BRIGHT'S DISEASE CURED

A Prince Edward Island Blacksmith Who Had Been Ill for Fifteen Years.

Middleton, P. E. I., March 24.—A local blacksmith named M. B. Connick admits that he owes his life and present good health to Dodd's Kidney Pills. He had Bright's Disease, and five doctors treated him. They told him they could do nothing for him, and that it was of no use to take more of his money, as his case was positively incurable. He had been sick for fifteen

One happy day, some weeks after the doctors had pronounced the sentence of death on Mr. Connick, a neighbor suggested Dodd's Kidney Pills. He at once began a treatment, and this is what he says of the result:

"Before I had finished the third box I was at work again at my forge for the first time in six years. I can shoe a horse today as well as ever I could, and I was 58 last birthday."

ILDERTON.

Ilderton, March 25 .- The Ilderton Methodist choir spent a very pleasant time last Friday evening at the home of Mr. T. W. Nicholson, the occasion being a farewell supper and presenof a gold locket and chain to Mr. Nicholson on his departure for Vernon, British Columbia, where he intends to remain for the future. Mr. Leonard Hughes ably filled the position of chairman for the evening, when an excellent programme was carried out, consisting of vocal and instru-mental music furnished by Misses Kennedy, Hughes, Cattermole and Paisley and Messrs. Douglas, Catter-mole, Charlton, Scholes and McNaughton. Mr. Nicholson was then called to the front, when the following address was read by Mr. Cattermole and the presentation made by Mr. Fred Charl-

Mr. T. W. Nicholson: Dear Friend,—We, the members of the Ilderton Methodist choir, having learned with regret that you are about to depart from our midst, desire to express our gratitude for the assistance you have rendered to our choir during the past two years. We cannot but feel that you have been faithful in the discharge of your duty, and we know that your loss may be others' gain. We would therefore ask you on this the 21st day of March, to accept this gold locket and chain as a small token of our esteem and regard for you. What we offer is but a poor symbol of our feelings, but we know you will receive it kindly as a simple indication of attachment which each member of the choir cherishes for you in their hearts, and be assured that your presence will be missed by us. We all join in wishlife you may be found, and may God's ssing rest upon you and

CANDIDATE FOR

Rev. Dr. Johnston Says He Has Not Been Asked to Run.

Prohibitionists Would Prefer to Have Old Party Candidate Indorse Their Views.

that a petition is in circulation asking Rev. Dr. Johnston, pastor of St. Andrew's Church, to be a candidate for the prohibition party of this city at the provincial elections. Dr. Johnston was asked if this was true, and said he was sure that it was not. As vice-president of the Prohibition League, he is in a position to know the action of the temperance body, yet he had heard nothing of such a petition, nor had several of the leaders in the movement, to whom he had spoken after seeing this morning's article. Dr. Johnston did not say, however, that he would refuse to become a prohibition candidate, if he were pressed.

Evidently there exists among many of the workers for prohibition, a dis-tinct feeling that, in the interests of their cause, and for the sake of a more positive educational tone to the campaign, a prohibition candidate should be nominated, and it is equally assured that many would prefer Dr. Johnston as the candidate. Others also have been mentioned-Dr. Roome, Mr. J. H. Bowman, F. W. Daly and one or two more. Some believe that a strong party man, one who has been in the game before, would be the best choice; while others think that it would be well to cut free from politics that they consider to be not the best for the moral welfare of the province. This is in the event of a third man being necessary It is agreed on the whole that it would be still better if one of the regular candidates would pledge himself to support

their cause. The prohibition people altogether are not whole-souledly unanimous in regard to either the manner or the advisability of conducting an energetic campaign at this time. The opinion that a vote taken upon a day set apart from the general elections would prevent a satisfactory result has led to doubt as to the advisability of accepting this opportunity as a test of the prohibition strength. Those who hold this opinion are inclined to think it unwise to condemn the referendum, though they do not like the method of securing the public opinion.

A point worthy of special notice is the fact that the interest income exceeded the death claims last year by \$67,307, and in the past five years by \$185,609. The large amount paid to policyholders, \$493,532, including \$305,-021 paid to living policyholders for profits, endowments, etc., is perhaps the best proof that this is essentially a policyholders' company. The president, Mr. Robert Melvin, in pointing out these features, dwelt especially upon the fact that, notwithstanding the large transactions of the year, the expenses were \$23,951 less than in 1900, being only 16 per cent of the total inspecial folder of this excursion can be come. Chronic Biliousness PROHIBITIONISTS IN ITS TRAIL FOLLOW HORRI-

BLE DREAMS, DESPOND-ENCY, MELANCHOLY AND GENERAL WEAKNESS.

The proper elements needed to pro-note good digestion, regularity of the bowels, correct action of the kidneys and liver, must be supplied when a bilious condition of the system is once established.

Ferrozone can't help but do this. It gives the stomach perfect rest, and allows you to partake of and enjoy the The Free Press said this morning hat a petition is in circulation asking maintaining health. One Ferrozone tablet taken after each meal will separate the nutritious portions of the food from the waste, which is carried off, thus preventing and curing constipation and its attendant evil, piles. Being a potent blood purifier, Ferrozone cleanses the crimson flood of all bile and impurities, and as a result the complexion is restored to a rosy, healthy hue, and the dark circles under the eyes and the deathly pallor of the

cheeks go away, never to return.

Taken for disorders of the stomach commencing with biliousness, and ending with derangements of the liver and kidneys, Ferrozone achieves marvelous results. It is at the same time a tonic and stimulant, and a regulator of all bodily functions, and chronic sufferers should not fail to give it a fair trial. It will do them good without doubt, and if the malady is curable it will yield to Ferrozone.

With the use of Ferrozone appetite will be better, the blood made rich and pure, sleep will be dreamless and sound. Your muddy complexion will be cleared and beautified, your eyes will acquire a new brightness, and as your spirits rise and good health returns you will bless the day you learned the secret of Ferrozone's power. If you think you need Ferrozone go to the nearest drug store and procure a supply. Refuse a substitute and insist on having the genuine Ferrozone, which costs 50 cents per box, or three boxes for \$1 25. By mail from N. C. Polson & Co., Kingston, Ont.

The Ogilvie Milling Company, at Winnipeg, have just completed the sale of a trainload of Ogilvie's Hungarian flour for shipment to Australia. Six new suits for damages, aggregating \$950,000 for the loss of lives of New Rochelle residents who were killed in the Park Avenue Tunnel collision New York and for injuries received

by wreck victims, have been begun against the New York Central Railroad Company. Daniel Kelly and Emanuel Rose were struck by a train while crossing Hertel avenue, Buffalo, last night. Kelly was killed and Rose's recovery is doubtful. A bill appropriating \$100,000 for the erection in Buffalo of a monument to the late President McKinley was pass-

Twenty Years of Itching Piles

Sufferings Ended Seven Years Ago-A Permanent Cure by Dr. Chase's Ointmont.

Mr. Alex. McLaughlin is well known and highly respected in Bowmanville, Ont., where he has resided for about thirty years. His cure of itching piles after twenty years of almost constant and often very severe suffering, is a remarkable one. There can scarcely be

this dreadful malady.
Mr. McLaughlin writes: "For twenty years I suffered from itching piles, Ointment was most favorably spoken of, and on his recommendation I took

"After three applications I felt better, and by the time I had used one box I was on a fair way to recovery. I continued the treatment until thoroughly cured, and as that was seven years ago, and I have not suffered any since, I am firmly convinced that the ointment made a perfect cure-"I consider Dr. Chase's Ointment an invaluable treatment for piles. In my case I think the cure was remarkable, when you consider that I am getting up in years, and had been so long sufferer from this disease."

It is all nonsense to talk about a surgical operation as the only cure for piles. Scores of people are being cured every day by Dr. Chase's Ointment. Not merely relieved-though relief itself is a great thing to the sufferer from piles-but cured thoroughly and permanently, as Mr. McLaughlin has been. Dr. Chase's Ointment has no worthy rival. It stands alone as an absolute cure for piles of every form; 60 cents a box, at all dealers, or Ed-manson, Bates Co., Toronto. 12

A Physicians Testimony · For Labatt's Stout.

ALEXANDRIA DEC., 20th, 1907. Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required. IOHN LABATT, Esq., Brewer,

Yours truly, G. S. TIFFANY, M.D.
