The Real Test For Varnishes
The bathroom, with its steam and splashing of water, and its extreme heat, tests a varnish to its utmost.
None but a good pure gum varnish will stand it. We mean varnish without rosin in it, because rosin varnish will turn white in contact with water, will crack and lose the gloss. Standard Paint and Varnish Company's Jap Varnishes are made from pure gum, and stand the most severe wear. Jap Varnishes stand for service. LONDON PAINT AND VARNISH CO., 342 Richmond. Phone 3312

July a Month of Extraordinary Opportunities

Public Appreciation

Everybody knows the peculiar sense of satisfaction sometimes experienced from having performed some act whose influence was unexpectedly salutary. This is the sensation following the first half of Special July Sales at this store. It is not in the amount of merchandise sold, for in the regular seasons a greater volume of business is done. Nor the amount realized, for the prices are so low that the sum total is insignificant compared with the returns when regular prices prevail. But because so many people are pleased, and express themselves as such, repeating almost our very words, that these sales come "in the very nick of time" to fill a special want. There is satisfaction in performing a special service to fill a special need. We esteem this the highest and best form of store building. There are still a few of our many patrons that we may serve just as well—we have the means—the merchandise that may become theirs today or next week at prices that cannot be duplicated for many months, if ever.

Store Notes for the Coming Week

July Linen and Cotton Sale

This sale is being replenished with special sale lots from day to day. Besides the specially purchased cottons, sheetings, mill ends and table linen seconds which are being offered, a thorough out-clearing of all odds and ends and broken lots from our regular stocks is being made. Each day some little odds and ends, too small to mention in the newspapers, are found ticketed on the counters. Now is the time to sort up your household supplies, such as table linens, cottons, sheetings, pillow slips, etc., most of which are ready to use. Many specials are being prepared for the opening hour Monday. Shop in the morning.

Bordered Silks and Cotton Voiles Half-Price

Every yard of bordered cotton voile, together with all $2.50 radiantine foulards now marked at half-price. Many beautiful colorings and designs still to be had. Many are picking these up for future use. Evening dresses for the coming winter season as well as a pretty dress for the summer.
