as to make them a blessing and a great power for good in the Master's work;

(3) That the *Native helpers* may be saved from a mercenary spirit and made fit for greatest usefulness by a baptism of power from on high;

(4) That the *missionaries* and *native workers* be upheld and their numbers increased till the last one needed to reach the unevangelized Telugus of this generation with the gospel message is sent forth from christian lands, or be raised up in this land in the spirit and power of the apostles; and further resolved

That we request the A. B. M. U. Telugu Mission to unite with us in the observance of that day.

Facts on Manitoba and North-West Baptist Missions.

Churches, forty six; 37 English, 7 German, 1 Indian, 1 Scandinavian. 43 churches dependant on aid from the Mission Board. Preaching stations, 100; pastors, 30; fields vacant, 17. Members added to the churches during 1894: By baptism, 350; by letter and experience, 300.

SPECIAL OPENINGS.

(1) Among the English speaking people in nearly every part of the country. (2) Among the 15,000 Icelanders, who are almost without evangelical privileges, and among whom we have no missionary. (3) Among the 20,000 Scandinavians, to whom we have given but one missionary. (4) Among the 40,000 Mennonites and German speaking people, who are especially open to Baptist influences. (5) Among the 30,000 French and half breeds who are almost entirely Romanists in religion. (6) Among the 50,000 Indians.

Total amount needed for the present convention year, $13,000; promised from the churches of Ontario and Quebec at the last convention, $7,000.

How much are the Maritime Provinces going to contribute this year? Very little has come in from that source yet, and the year is fast coming to a close. We are beginning to arrange the fields for the summer's work. A large number of young men are offering to go out as missionaries. One Board meets about April 10th, and our plans must be shaped according to the state of our treasury. Could not some church or individual send us $50 for the support of a young man for the summer. It would be a blessing to any church or individual to thus come into the immediate touch with the missionary and the work. One or more churches might join in supporting a pastor on some field from whom they would receive regular reports of the work. What shall we say to the men who are offering for the work now? Brethren you must give us the word to say. What we do must be done quickly. Send your money or pledges at once. The tide of immigration will start in a few weeks and we must be ready to launch out. Now is our opportunity, brethren help.

"Our country's voice is pleading
Ye men of God arise,
His providence is leading;
The land before you lies".

ACKNOWLEDGEMENT.

The good friends from Osborne, Brighton and Pleasant Point paid a visit to the parsonage recently and presented us with a large supply of useful articles, viz., dry goods and groceries, together with cash,—in all amounting to $27. May God reward the kind friends richly.

Osborne, Shel. Co., N. S., Mar. 5th.

The annual donation of the River Herbert church and congregation was given to the pastor and his wife on the evening of Feb. 1st. The recipients were happy but the donors seemed more pleased, for old and young vied with each other in making the occasion interesting and edifying. The River Hebert people are noted for their benevolence and as evidence the appellation is no misnomer they left the parson and wife $60.00 in cash. May grace, mercy, and peace rest upon and abide with the donors and all the people is the prayer of

Quarterly Meeting.

The quarterly meeting of the Hants Co. (N. S.) Baptist Sunday school association was held in Falmouth on Tuesday last, the 5th inst, and the different sessions were of more than usual interest. Not as many of our Sabbath schools were represented as might have been expected, but there were thirty one delegates present, besides several of our pastors and others who attend in their own right. During the afternoon and evening the house was well filled.

After one or two votes of thanks the association closed to meet again at Somerville, on the last Tuesday in May next.

Golden Wedding.

In Greenwich, Kings Co., N. S., at the cozy new residence of the eldest son of the bride and groom (of 50 years ago) were gathered on the 18th inst., a large and happy group of relatives to celebrate in a quiet and informal manner the "Golden Wedding" of Mr. and Mrs. Edward B. Bishop of that place. A sumptuous repast, early and pleasantly served under the genial and popular hostess, Mrs. Humphrey Bishop, added its quota of enjoyment to the occasion. Conversation, congratulations, and the recalling of memories both glad and sombre, were the order of the evening. We were happy to see among the guests, Mr. Bishop's only living brother, Mr. J. Lewis Bishop of Wolfville, who has just passed his 83 birthday, and one of their three living sisters, Mrs. Young, with her husband Mr. Edward Young, American Consul at Windsor, and also Mr. and Mrs. Hay lately of St. John, N. B. Much regret was felt that only one son could be present, the remaining children—Rev. Trueman, pastor of the North Temple church, Ohio, Oscar, of the "Far West" of Canada, and Alice, who was recently united in marriage with Rev. Mr. Fash pastor of the Liverpool Baptist church—being unavoidably absent. Of the five children given to the happy couple all are living except the eldest daughter, Mary, the deceased wife of Rev. W. B. Boggs, D. D., missionary to India. Mr. and Mrs. Bishop who once more occupy the homestead alone, seem still quite hale and hearty and it is hoped, with considerable prospect of the hope being realised, that they may live to welcome many returns of the anniversary of that memorable February day 50 years ago.

One Present.

On the afternoon of Feb. 23rd the two story school house in District No. 5, Harcourt, Kent Co., was burned to the ground. The building was insured for $860.

Our dear sister professed faith in Christ and was baptised in 1880 by Rev. A. Chipman. She was a devoted christian and died trusting in Jesus.

Wilbur.—March 2nd, of consumption, Calvin Wibur, son of John and Maragret Wilbur, of Lutz Mt., aged 25 years. He bore his sickness with christian resignation and died trusting in Christ, whose name he had espoused and name professed in early life. To the sorrowing relatives is this consolation, their loss is his eternal gain.

Courser.—At Prince William, on Feb. 9, Harry, second son of Benjamin and Matilda Courser passed peacefully away to the land of rest at the early age of 15 years. His was a robust constitution but ten weeks of suffering, the effects of a cut knee, caused the strong physical frame to become exhausted. At the beginning of his sickness Harry sought and found the Saviour, and his short christian life was one of great zeal in his Master's service. His prayers and direct efforts in behalf of the young companions will not soon be forgotten. Shortly before he died he sent for some of them, and made them promise that they would meet him in heaven. To all the unsaved young people of Prince William, he sent this very impressive message, "Do not wait as I have done, until a time of sickness, before you give your hearts to Christ. I am safe in the arms of Jesus." Death had no terror for him and he has left behind him a powerful influence for good in this place.

J. M. M.—Have a Sir Charles colt three years old; he overreached and struck the back of his left fore leg; tendons are much swelled and very painful. A neighbor advised me to use your Liniment, but as the colt is big value thought I would write you first.

Ans.—Give complete rest, use shoe with high heel corks, rub leg with Liniment until it blisters. If you persevere you will cure it.

P. Mc.—How much of your Tonic Powder shall I give to colt nine months old that is very much out of condition.

Ans.—Commence with half a teaspoonful and then increase to full teaspoonfull daily.

R. L.—As there is no qualified Veterinary in this section my neighbors call me in when their stock is sick. I always use and recommend your medicines. The Tonic Powders are especially valuable in cases of distemper, worms, impure blood and loss of appetite. I always give a package to colts before I castrate them; they do much better. Have not lost a colt from castration when I had previously purified his blood with Tonic Powder.
