"Stuck on his Fence"

If you use **Page Fence** you will like it, but will not be stuck like the gentleman in the picture. The **Page Fence** is woven in our own factory, from coiled wire made by ourselves, and twice as strong as that used in other fences. Get this year's prices, they are lower than last year.

ROSS & ROSS,
General Agents, Winnipeg.

Mr. Alex. Naismith, of Wawanesa, writes under date of March 11th, to say: "The washing machine is received all right and is doing fine. Is a great improvement on the old one." Why is it that these washers are in use now at the nurses' department of the General Hospital, Women's Home, Children's Home, Deaf and Dumb Institute, Keeley Institute, Provincial Gaol, fourteen of the best laundries, hotels and boarding houses, and perhaps five hundred homes in this city, and thousands of homes in the country? Simply because they are the best in the market. I have offered $300 for the first washer that will clean as well as mine with same quantity of suds. I have the best and can prove it. I want one merchant in each town to sell them. They sell from $4.00 up to $16.00. Can do work with one gallon of suds.
