Cork, Limerick, and Waterford, prepared [illegible] Dublin, March 8, evening.—A despatch from Waterford reports that the Fenians had [illegible] on Bell's Mountain, in Tipperary county. Troops with artillery had been ordered to engage them. The result of the battle is not yet known.

The insurgents number in strong forces particularly in the county of Tipperary. No battle have yet appeared in Wicklow county, and the town of Wicklow is quiet.

Reports from Drogheda state that there has been no further disturbances in that city up to the hour. Twelve of the foremost rebel leaders have been captured.

The Fenians have captured and held possession of the police barrack at Kilteel in the county of Kildare.

Dublin, March 9.—It is reported from Ireland to-day that tranquility has been restored throughout the Province of Leinster, and that there has been no recent disturbances in the County of Kerry, the scene of the abortive outbreak of last month.

Dublin, March 9.—A despatch from Waterford states that the Galty Mountains, on the borders of Tipperary and Cork Counties, are swarming with Fenians, and it is feared that an attack will be made upon the Town of Tipperary, the inhabitants of which are said to be disaffected and strongly disposed to help them.

London, March 9.—Official despatches received from Ireland say that loads of arms have been discovered and seized by the military, and that this fact seems to confirm the rumors that the rising of the Irish had failed to be general.

London, March 9, evening.—Despatches from Dublin state that small bands of Fenians are travelling the counties of Cork, Waterford, Tipperary and Limerick, pressing the people into their ranks, and committing robberies everywhere. The taverns in the city of Cork are to be closed every evening at dark.

Dublin, March 10.

The insurgents made an attack on the barracks at Mount Mellik at the foot of Slieve-Bloom Mountain, and were repulsed. Two of the attacking party were shot. The rebels also tried to lay a ambuscade to the number of three thousand in the neighborhood of Abbeyleix, Leix, in Queen's County. Troops have been sent to disperse them.

Goderich, 20th February, 1867.

To the Mayor and Town Council of the Town of Goderich:

GENTLEMEN,—We, the undersigned, having been appointed Auditors by your honorable body, beg leave to report as follows:

We have carefully examined the Treasurer's books, checked and verified all his vouchers and entries, and found his accounts correct and the books in good order and well kept. We have prepared, and now submit herewith for your inspection and consideration a condensed statement of all the Treasurer's accounts, and a general abstract showing the whole of the receipts and expenditures for the year 1866. We have also prepared an abstract of the School Accounts, showing the receipts and expenditure for 1866.

You will observe that the balance at the credit of the corporation on the 1st January, 1867, amounted to $4346.09. It is but right to state, that against this balance must be placed the County Rate for 1866, amounting to $2994.59, which was unpaid at that date. The interest on the Government Municipal Loan Fund for 1866, amounting to $4319,00, was also due and unpaid at that date.

We are, gentlemen,
Yours respectively,
WM. MACKAY, H. D. CAMERON, } Auditors.

MARRIED.

At Goderich, on Tuesday March 5th, 1867, by the Rev. Canon Elwood, Rural Dean of Huron and Bruce, Robert P. D. Brown Esq. of Clinton, to Emily Harriet, fifth daughter of the late Lieut. A. F. Morgan, of Her Majesty's 97th regt.

At Trinity Church, Allahabad, on the 24th Dec., 1866, by the Rev. Everett Linton, Chaplain to the East India Railway Company, Patrick E. Hyndman, Esq., C. S. Quongess son of the first Sheriff of Huron, Jubbulpore Line, to Catherine Anne, third daughter of James Black, Esq., of Hamilton, Canada West.

DIED.

On Saturday, the 9th inst., at Goderich, Elizabeth, daughter of the late William Reeden, aged 18 years and 6 months.

ALL RIGHT AGAIN.—Mr. E. L. Johnson is all right again, having established his photograph gallery in Stewarts' new brick block, where, having secured the services of Mr. Coons, a first-class artist, he is prepared to take pictures of excellent quality at reasonable rates.

The Mints of the United states have coined since they commenced operations (some seventy years,) the large amount of Eight Hundred Millions dollars, about one-fifth of the whole metallic currency of the world, of which amount $200,000,000 has been bestowed from their own mines; we are not without mines, but while we feel that they will not produce so much gold, we have the pleasure of knowing there is a sovereign remedy in the "Canadian Pain Destroyer" for sudden colds, rheumatism, neuralgia, tooth ache &c. Sold by all Medicine Dealers, at 25 cts per bottle.

BUTLER'S WAFFER.—(The great public remedy) have now been in use over twenty years, hence it cannot be said that they are on trial. They have been thoroughly tried, and pronounced (on the authority of those whose lives and health they have preserved) to be a pure, harmless, and exceedingly salutary preparation, and it taken in season will invariably cure colds, coughs, sore throat and all Bronchial affections. One fair trial will convince the most skeptical. Sold by all medicine dealers, at 25cts per box.

Poor Horses.

There are thousands of poor horses dragging out a miserable existence, suffering from a variety of diseases, rendering them almost worthless, that would be restored to a healthy and sound condition, and a value given to them of which their owners never dreamed, would they but use the means within their reach. From 1 to 3 packages of Dimler's Arabian Horse Remedy and Condition Medicine will in all cases produce a satisfactory result; hundreds have testified this fact.

Remember the name, and see that the signature of *Hurd & Co.* is on each package.

Mothers Read This—Holloway's Worm Lozenges are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS.—The following are a few of the very numerous symptoms and diseases which are caused by Worms; deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, and frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintness, trembling, cough, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms then safely without pain, and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use of other worm medicines.

☞ Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle, C. W., who are the sole proprietors.

N. B.—Ask for *Holloway's Worm Lozenges*, ☞ and take no other. ☞ Sold by all the druggists in Goderich and medicine dealers everywhere. w40 6m

To the Friends of Progress.

A conviction of the superior merit of The London Commercial College and Seminary, has, evidently, became well established in the minds of the Canadian Public. That its worth is beginning to be appreciated, is evinced in the fact, that

UPWARDS OF 200 STUDENTS

Are now connected with our classes, which is undoubtedly, more than are in attendance at

Any other two Commercial Colleges in Canada:

And, what is still more encouraging, this number is constantly increasing. We expect that it will continue to do so, for, we have always contended that a Thoroughly Practical Course of Business Training, coupled with strict integrity and a sincere regard for the welfare of our students, was sure, sooner or later, to win the confidence of the community at large. The facts, in this case, have fully demonstrated that this was a correct conclusion. We heartily thank the Public for their patronage so liberally bestowed, and would, at the same time, assure them, that, in the future, as in the past, it shall be our constant aim, to so deal with and teach our Students, as to secure the genuine approval of the Wise and the Good. If we have the cooperation of these, we cannot fail to succeed; for, we have promises to this effect, which are as "sure as the Everlasting Hills." We would, therefore, say to all who are about to embark in Business Life, as Moses said to Hobab "Come with us and we will do thee good, for, The Lord hath spoken good concerning Israel." Our mode of instruction is in the highest degree

SYSTEMATIC and PRACTICAL

AND WE

Offer advantages which are found at no other Commercial College.
