At the close of the last year the amount in trust of Mr. Peabody's great bequest for the benefit of the poor of London was $1,114,000, and another sum of $500,000 is to be added to the princi during the present year. The number of families occupying apartments under his bequest is 847, and the number of persons benefitted by it 3,407. The income of the Peabody Educational Fund to be expended in the Southern States during the present year would be about $130,000. For free common schools in the South, nearly $1,000,000 has been expended from all sources.

CHALLENGE ACCEPTED.—The Welland *Telegraph* says that Armstrong & Co. of Port Colborne, on the 4th of August challenged any tug in Port Dalhousie to run a race from Port Dalhousie to Toronto, for $10,000 a side, to compete with their tug *Maggie* of Port Colborne. The next morning it was taken up by Capt. Quackenbush of the *Sam Perry* of Port Dalhousie. An exciting time is expected.

AN enterprising Edinburgh tradesman once advertised his goods in the following terms:

"Scots wha hae wi' Wallace bled,
Scots wham Bruce has aften led,
If you want a graceful head,
Gang to Box the hatter."

POVERTY IS BAD, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, Iron, by taking the Peruvian Syrup (a protoxide of iron) and you will feel rich and "as good as anybody." Try it.

A DISTINGUISHED PHYSIOLOGIST has said that Neuralgia is the cry of the hungry nerves for their special food, which is the Phosphorus contained in the blood. This painful disease is usually followed by general prostration on account of the great waste of nerve tissue and insufficient supply of nerve force to maintain the functions of the vital organs. The common cause of Neuralgia and Rheumatic Pains is depraved Nutrition arising from Derangements of the Stomach, Mal-assimilation of Food, and Poor Blood. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya supplies Phosphorous for the nervous system, Lime as an excitant of nutrition, Iron for the Blood, and Calisaya for promoting strength. No preparation in existence is so reliable to maintain the vital forces and energise all the organs and tissues of the body

Iron in the Blood
PERUVIAN AN IRON TONIC SYRUP
MAKES THE WEAK STRONG.
The Peruvian Syrup, a Protoxide Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.
This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*
Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women. And hundreds have proved reasonably healthy to give it a trial.
See that each bottle has PERUVIAN SYRUP *down in the glass.*

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
