WOLFS CRAG'S LINCOLNSHIRE

ENGLAND'S FIRST BIG RACE WON BY AN OUTSIDER.

Gangway Was Second and Marcion Third —Description of the Placed Horses— The Big Boat Race To-Day — Jake Gaudaur in the City—Harry O'Loughlin Talks—General Sporting Gossip.

LONDON, March 21.—The first big race of the season was run to-day on the Lincolnshire course. Eleven horses faced the starter, and the result was as follows:

LINCOLNSHIRE HANDICAP of 1000 sovereigns, 3-year-old and upwards, 1 mile.
Mr. J. W. Smith's Wolfs Crag, 3 years, 91 lbs .....(H. Huxtable, jr.) 1
Sir J. Blundell Maple's Gangway, 3 years, 90 lbs .....(P. Chaloner) 2
Mr. R. E. Vyner's Marcion, 3 years, 96 lbs.....(A. Watts) 3

Wolf's Crag is a brown colt by Barcaldine, from Lucy Ashton, trained by Charles Archer at Ellesmere House, Newmarket. He won somewhat handily from Gangway and landed a big stake for his clever trainer and stable. He is said to have grown into a miniature Barcaldine and inherits his illustrious sire's stamina. Gangway, by Saraband, from Gang Warity, is half brother to Clarence, last year's winner. He occupies the next box to Clarence at Falmouth House, Newmarket, where he is trained by Percy Peck. He is a strong, thick-set 3-year-old, a trifle plain about the neck, but has the appearance of making a very useful animal. Marcion, by Royal Hampton—Emmeline Marcia, is trained by Mathews privately for Mr. R. C. Vyner at that popular sportsman's Yorkshire seat, Fairfield. The result of yesterday's race will abolish the prevalent idea that a 3-year-old could not win this race, as it has now been won by a colt of that age two years in succession.

Probable Starters for the Big Chase.

Cloister still holds pride of place in the list of quotations for the Grand National Chase on Friday and the set of 5000—1000 taken at Sandown, when the backer wanted to "go on" at the price, shows the confidence reposed in the son of Ascetic by his connections, despite the crusher of 175 lbs. Midshipmite, his stable companion, in the hands of Captain Burn Murdock, won the Grand Military Gold Cup at Sandown in a canter by 20 lengths, distance 3 miles, and immediately jumped to second favorite, 6000—1000 being taken and wanted. Why Not, this year, will have that clever horseman, Arthur Nightingale, in the saddle and will not surprise his owner, Mr. C. H. Fenwick, should he win outright. Private will have the assistance of Captain Bewicke, who says that his horse was "got at" in last year's race. There is no bolder fencer among the entries than the son of Cardinal York, and he should be well up at the finish. Mr. G. B. Milne, who is now riding in great form, will be up on last year's winner, Father O'Flynn. The success of this promising amateur would be specially welcome to a colony of young Englishmen out west, where three years ago Mr. Milne had his first winning mount.

Sarsfield has been sent to the right about and now stands at 1000-15 offered.

Gossip of the Turf.

The poolrooms in New York are closed permanently, many of the former roomkeepers assert, with little likelihood of there being a revival of the business.

Frigate, by Gunboat—Fair Maid of Kent, the winner of the Liverpool Grand National of 1889, died in Ireland this month. In the previous year she had finished second to Playfair.

There may be some startling developments at Guttenberg this week. Two explosions are likely to occur, says The N. Y. Tribune, one by the internal dissensions of a combination of owners who have been robbing the other horsemen and the public, and another by an attempt to suppress betting by virtue of the writs issued by Chief Justice Beasley.

W. A. BICYCLE CLUB.

The Annual Meeting Last Night—The Officers Elected.

A large and enthusiastic number of young men were present at the annual meeting of the West Association Bicycle Club, which was held in the club rooms, corner Queen-street and Dovercourt-road, last night.

The financial condition of the club was found to be in a most satisfactory state and the prospects for the coming year are very bright.

The membership is in a flourishing condition, the club being greatly augmented by additional members who will no doubt strengthen the club and enable it to give a good account of itself the coming season. The following officers were elected:

President, R. J. Colville; captain, D. Lochrie; first lieutenant, G. Butchart; second lieutenant, D. Slack; recording secretary, D. J. Barnett; treasurer, G. Essery; statistical secretary, W. H. Markle; managing committee, R. J. Colville, H. Slack, A. Pullan, D. I Barnett, D. Lochrie, A. Walsh, J. Morley, W. H. Markle, R. Chalkley, G. Essery, G. Butchart; auditors, W. Lake, W. Simpson.

The New Bicycle Track.

President Suckling appeared amused yesterday when spoken to in regard to the united city bicycle clubs' proposal to build an opposition track.

"It won't affect the lacrosse club in the least," he said.

"We may make our track a complete third of a mile, but whether a new course be built over the Don or at the University makes no difference whatever."

JAKE GAUDAUR.

He Will Likely Scull Stanbury in Texas in June—About St. John.

Jake Gaudaur reached the city yesterday from Orillia looking in great trim to begin a hard season's work. He weighs 205 pounds and will work down to 185. He has written Stanbury at Frisco, agreeing to scull for the world's championship and $2500 a side and a purse. Gaudaur expects the event will take place at Austin, Texas, during the progress of the big regattas there June 1, 2 and 3. The events will be all professional ones and as follows:

Single scull, prizes $1500, $500 and $300; consolation single for $500; double scull for $500.

Of course the race between Gaudaur and Stanbury will be a special event, and as Austin is expending half a million in opening a new waterway and mill dam, the city will likely put up a big purse for the scullers.

J. A. St. John has written agreeing to furnish $1000 to back the Orillian against the Australian. Gaudaur has already sculled on the Narrows of Lake Couchiching this year and there he will train until he goes to Austin May 1 to train for the big regatta.

This is the last day for making the next deposit for the Hanlan-Gaudaur race and the principals are expected to pay a visit to Stakeholder John Laxton to-day.

The Battle of the Blues To-Day.

The fiftieth anniversary of the famous race between the sister universities on the Thames takes place to-day. The race will be rowed from Putney to Mortlake. Oxford are slightly the favorites, but will have to do all they know to beat Cambridge, who have been training hard and are now in capital trim. The crews are as follows:

OXFORD.	Lbs.		Lbs.

The Bayside Rowing Club.

The annual meeting of the Bayside Rowing Club takes place on Monday, April 3, when flourishing reports are expected to be presented. The Bays expect to have the same good crews in early spring to experience another successful season.

Messrs. Curran and Gray will likely represent the Baysides in the doubles, although the latter has to appear before the C.A.A.O. for a trivial offence.

A LOCAL CRICKET LEAGUE.

Wholesale Drygoods Houses' Project—McMaster & Co.'s Club.

There is a project on foot for the formation of a wholesale drygoods cricket league, which, if carried out, should boom the grand old game to an enormous extent in Toronto.

Last evening the employes of Messrs. McMaster & Co.'s wholesale drygoods establishment met to organize themselves into a club to play cricket during the coming season.

The greatest enthusiasm was shown and all entered cordially into the project, and will enter the competition for the league trophy if the scheme for the formation of a league goes through, but in any event they hold themselves open to challenge from any kindred club, and hope to have many a pleasant contest before the season closes. The officers chosen were as follows: Hon. president, J. Short McMaster; hon. vice-president, John Muldrew; president, Alex. Howat; vice-president, W. H. Muldrew; committee, W. Walker, A. McMaster, A. McGraw, George Kent; hon. sec.-treas., Arthur McMaster.

At a subsequent meeting of the committee Mr. J. Hallworth was chosen captain, and under his direction practice will begin as soon as the weather and ground will permit.

MARKSMEN DINE.

Toronto Gun Club Men Around the Board —They Shoot Oshawa.

Yesterday was a great day for Toronto Gun Club men.

In the afternoon they had their annual shoot with their Oshawa brethren, and in the evening the event of the year occurred. President W. Miller was in the chair in the King-street club rooms, with Vice-President Norris ensconced opposite.

There were the usual loyal and patriotic toasts, all pleasantly proposed and ably and happily responded to. There were guests present from the Owls, Mimico and other sister clubs and around the festive board were seated upwards of 90 jovial sportsmen.

The matches between Toronto and Oshawa resulted in the clubs breaking even. Toronto won at sparrows and Oshawa at blue rocks. There were 10 men per team.

BASEBALL IN CHATHAM.

Doc Sheppard to Twirl There—The Crack Team of the West.

It was suggested a few days ago by the Windsor press that a league be formed of the baseball clubs of Windsor, Chatham, Blenheim, Dresden and Leamington. This is a capital idea, and is being seriously considered by the players of this town. It might here be mentioned that Chatham this year intends organizing the crack ball team of the west. Mynard C. McBrayne, last year's captain and one of the best amateur catchers who ever played, will command the team. Sheppard, late of the International League, will pitch. Sheppard was connected with the Torontos in '86, when they won the pennant. He was the pitcher of the winning team, and now being a member of the City Band, has kindly consented to lend his assistance to the Chatham ball club this season.—Chatham Planet.

PROVINCIAL LACROSSE.

Harry O'Loughlin on the Situation—Hamilton and Toronto.

Harry O'Loughlin, ex-secretary of the Canadian Lacrosse Association, came over from St. Catharines yesterday and talked about the sport which he has always taken a very great interest in.

"Yes, there will be plenty of lacrosse this season," he said.

"We should endeavor to induce Hamilton to come in. That rivalry that has always existed between Toronto and Hamilton should not be allowed to go to waste in Canada's national game."

"Hamilton has the chance of her life," he continued. "They have Captain McLennan of the Cornwalls there and he would go heart and soul to establish his game permanently in the Ambitious City."

The annual meeting of the C.L.A. takes place here on Good Friday, when a goodly list of business is expected to be transacted.

ACCIDENT TO A BILLIARDIST.

Schaeffer Breaks Two Small Bones in His Wrist—His Match With Slosson.

CHICAGO, March 21.—Jake Schaeffer's match with George Slosson has probably fallen through by reason of a serious accident which befel the wizard this morning, by which the bones of his right wrist were fractured.

Schaeffer was returning with his wife from the home of a friend, when he slipped on the icy pavement, and in putting out his hands to save the fall received the entire weight of his body on the right wrist. Two of the smaller bones snapped like pipe stems, and it is the opinion of the doctor who attended him that the injury is a permanent one.

Sutton's Big Balk Line Run.

Champion Billiardist George Sutton made a run of 125 yesterday afternoon in the Rossin House rooms at the 14 inch balk line game. The points were chiefly scored on the long balk line, where the expert cleverly rolled the ivories. A miscue retired him. This is likely the record at this style in Canada.

General Sporting News.

J. Elliott, a very promising cyclist of Kingston, will go on the track this season said train for racing.

READER.—The attendance was over 6000. This question was answered here a short time ago.

The meeting of the Executive Committee of the Canadian Kennel Club, set down for March 28, has been postponed until Thursday, April 6, when it will take place in the Queen's at 8 o'clock.

The Toronto Bicycle Club will hold a progressive euchre party at the club room this evening, which promises to be a most successful affair. A valuable prize has been donated by Mr. Bruce Brough. A full attendance is looked for.

Mr. A. B. Mackenzie, hon. secretary and treasurer of the British Columbia Amateur Lacrosse Association and formerly of Toronto, has called the annual meeting of the executive for April 8 at Vancouver. Each club will send three delegates, who, with last year's executive and council, will form the convention.

Captain John Gourlay of Warriner College team is about to establish himself in business at Essex Centre. On his departure from the city yesterday afternoon, President McHardy, on behalf of the members of the team, presented him with an appreciative address and a handsome gold cushion locket, suitably inscribed.

Parson Davies has issued the following from San Francisco: "On behalf of Joe Choynski I challenge Bob Fitzsimmons to fight or a stake wager of $5000 and the largest purse obtainable, the match to be at catch-weights, to take place in from three to six months from date." Davies says he means business and that Fitzsimmons can communicate with him at Los Angeles until next Wednesday.

THE AMUSEMENT WORLD.

"Fantasma."

This great spectacle will be presented by a company of rare excellence, and with all the novel and ingenious mechanical effects and surprises that have made it one of the most popular dramatic attractions of recent years.

Ever since its first production "Fantasma" has been a phenomenal favorite with the play-going public, and at its evening presentation in this city it attracted crowded houses. It will be presented under the management of the Hanlon Brothers. The performers in the cast have been specially selected for their respective roles. "Fantasma" will appear at the Grand Opera House next week.

Erskine Church Choir.

A concert of a unique character was given in Erskine Church last night, the program being furnished in its entirety by the male portion of the choir, numbering about 25 voices. The soloists were: Tenor, J. Hartley Dennison and G. A. Parry; baritones, F. T. Chambers and G. A. McIntyre, and basses, W. E. Young and T. Macdonald, all of whom acquitted themselves creditably.

The Toronto Ideal Banjo Club appeared for the first time in Erskine Church and their contributions were much enjoyed.

Prof. H. N. Shaw, B.A., was the elocutionist. His selections were choice and his rendition of the various numbers was all that could be desired.

An Illustrated Lecture.

Mr. J. Wells Champney, M.A., of New York gave a most interesting lecture on "Facial Expression" in St. George's Hall last night. Mr. Champny is an artist of no mean pretensions and illustrated his address with many amusing crayon sketches.

Notes.

Subscription list for the Nordica concert, April 7, is now open at Messrs. Suckling & Sons' music warerooms.

Mr. S. H. Clark, whose departure for Chicago was very much regretted, returns to this city next week, and will appear in a grand concert and recital in the Pavilion, on Wednesday, the 28th. Plan opens at Nordheimers' at 10 o'clock to-morrow, and as there will be no extra charge for reserving seats a large crowd is anticipated.

FOR COMPLETION OF

Elliot & Neelon's Contract

OF

CITY AND COUNTY BUILDINGS.

Tenders addressed to E. J. LENNOX, Architect, will be received through registered post up to noon on

Thursday, the 30th day of March, 1893,

for the completion of the tender and contract of Messrs. Elliot & Neelon, in connection with the erection of the New Court House and City Hall, for the City of Toronto and County of York.

Copies of the plans, specifications and general conditions and tender and contract can be seen at the offices of the Architect, Mr. E. J. Lennox, southeast corner of King and Yonge-streets, Toronto, at once, where tenders may personally procure authority wherein they may obtain a view of the present condition of the work to enable them to make the necessary calculations of the amount of work done, and the balance of work required for completion of the contract referred to.

Each tender must be sent in on printed form and enclosed in envelopes, which will be supplied by the Architect.

Tenders to be accompanied by a marked check, payable to Mr. E. J. Lennox, Architect, or by a cash deposit equal to 1 p.c. (one per cent.) on the amount thereof.

The deposits of unsuccessful tenderers will be returned as soon as the successful tender is accepted by the Architect.

The deposit of the successful tenderer will be held until the contracts are executed to the satisfaction of the Architect and satisfactory security given for the proper completion of the work tendered for.

Any party whose tender is accepted failing to carry out the same will forfeit the deposit, which will be credited in such a way in connection with the work as a Judge of the High Court of Justice, upon application, may direct.

The lowest or any tender not necessarily accepted.

The above conditions and the conditions embodied in form of tender must be strictly adhered to in tendering, as informal tenders will be ruled out.
