LONDON, Saturday, July 25.—The London cheese market was not as largely attended as usual to-day. Five thousand six hundred and ninety-four boxes of July make were boarded, of which only 530 boxes were sold, the price being 9 cents. Owing to the busy times with the farmers it is difficult for them to deliver their cheese to the buyer. The cheesemakers were reluctant about selling at less than 9 cents, while the buyers were as equally unwilling to pay the price. The following factories were represented:

The Best in Existence.

Mr. G. N. Boyer, merchant, Carillon, Quebec, writes as follows: "I had a very sore back, which my doctors failed to cure. I was so bad I went to Montreal and consulted the best doctors of that city. The latter pronounced it lumbago and told me to apply a plaster, which I did, but got worse all the time. I then applied St. Jacobs Oil, and was much better next morning, and after another application was completely cured. I can highly recommend it as being the best medicine in existence. I can mention another case, a farmer, laid up for some time with a sore back and could get nothing to relieve him. He came to my store, bent in two with pain. I persuaded him to try a bottle of the Oil, and told him if it did not cure him it should cost him nothing. A few days latter he came in smiling. Two applications cured him. This is a man 60 years of age. I know of many such cases."

A DAY OF DISASTER.

Terrible Railway Accident at St. Mande, France.

Fifteen Dead Bodies Taken from the Wreck, and Sixty Persons Injured.

An Excursion Train in Ohio Run into by a Freight—Serious Loss of Life and Limb.

PARIS, July 27.—A collision between excursion trains occurred at St. Mande, France, yesterday, in which 50 persons were injured and three carriages wrecked. Both trains were returning from a musical festival at Fontenoy. The second train crashed into the preceding train before the latter had left the St. Mande station. The guard's van and the three rear carriages of the fast trains were wrecked and caught fire from the gas. Soldiers aided the fire brigade to quench the flames and rescue the sufferers. The work of helping the injured was carried on by torchlight.

A dispatch from St. Mande at 1 o'clock this morning says that 60 persons were injured, and that fifteen dead bodies have been recovered, including those of two children, who were mangled beyond recognition. Most of the victims are legless. The driver and fireman of the second train were burned alive. It is reported that the station master has decamped.

EXCURSIONISTS MANGLED AND MAIMED.

CINCINNATI, Ohio, July 27.—The Dayton Cash Register Company gave their employes and friends a picnic excursion to Woodsdale Island, four miles north of Hamilton, on Saturday. The excursionists went on the Cincinnati, Hamilton and Dayton Road; they filled a very long train, and spent the day at Woodsdale. They were mostly young people, with a few children.

A little after 10 on the return trip the train stopped at Middleton, twenty miles south of Dayton. While the passenger train was standing there a freight at a high rate of speed ran into the rear end of it. Three cars full of people were overturned and wrecked.

FIFTY WOUNDED.

The cars into which the freight ran were plowed into a mass of debris, and dead and crippled human beings. It is said the wounded number 50. Scores had their legs or arms broken, or were otherwise horribly injured.

It is stated that the excursion train run into at Middletown broke a draw-bar while pulling into a siding, and in the delay of recoupling the freight train came along.

GOT A NEW NOSE.

A Man's Face Repaired with the Bones of a Cat.

DECATUR, Ill., July 24.—Dr. Wm. Barnes has performed a wonderful surgical operation. R. D. Rowe, of Las Vegas, N. M., had his nose broken when a child, the bridge being depressed until it was level with the eyes. Dr. Barnes made a transverse cut on the nose and chiseled the flesh back from the forehead. He killed a young cat and extracted four ribs, which he inserted in the incision, extending from the frontal bone to the lower portion of the nose. The result is an artificial bridge. The bones used in the case of Mrs. Davis, upon whom he performed the same operation seven months ago, have grown fast and the bridge is nearly perfect. The same result is anticipated in Mr. Rowe's case.

TORONTO TOPICS.

Corner Stone of the New Cooke's Church Formally Laid.

TORONTO, July 27.—The corner stone of the new Cooke's Presbyterian Church was laid Saturday afternoon by Robert Kilgour. Addresses were delivered by many of the Protestant clergy of the city and by Wm. Johnston, M. P. for South Belfast, and a pall-bearer at the funeral in 1868 of Dr. Cooke, after whom the church is named.

Harry Bretz, the 9-year-old son of Mr. Jacob Bretz, 104 Church street, fell from a roof in the rear of the court house on Adelaide street on Saturday afternoon and fractured both bones of his right leg.

"Don't Care to Eat."

It is with the greatest confidence that Hood's Sarsaparilla is recommended for loss of appetite, indigestion, sick headache, and similar troubles. This medicine gently tones the stomach, assists digestion, and makes one "real hungry." Persons in delicate health, after taking Hood's Sarsaparilla a few days, find themselves longing for and eating the plainest food with unexpected relish.

ADAM ALLISON'S AFFAIRS.

His Liabilities Will Reach Nearly Twenty Thousand Dollars.

A meeting of the creditors of Adam Allison, of Belmont, was held in the office of A. Grant, barrister, St. Thomas, on Friday. The liabilities will be from $17,000 to $19,000, and the assets nominally about $8,000. John Campbell was retained as assignee, and Arch. Smith and J. C. Smith, of Belmont, were appointed inspectors. The following is a list of the largest creditors, who were present and represented: A. Allison, sen., $1,850; D. T. Allison, conductor, G. T. R., $1,350; St. Thomas Loan Company, $3,000; A. Smith, $1,150; P. Ferguson, $1,250; J. McPhail, $5,000; J. Campbell, $400. It was decided to wind up the estate, and a sale of all the real and personal property will be held on Tuesday, Aug. 4. The estate consists mostly of growing crops, lumber, wood and farm stock.

In the examination of the books and affairs of Mr. Allison, it has been found that one note for $172 50 was given by Arch. McVicar, paid by him, and that he holds the receipt and note. But a note of similar amount, bearing the same date, is still in possession of the Merchants' Bank. One of these notes is, Mr. McVicar states, undoubtedly a forgery, and he firmly believes that the note he holds is the genuine one. Mr. McVicar also disputes the making of a note of $40, held by the Merchants' Bank. It is believed that these are not the only cases of the same kind which will be eventually brought out.

Sir Charles Foster, Bart., M.P. for Walsall, died Sunday. He was born in 1815, and had sat for Walsall since 1852. In politics he was a Liberal, in favor of home rule.

It is stated that the Grand Trunk Railway Company will transfer a number of its Hamilton employes to Allandale, and will replace them at Hamilton by men from the Northern and Northwestern branch.
