CONDUCT OF OFFICERS WILL BE INVESTIGATED

Refused to Register at Local Hotel Because Private Enjoyed Rotunda Privileges.

RECRUITING YESTERDAY

One Hundred and Eight Attested for Overseas—Wounded Heroes Returned.

Recruiting, which has shown a slump in the past three days, took a turn at the depot in the armouries yesterday. One hundred and eight were attested and takena on for overseas. Of this number 36 will go to the 134th Battalion, 29 to the 166th Battalion and 15 bandsmen will be transferred to the band of the 170th Battalion.

The troops in camp at the Exhibition yesterday afternoon and evening noticed changing billets. Everything pertaining to the units was packed and placed ready for transports. The men then marched two and one-half miles out from the camp and returned to their old billets which were supposed to be their new quarters. Lieut.-Col. Osborne stated yesterday afternoon that the 123rd Battalion will take up quarters in the Queens Street School as soon as possible. The 124th "Pals" Battalion will also take immediate steps to join their quarters in Jesse Ketchum School.

Officers on Carpet.

Just as soon as General Logie learned the names of the two officers who refused to register at a local hotel a few days ago because a private was enjoying the privileges of the rotunda the general ordered an investigation. The investigation will be held in private session and the officers, who are lieutenants, will have to walk the carpet.

When the C.P.R. from Quebec pulled in at the Union Station yesterday morning eleven more Toronto wounded heroes stepped off. They were met by the officers of the convalescent home, who took the boys to the institution by motor car.

The following are the names of those who returned: Pte. S. D. Best, 3rd Battalion, 1 Harvie avenue; Pte. M. Brown, 3rd Battalion, 182 Jones avenue; Pte. H. Burden, 3rd Battalion, 6 Whitesides place; Pte. H. Dalton, 3rd Battalion, 6 Briggs ave.; Pte. J. Fox, 20th Battalion, general postoffice; Pte. W. Matthews, 13th Battalion, 144 Greenlaw avenue; Pte. T. Potter, 23rd Reserve, 1201 Dufferin street; Pte. H. Patterson, 19th Battalion, 77 Cronyn avenue; Pte. H. Rawlins, 11th Reserve, general postoffice; Lance-Corp. Sinen, 4th Battalion, general postoffice; Pte. A. L. Taylor, Canadian Engineers, 71 Metcalfe street.

Lieut. J. F. Adams of the 14th Battalion, Royal Montreals, arrived in town yesterday on furlough. He is here for a rest and is due back in France in a short time. He spoke highly of the food the soldiers were receiving in France, and when fighting it is to be done the transport men take part, he said.

Bob Dibble, R. G. O'Rourke, John I. Price, Ernest Miles, Lou Scholes, R. L. Hurlburt and John E. McDonald have made application for commissions in the new 180th Sportsmen's Battalions. These applications are being put thru the 109th Regiment, so that the battalion will have a full staff of officers at the earliest possible time. The 189th has not yet been organized.

Yesterday afternoon camp orders contained the following appointments: The undermentioned of the 75th Battalion are permitted to draw subsistence allowance from Oct. 11 to Nov. 4 while doing piquet duty in Toronto: Corp. W. Suddess, Pte. W. Ashbee, Pte. W. McCrossan, Pte. W Jones, Pte. D. Davidson.

TURN HAIR DARK WITH SAGE TEA

Mixed With Sulphur, It Darkens So Naturally Nobody Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to give their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. Any drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one strand at a time; by morning the gray hair disappears, and what delights ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that lustre and appearance of abundance which is so attractive; besides, it prevents dandruff, itching scalp and scaling hair.

HIGHER TARIFF PROVES SUCCESS IN OPERATION

Able Speech by Scott of Waterloo Made Good Impression.

PUGSLEY BACKS DOWN

Hepburn Established That He Did Not Play Middleman's Part.

(Continued From Page 1.)

connection with that business we operate machine shops and a foundry at Picton. I applied for a contract to the shell committee for our firm, and no doubt we obtained it the more readily because General Bertram knew that we were a reliable firm, able to carry out our contracts.

Not a Middleman.

"It appears, however, that our plant at Picton was not equipped for manufacture of shells and our firm therefore established shops in Montreal. The suggestion that I acted as a middle man or go between has no foundation in truth and I demand that the honorable member for St. John, N.B. (Mr. Pugsley) withdraw what he said on that subject. I do not understand that any member of this parliament violates any rule or custom by being a director of a company which contracts with the imperial government. Indeed, I think that the majority of the members of both parties in both houses of parliament are in the same box as I am in that matter.

Mr. Pugsley: "And so are some members of the government. I entirely withdraw the statement that the honorable member for Prince Edward County acted as a go-between or middleman." (Applause).

Threshing Old Straw.

Hon. Chasles Murphy who resumed the debate on the address, read from the record of a law suit at Quebec to prove that some salesman was claiming commissions from a boot and shoe manufacturer for obtaining orders from the militia department. He quoted from The Electrical News of Toronto severe inadversions upon the shell committee and the Borden Government. Mr. Murphy also took up the old charges respecting the contracts for the making of trousers awarded to the Empire Clothing Company of Toronto.

Mr. Scott, Conservative member for South Waterloo, ridiculed the contention of Dr. Clark (Red Deer), that the five point increase upon British imports accounted for the falling off of Canadian imports from Great Britain.

White a Good Prophet.

Great Britain, he said was not doing much exporting these days. In the United States they found that the war practically excluded all European imports and of course the same thing was true in Canada. We were actually exporting woolen goods to England.

Mr. Scott said the event had justified everything Sir Thomas White ad said in defence of last year's budget. The finance minister had declared that the new taxes would increase our revenue by $30,000,000. It would be found at the end of the fiscal year that the increase was nearer $50,000,000. (Applause).

Scott's Charge.

Mr. Scott, amid considerable laughter and applause, read an open letter from A. E. D. Morgan, to Hon. Wm. Pugsley. Mr. Morgan, who was the Conservative candidate in Richelieu in 1911, was subjected to a violent attack by Mr. Pugsley in his speech last Tuesday night as a go-between or middleman. Mr. Morgan's letter showed how baseless were the charges preferred against him and contained some amusing hits at the expense of the former minister of public works.

Mr. Scott made a distinct sensation by his reference to Sir Henry Pellatt, whom he described as a self-advertiser and stockbroker and not a legitimate manufacturer. "When the war is over," Mr. Scott observed," it will be found that all the stock of the Canadian Steel and Radiation Co. has been unloaded on the unsuspecting public."

ASK FOR AMENDMENTS TO RADIAL AGREEMENT

Council of Board of Trade Think Interests of Citizens Not Safeguarded.

By a resolution adopted at the last meeting of the council of the board of trade, the Toronto City Council have been requested to ask the Ontario Legislature for such amendments to the Hydro-Electric radial agreement as will properly safeguard the rights and interests of Toronto.

The resolution was carried in view of the fact that "the ratepayers of the City of Toronto passed a bylaw approving of a radial railway agreement between the City of Toronto and thirty other Ontario municipalities and Provincial Hydro-Electric Commission"

COCHRANE IN LONDON AFTER VISIT TO FRONT

Minister of Railways Saw His Sons on Active Service.

LONDON, Jan. 21.—Hon. Frank Cochrane, Canadian minister of railways, has returned to London after a visit to the western front. He saw his sons on active service with the Canadian contingent. His visit to England, he says, is purely of a private nature. He returns home on Wednesday.

STAND BY POLICY OF LATE PREMIER WHITNEY

Ward One Conservative Association Declares Attitude on Prohibition in Ontario.

WIPED OUT FOREVER

Conservative Party Was Most Progressive in Local Option, Declares Speaker.

"That this association pledge itself to stand by the policy of the late Hon. Sir James Whitney and the Conservative party of the Province of Ontario as put to the electorate of this province and carried almost unanimously and endorsed by the legislative assembly in 1914," was a resolution that passed unanimously at a meeting of Ward One Conservative Association, held in the Oddfellows' Hall, Broadview avenue, last night.

The resolution was brought forward after some lengthy discussion on the question of prohibition. Ex-Ald. Saunderson, in proposing the resolution, said: "A certain faction is putting forward fads that it is thought will serve the interests of the people, but we have a policy in the Conservative party that we should stick to and we will be sticking to the best."

Most Progressive.

J. A. Macdonald, K.C., said the the Conservative party was the most progressive in local option. Before Sir James Whitney came into power it was true that many of the tavern front doors were closed while the back door was wide open. At present three-quarters of the territory of the province was dry, and since the Conservative party came into power fifty per cent. of the liquor licenses had been wiped out forever.

Lieut.-Col. Greer of the Sportsmen's Battalion, who is a past president of the association, was heartily cheered when he said he was returning soon to ask for recruits. "I am not going to say, boys, go to war, but come with me to war."

W. H. Fenwick, president of the ward one association, was in the chair.

MONTREAL'S CAMPAIGN GIVEN START BY DUKE

His Royal Highness Pointed Out Great Demands on Patriotic Fund.

MONTREAL, Jan. 21.—The Duke of Connaught today formally opened the 1916 whirlwind campaign to raise $1,150,000 for the patriotic fund in a week. His Royal Highness delivered an address at the Canadian Club luncheon at the Windsor Hotel, urging general support to the movement. The campaign will include tag days, house-to-house calls, and every other known form of raising money in a hurry.

The Duke of Connaught, who was introduced by President Robert Reford, stated that almost 20,000 families were now being assisted by the patriotic fund, and the cost of the war to Canada had been $540,000,000. This would mean a very large increase in the number of families to look after. Anything given the fund would be well spent, he said.

Sir Herbert Ames, M. P., honorary secretary of the Canadian patriotic fund, and chairman of the Montreal branch thereof expressed the belief that Montreal would, in this second whirlwind campaign, uphold her proud record by leading in the contributions to the fund.

The Duke returned to Ottawa tonight after reviewing a number of military units training here.

HOTEL PROPRIETOR GOES BEFORE LICENSE BOARD

Mrs. Ida Wilson to Answer Two Charges Relating to Sale of Liquor to Soldiers.

On Tuesday next when the Ontario License Board come back to Toronto they will hear still another case against an hotel charged with illegally selling liquor to soldiers. Mrs. Ida Wilson, proprietor of the Vineyard Hotel, Hamilton, and her head barkeeper, James Kennedy, have been notified to appear at 2 o'clock Tuesday afternoon to answer charges of selling liquor to soldiers out of hours and also to excessive drinking among soldiers.

FUNERAL OF E. W. MANES WILL TAKE PLACE TODAY

The funeral of the late E. W. Manes, who died on Thursday after an illness lasting six months, takes place today at 2.30 from his residence 86 Beech avenue, to St. John's Cemetery, Norway. The late Mr. Manes, who was 45 years of age, had resided in Toronto for 25 years and for 15 years carried on business as a merchant tailor on Yonge street. He was a prominent member of Bond Street Congregational Church and a Conservative in politics.

He is survived by his wife and three daughters, Mrs. Muriel Murray and Margaret and Mona Manes.

To Stop Coughs Use Sugar and Tar

A Specialist's Suggestion.

Obstinate, tickling coughs, the kind that racks you to pieces and keeps you awake at night, can be instantly relieved by putting ten or fifteen drops of bitrate of tar on a lump of sugar and letting it slowly dissolve in the mouth. The specialist who recommends this plan says it is superior to anything he has ever tried, and may be used with perfect safety and success on children three or four years of age. To make an excellent, inexpensive cough syrup, which children like, he says there is nothing better at any price than half a pound of granulated sugar dissolved in half a pint of hot water, and then stir in 2 ounces of bitrate of tar. When cool, pour into a pint bottle, and it is ready for use. From half a teaspoonful to a teaspoonful every hour or two will quickly relieve coughs and colds, and if regularly used for a few days will give remarkable benefit in cases of catarrh and bronchial affections.

NEWS FROM THE CITY HALL

FIRE CHIEF APPOINTS EIGHT NEW OFFICERS

There Will Not Be Any Unnecessary Delay in Reorganizing Department.

Chief Smith of the fire department does not intend that there shall be any unnecessary delay in the work of reorganizing the department, and he is making appointments and promotions with such rapidity that within a short time the staff of the department will be on a proper footing. Yesterday four captains and four lieutenants were appointed to fill the places of those who have been made district chiefs, as well as the vacancy caused by the death of Captain Corney Burns. The new captains are: Lieut. James Gordon of Yorkville avenue, who goes to Richmond street; Lieut. David Corbett of Ossington hose section, where he will remain. Lieut. Ed. Kearns of Rose avenue goes to Perth avenue, and Lieut. Sam Best of water tower No. 1, goes to aerial No. 2 at Adelaide street. Capt. Matson will be sent to Keele street to fill the place of District Chief McLean.

The four new lieutenants are: Fireman Sam Graham of Bolton avenue; David Leslie of Berkeley street; R. A. Smith of Richmond street, and Arthur Tomlin of Queen street.

CITY HALL EMPLOYES GIVE FIFTY THOUSAND

Contribution to Patriotic Fund Will Extend Over Period of Ten Months.

Employes in the various departments at the city hall have on every occasion been among the largest contributors to war and patriotic funds, and it is evident that they do not intend to be behind in the Patriotic Fund campaign that is now on. The heads of the departments have already arranged their plan of action and it has been decided to contribute $50,000 in the next ten months. Each employe will be asked to contribute one day's pay a month, but in order that this may not prove a hardship to some, those having large families to support on comparatively small wages will not be asked to contribute, nor will those whose family income has been reduced thru a son going overseas.

CITY HALL NOTES

Speculation is still rife at the city hall as to whether or not there is to be a permanent chairman of the committee of the whole. The feeling seems to be that the chances are very slim for Ald. McBride being appointed in case a permanent position is created.

PLAYS, PICTURES AND MUSIC

"QUINNEYS" AT ALEXANDRA.

Next week at the Alexandra Theatre will see the first presentation in this city of Frederick Harrison's Haymarket Theatre cast and production of "Quinneys." This play is a comedy in four acts by the well-known sovelist, Horace Annesley Vachell. The story concerns Joseph Quinney, the proprietor of a quaint antique shop in Soho Square. On the day when the play opens he is congratulating himself upon having purchased for nine hundred guineas eight Chippendale chairs, for which he immediately finds a willing buyer at a round profit of £200. Quinney discovers that James and his daughter Posy are lovers. He hides behind a screen, surprises them and then James gives away a secret of the Chippendale chairs, which are "faked." Quinney believes the man is blackmailing him, and that he must either surrender his daughter or his position in trade. The upshot of it all is that his wife and daughter leave him at midnight for the shelter of his brother-in-law's home. Quinney finds in a typist a girl who gives him to understand that by every moral right she should be James' wife. He confronts Posy and James with this new information and leaves them to face the problem. Joseph Quinney finally has to acknowledge not only that James is a man worthy to step in his shoes as a successor to the business, but that he is also a suitable match for Posy.

AL WILSON AT GRAND.

In these days of sensational plays and questionable performances, it is a satisfaction to note the appearance of Al H. Wilson, the golden voiced singer, and his company at the Grand next week, in a new production of a periodic comedy song-play entitled "As Years Roll On." As a star this talented comedian has delighted thousands by his spontaneous humor and his glorious singing voice, and his ability to still please and hold the admiration of his auditors apparently is greater than ever. This season the play is new and of a different character from his former offerings. All songs are new. The titles are: "Yesterday," "As Years Roll On," Mother Mine," "She Left Me for a Toddy Bear," which is a doll's lament appealing to children and grown-ups. A musical treat is in store for those who will be present.

SHEA'S THEATRE.

For next week the Shea management offers as the headline attraction the brilliant English dramatic star, Phyllis Neilson-Terry, in different scenes from "Romeo and Juliet" and other Shaksperean plays. Miss Terry will be remembered in Toronto in the name-part of "Trilby" when it was presented with an all-star cast here last season. A bright feature of the bill will be Una Clayton and a clever company presenting "Collusion," an amusing little playlet dealing with the efforts of a butterfly wife to secure a divorce from her husband. The Saxo Sextet are syncopated soloists of rare ability, while Charles Howard and a capable cast, including Kernan Cripps and Margaret Taylor, will present the laughable comedy sketch "A Happy Combination." Charles Olcott is a great favorite here with his comedy sketch "A Comic Opera in Twenty Minutes." Weston and Kerr are clever singers and eccentric dancers; the Three Floods, gymnastic merrymakers and the kinetograph with new feature pictures complete the bill.

THE HIPPODROME.

That inimitable comedian, Dr. Joy, and a clever company of six talented fun-makers, will headline the bill at the Hippodrome next week in an amusing sketch that is guaranteed to be a sure cure for the blues. The feature film of the bill will be Mr. Lionel Barrymore, presenting the latest of the Metro releases, "The Yellow Streak." It is said to contain many thrilling scenes and gripping situations. The special extra attraction of the bill will be McCabe, Levee and Pond in their pleasing and amusing hodge-podge of mirth and melody. Ryan and Ryan are two clever eccentric dancers while Adele, the gymnastic marvel, is said to be a model of grace and beauty who possesses unusual strength. Ye Olde Southern Singing Trio have an attractive setting for their musical melange; Billy Tobasco is a rapid-fire monologist and with new film comedies completes the bill.

LOEW'S THEATRE.

Two headliners will be presented on the bill at Loew's Yonge Street Theatre the coming week when The Berrens, in their celebrated musical novelty, and Hal Stephens and Company, in his revue of character studies will appear on the same bill. They are well-known as the violinist and pianist. Hal Stephens, very well-known in character productions, who scored a big hit in vaudeville, is offering a revue of the parts he once played. Mr. and Mrs. Harry LaCoste will offer a clever domestic comedy-drama, "The Tamer." Others on the program will be Lucier, Hayes and Montgomery; Melba and Ricardo; Hilda Schnee, double voiced singer; Monolo, known as the drunk on the wire; Downs and Comez, Hawaiian singers. The Rufus Wallingford series, "Lord South Paugh," and other well selected photoplays will complete the bill.

"PUSS PUSS," GAYETY.

Next week at the Gayety Theatre Jean Bedini, that indomitable purveyor of fun and frolic, will present his big show, "Puss Puss." A cast seldom found in a traveling company has been engaged to interpret the various characters, including Jean Bedini himself, Helen Lorraine, ingenue; May Holden and Pam Lawrence, soubrets; Ben Grinnell, eccentric comedian; Harry Jackson, Hebrew comedian; Sidney Vincent, juvenile; Charlie Mac, English comedian; Four London Girls, classical dancers, and Davis and Stafford, blackface comedians.

TIPPERARY GIRLS.

"The Tipperary Girls," the newest burlesque offering, will be the attraction at the Star Theatre commencing Monday matinee and for the week. This attraction comes heralded as the one best burlesque bet of recent years. New faces will be seen for a change. Funny Billy Gilbert is a Hebrew comedian with original methods. Drena Mack, a prima donna soprano, a newcomer in burlesque, will sing "Somewhere In France" at both performances Monday.

PATRIOTIC CONCERT.

The funds of the Toronto and York Patriotic Association will be increased thru a patriotic concert to be given by the Consumers' Gas Company's glee club in St. James' parish house on Tuesday and Wednesday, January 25 and 26. A silver collection will be taken up and after necessary expenses have been paid, the proceeds will be devoted to the above fund. Besides the glee club's numbers, under the direction of J. T. Brearley Redfearne, the following artists have promised to assist: Miss M. Hubbard, Miss Holly Whiting, Madame Ashworth, Fred Mottram, C. Bell and B. S. Long.

POPULAR A. O. U. W. CONCERT.

One of the finest popular concerts of the season will be given under the auspices of the Ancient Order of United Workmen, at Massey Hall, next Thursday evening. The 48th Highlanders' Band, under Lieut. John Slatter, and Harold Jarvis, Jessie Alexander, Marley R. Sherris, C. LeRoy Kenney, Caroline Morgan and Mrs. G. B. McClelland will be the entertainers. Proceeds of this concert will be given to the Red Cross fund.

To People Who Are Under Normal Weight

Good Advice For Thin, Undeveloped Men and Women Who Want to Put on Flesh.

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to life-long skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered combination of assimilative agents has made fat grow after years of thinness, and it is also unequalled, judging from reports, for repairing the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable preparation is called Sargol. Six strength-giving, fat-producing assimilative elements of acknowledged merit have been combined in this preparation, which is endorsed and used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A few weeks' systematic use of Sargol should go far to produce flesh and strength by correcting faults of digestion and by supplying nourishing fats to the blood. If not, every druggist who sells it is authorized to return the purchase price. Increased nourishment is obtained from the food eaten, and the additional fats that thin people need are thus provided. All leading druggists supply Sargol and say there is a large demand for it.

While this new preparation has from reports given splendid results as a nerve-tonic and vitalizer, its use is not recommended to nervous people unless they wish to gain at least ten pounds of flesh. If you find a druggist who is unable to supply you, send $1 to the National Laboratories, 74 St. Antoine street, Montreal, and a complete ten days' treatment will be sent you, postpaid.

MAKE ADDITIONS TO STAFFS OF Y. M. C. A.

Found Necessary on Account of Great Increase in Canadian Forces for Overseas.

Large additions to the staffs of the Y. M. C. A. at work in the camps in Canada as well as those with the soldiers overseas, will have to be made on account of the increase in the Canadian forces to 500,000 men. Wherever soldiers have been stationed this winter the association's buildings have been thrown open to the troops. In western Canada twelve men are devoting their entire time to the social, physical and religious welfare of the men in training. In Ontario and Quebec work is being carried on at 28 points, and in the maritime provinces eight special secretaries are engaged.

As an instance of the work of one official of the Y. M. C. A. the national field secretary of the military service department traveled 29,000 miles during the past year.

CALL TO MEMBERS TO ENLIST FOR OVERSEAS

Will Be Made by Hundred-and-Ninth Battalion at Smoker Monday Night.

The 109th Regiment's call to members to join its overseas battalion, the 169th, will take the form of a smoker to be held at the Pearl Street Armories Monday evening. All the men of the regiment have been asked to attend, bringing friends if they choose. Part of the entertainment will be supplied by men of the regiment, and some of the new features will be introduced.

Lt.-Col. Wright has been allowed to sign on his officers, non coms, and bands ahead of time, and his parade state now totals 100, practically all men out of the regiment. He is counting on having at least 300 men from the 109th as a basis for organization when the recruiting campaign starts next week.

Doctor Says Nuxated Iron Will Increase Strength of Delicate People 200% in Ten Days

In many instances—Persons have suffered untold agony for years doctoring for nervous weakness, stomach, liver or kidney disease or some other ailment when their real trouble was lack of iron in the blood.—How to tell.

New York, N.Y.—In a recent discourse Dr. E. Sauer, Specialist, of this city, said: If you were to make an actual blood test on all people who are ill you would probably be greatly astonished at the exceedingly large number who lack iron and who are ill for no other reason than the lack of iron. The moment iron is supplied all their multitude of dangerous symptoms disappear. Without iron the blood at once loses the power to change food into living tissue and therefore nothing you eat does you any good; you don't get the strength out of it. Your food merely passes through your system like corn through a mill with the rollers so wide apart that the mill can't grind. As a result of this continuous blood and nerve starvation, people become generally weakened, nervous and all run down and frequently develop all sorts of conditions. One is too thin; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some can't sleep at night, others are sleepy and tired all day; some fussy and irritable; some skinny and bloodless, but all lack physical power and endurance. In such cases, it is worse than foolishness to take stimulating medicine, or narcotic drugs, which only whip up your fagging vital powers for the moment, maybe at the expense of your life later on. No matter what anyone tells you, if you are not strong and well you owe it to yourself to make the following test. See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the time, double and even triple their strength and endurance and entirely get rid of their symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form, and this, after they had in some cases been doctoring for months without obtaining any benefit. You can talk as you please about all the wonders wrought by new remedies, but when you come down to hard facts there is nothing like good old iron to put color in your cheeks and good sound, healthy flesh on your bones. It is also a great nerve and stomach strengthener and the best blood builder in the world. The only trouble was that the old forms of inorganic iron like tincture of iron, iron acetate, etc., often ruined people's teeth, upset their stomachs and were not assimilated and for these reasons they frequently did more harm than good. But with the discovery of the newer forms of organic iron all this has been overcome. Nuxated Iron, for example, is pleasant to take, does not injure the teeth and is almost immediately beneficial.

NOTE—The manufacturers of Nuxated Iron have such unbounded confidence in its potency that they authorize the announcement that they will forfeit $100.00 to any Charitable Institution if they cannot take any man or woman under sixty who lacks iron and increase their strength 200 per cent. or over in four weeks' time, provided they have no serious organic trouble. Also they will refund your money in any case in which Nuxated Iron does not at least double your strength in ten days' time. It is dispensed in this city by G. Tamblyn, Ltd., Liggett's Stores, and all other druggists.
