The first on the program is between Osgoode Hall, the champions of the union, and Trinity University and will start at 1.30 p.m.

It is generally conceded that they will do this and meet the celebrated Ottawa College 15 a week hence. The teams given below are almost similar to those of last Saturday. Francis replaces Van Koughnet on Toronto's team and Barr and McMillan will appear in place of the McRae brothers for Varsity.

THE RUNNING TURF.

Everett and Jockey Snyder Ruled Off at Hawthorne Park.

In the hurdle race at Hawthorne Park, Chicago, on Wednesday, a new starter at the track, Everett, a very speedy horse on the flat a few years back, was in the opinion of the judges pulled. In addition Lijero, a horse that has been far in the rear at the finish of most of his recent races, developed a sudden accession of speed that enabled him to win the race handily, after having been heavily backed toward the close of the betting. The judges thought the race had an unsavory look in more than one respect, and after ruling Everett and his jockey, Snyder, off, they also declared all bets off, giving Lijero the purse however. The inwardness of the race is still under investigation and further action may be taken in regard to it.

Lijero, Special and Hardee were the backed horses, a big lot of money going in on Lijero at the last moment, and sending him to the post a hot favorite at almost even money. Lijero led over the first, second and third jumps, after which Special passed him, and taking a clear lead was first over the other two obstacles, with Lijero close after him, and catching the whip heavily. Soon after landing over the last jump Special tired, and Lijero going right by him won by four lengths. Throughout the last mile Everett ran easily in third place, with his rider making no apparent endeavor to improve his position, and after hearing some testimony the judges ruled the horse and jockey off, and placed Hardee third.

The Capitals Or Shamrocks To-Day.

A big contingent of lacrosse enthusiasts left the city last evening per G.T.R. and C.P.R. for Montreal to see the match between the Capitals of Ottawa and Shamrocks of Montreal for the championship of the Five-Club League.

Reports received state that the interest taken in this match in the east is unprecedented and that the value of the gate on the M.A.A.A. grounds will almost aggregate $6000. The Capitals are a very slight favorite in the betting.

I got a bottle of Northrop and Lyman's Vegetable Discovery, and at once commenced taking it in large doses, and before one-half the bottle was used there was not a spot to be seen, and I never felt better in my life."

I Had Catarrh, I Am Well, I Was Deaf, I Now Hear.

TORONTO, Jan. 30th, '92.

DR. McCULLY:

DEAR SIR.—When I came to you for treatment I had suffered for ten years with catarrh. My catarrh had ripened into catarrhal deafness, which I suffered: for eight months I could not hear a sound, my nose and head felt so stuffed up I could hardly breathe, my appetite was bad, my stomach weak and bloated; it fetched on palpitation of the heart. I tried almost everything but got no relief. Since coming to you all my symptoms have grown better, I am improving every day, and now after four months in your hands, which I don't think is very long for me, after suffering so many years, I feel like another man. I would recommend anyone afflicted with any chronic disease to come to you. Yours,
