Sir Arthur Currie, G.C.M.G.,K.C.B.
Principal,
McGill University,
Montreal, Que.

Dear Sir Arthur:

I am sending you under separate cover a copy of the recent issue of "Science", which contains a discussion on university patents, which I think may interest you. It has also a contribution by Robert Holcomb, one of our Macdonald College graduates who is working under Dr. Maass in the McGill Department of Chemistry.

Dr. Conklin appears to be well satisfied with the outcome of our conference on Tuesday afternoon. I have written the Deputy Minister, Mr. Grenier, that I have referred this question about Dr. Conklin to you.

Yours faithfully,

J F Snell

Acting Dean.
