FATE OF GOVT. HOUSE WITH LEGISLATURE

TORONTO, Jan. 13.—That the future of Government House will probably be decided by the Legislature was the answer of Premier Drury today to a question as to what the Government thought of the statement of Governor Clarke that to abolish it "would be a calamity." The premier said the objections to it were not as an institution but the enormous expense it entailed.

Hon. Walter Rollo, minister of labor, said no part of the labor program called for the abolition of Government House.

Grip, Influenza
Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defence against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

DON'T PUT OFF
It's the neglected cold, cough, tender throat or tonsils, that debilitate and leave the body disposed to serious germ diseases.
SCOTT'S EMULSION
should be taken at the first sign of lowered resistance, cold or cough. The energizing virtues of Scott's bring essential nourishment and help to the weakened system.
Give Scott's a trial.

SALTS FINE FOR ACHING KIDNEYS
We Eat Too Much Meat, Which Clogs Kidneys, Then Back Hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salts is made from the acids of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

EMBRO EGG CIRCLE DID BIG BUSINESS IN 1919

60,272 Dozen Eggs Sold For $29,455—Averaged 49c Per Dozen.

EMBRO, Jan. 13.—The annual meeting of the Maple Leaf Egg Circle was held in the Farmers' Club rooms at Embro on Thursday last. The annual statement completed by the manager, Robert Higgard, and audited by Fred E. Day, surprised not a few, when the volume of business handled was announced. The report showed that the total shipped during the year, 1919, was 60,276 dozen, and the total price obtained $29,455, and average price per dozen for the year of 49 cents.

Last year's officers were re-elected, and it was decided to leave the entrance fee at $1, including a marking stamp to all new members. Interesting addresses were given by Mr. McCrostie of the livestock department, and Mr. Baker of Ottawa. T. N. Underhill, manager of the Woodstock Egg Circle, was also present.

The notable feature of the meeting, and one which met the approval of the producers, was the resolution to instruct the manager to pay cash when eggs were brought in. One of the speakers forcibly observed: "The time is past when this important article of farm produce can be considered merely as a trade commodity. A glance at the figures quoted proves beyond doubt that eggs have arrived at a place where they must be accorded more than passing mention, where they deserve a position among commercial articles that demand cash on delivery."

This circle last year had 123 members, and efforts will be made to double the membership this year.

Tells Dyspeptics What To Eat
Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous, and sufferers should do either one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion, or they can eat as they please in reason, and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bisurated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antacid than Bisurated Magnesia, and it is widely used for this purpose. It has no direct action on the stomach, and is not a digestant. But a teaspoonful of the powder or a couple of five-grain tablets taken in a little water with the food will neutralize the excess acidity which may be present, and prevent its further formation. This removes the whole cause of the trouble, and the meal digests naturally and healthfully without need of pepsin pills or artificial digestants.

Get a few ounces of Bisurated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate, and in the bisurated form is not a laxative. Try this plan, and eat what you want
