CURLING SCOTLAND - 117 CANADIANS 104

TIPPITY WITCHETT RAN IN THE MONEY

Third to St. Isidore and Dancing Spray, Beaten by Crushing Impost.

New Orleans, La., Feb. 5.—There was a fine race program run off at the Fair Grounds today, with the City Park Handicap as the outstanding feature, but there was almost as much interest shown in the running of the Dixie Handicap. In the former Tippits Witchett, carrying 129 pounds, was beaten by the lighter-weighted St. Isidore, Dancing Spray running second, the favorite being third.

Muskallonge, packing 126 pounds, won the Dixie event like a good colt. Botheration challenged the leader in the stretch, but was short a neck at the wire.

Miss Muffins made her three-year-old debut in the second race, in which she was opposed by some fairly good ones, including Linden, a supposed good thing, but the latter, under Connolly's listless handling, was never formidable, and Miss Muffins lacked her customary early speed. Blue Paradise and Herald fought out the issue, the former winning in the last few strides.

There will be no spring meeting at Jefferson Park this season. This is in deference to the wishes of Governor Parker, who opposes racing during the Lenten period.

MONTREAL CURLING.

Montreal, Feb. 6.—All the dope was upset on Saturday in the finals of the competition here for the Royal Victoria Jubilee Trophy, and in the strongest finish seen in the contest, the Pembroke Rink, skipped by F. W. Cockburn, swamped the crack Ormstown quartet of W. G. McGerrigle by the decisive score of 20 to 11.

In the semi-finals, the local Montreal and Thistle Clubs were defeated by Pembroke, 14 to 12, and by Ormstown, 20 to 7.

The third round for the consolation prize resulted in the elimination of the Huntingdon and Quebec Rinks by Heather and Smith's Falls Rinks, and Montreal and Smith's Falls won the semi-finals. In the finals the Montreal Rink was obliged to go into an extra end to defeat Smith's Falls, 12 to 11.

MUCH ACTIVITY AMONG FIGHTERS

Cochran Cables Rickard to Go Ahead—Many Bouts on Saturday Night.

New York, Feb. 5.—The last vestige of doubt about C. B. Cochran being out of the Dempsey-Carpentier match was removed today, when Tex Rickard received a cable from the British promoter informing him that Cochran had mailed William A. Brady written power of attorney and assuring Rickard he could go ahead and take over the Brady and Cochran holdings, if willing.

Rickard said this afternoon that Nathan Vidaver, lawyer, had the transfer papers drawn and the stock held by Brady and Cochran in the Dempsey-Carpentier Exhibition Company would be officially transferred when Cochran's written power of attorney is received by Brady.

Rickard squelched the report that he had signed up Benny Leonard to meet the winner of next Monday's welter-weight championship match between Jack Britton and Kid Lewis.

Fred Fulton, Minnesota's heavyweight, has been signed for two bouts. His first contest will be at Boston on Tuesday night with Battling McGready, and his second with Rough-house Wares at Allentown, Pa., on Feb. 22. Fred appears to be starting all over again.

Marty Summers, acting as eleventh hour substitute for Louis Bogash, gave Wildcat Battling Nelson a beating in fifteen rounds at the Pioneer Club, in New York, and won the judges' decision.

Jack Dempsey, heavyweight champion, left Los Angeles Sunday night for New York in response to a telegram from his manager, Jack Kearns, requesting that the champion join him in the metropolis.

Joe Welling was in Chicago Saturday on his way to Louisville to meet Sailor Freedman on Tuesday night in a twelve-round bout.

At Providence, R.I., Frankie Britt knocked out Mickey Devine in the eighth round. It was the first knockout in Devine's career.

Battling Levinsky will meet Bombardier Wells in their postponed 20-round bout in London the first week of next month.

At Boston, Bud Christiano of Buffalo scored a win over Artie O'Leary of New York in a fast ten-round contest.

Pal Moran will take on Carl Tremain tonight at Detroit in a ten-round bout before the Wolverine A.C.

At Newark, Tommy Blim of Paterson won over Battling Lewis in a 12-round bout. Blim had Lewis down in the second, fifth, sixth and seventh rounds.

Q.O.R. AND THIRD WIN INDOOR BASEBALL

Q.O.R. chased their hoodoo, and, after losing three straight games, they chalked up their first victory in the Toronto Garrison Officers' Indoor Baseball League by defeating 1st C.M.G.B. 31 to 12. The win puts the two teams tie for second place in section two. 3rd Bn. safely entrenched themselves in second place in section one by defeating 25th 20 to 15.

Both games were loosely played. The ragged fielding, accompanied by erratic pitching and the hard hitting, accounted for the large scores in both fixtures.

Dalton was the big man of the night for the Queen's Own. He hammered out three singles, two doubles and a homer in seven trips to the plate. Walker, with three singles and two doubles, was next best. Gunn also was a big hitter, connecting for a single, double and home run. The latter was a long drive in the south balcony. The score:

—First Game—

Teams—		R.	H.	E.
3rd Bn.	2 2 0 0 0 1 5 1 0 —	20	15	5

Boston, Feb. 6.—Earl Thomson, the crack hurdler of the Canadian Olympic team, figured prominently yesterday in the annual indoor games of the Boston Athletic Association when he carried Dartmouth College colors to victory in the 50 yards high hurdles. His time was 6 3-5 seconds.

Harold C. Cuthbil, a theological student running for the B.A.A., completed the Hunter mile from a fast field in 4 minutes 22 3-5 seconds. This is the feature event of the annual games.

ONTARIO TANKARD FINALS WEDNESDAY

The Ontario Tankard curling finals, called for tomorrow, have been postponed for one day, viz., until Wednesday. The draw will be made at Victoria Rink on Tuesday evening. If the weather remains mild, there will be further postponements, if necessary, from day to day.

CENTRAL ONTARIO CURLING.

Brockville, Ont., Feb. 6.—Four rinks, representing the Ontario Hospital Curling Club, defeated Kingston rinks in a Central Ontario League match here by an aggregate score of 70-63. Had to give him attention and simply offered the suggestion, "Oh, just take him over to St. Michael's Hospital." Fortunately that spirit is not common around sporting events and Dr. McNabb was located and lost no time in looking after

BURNLEY DEFEATED ASTON VILLA BY SIX

Being First Performance in England's Cup Ties, on Saturday.

London, Feb. 6.—(By Canadian Associated Press.)—Association football with the cup tie competition temporarily out of the way, saw a full league program gone thru on Saturday, of which the finest performance was the defeat of Aston Villa by Burnley to the tune of 7 to 1. Six goals were scored in the second half. The winners have had a triumphal procession so far both in the first division of the league and in the cup tie contest, and with a lead of seven points in the former appear likely soon to attain an impregnable position at the head of the first division. Ten of Saturday's 33 matches were drawn and 14 home clubs were successful.

Birmingham's victory over Notts County enabled them to displace Bristol City, who only drew at Leicester, as leaders of the second division, but the struggle here for honors is much keener than in the senior competition, several clubs being possibilities for the leadership.

In the third division the position is equally interesting with Southampton and Crystal Palace each having 33 points and Swindon and Millwall only one point behind.

TWO NEW ATHLETIC RECORDS MADE AT BROADVIEW "Y" MEET

One of the best nights of the athletic seasons at Broadview Y., when four events were run off and two of the local records were broken, and the interest throughout was of the best.

The 60-yard potato race was featured by a large entry list, as thirty athletes faced the starter, and the heats were closely contested. Jim Burry won out with his two yards' handicap, with Fitzpatrick tying him in time, and D. Turner getting third place from scratch. The boys are all improving in this event.

The 1,000 yards was a dandy. Two heats, including twenty runners, were necessary to declare a winner, and Harry Tresidder was forced to break his own record by five seconds to get second place, as Mitchell, one of the newer promising runners, who won with his handicap, and Willmott landed third, with Geo. Black, Wes. Young and Barton only a yard behind.

The 75-yard dash had a big entry also, and Chamberlain was pushed to the limit to win, with Jim Burry getting second place, and Unsworth finishing third.

Hill managed to win from scratch in the walk, and showed steady improvement by breaking his previous half-mile record. Bud Carlton landed second place, and Davidson just beat Laking to the tape.

The final relay proved a very fine finish to the night's sport, and Harry Tressider's team just managed to hold out long enough from his brother Jack's line-up. These relays are proving real hot contests, and Ponton's team claim they will take the pennant away next Friday. The other events next week are: 120-yard potato race, shot put (12-lb.), fence vault and half-mile run. Results:

60-yard potato race—1, J. Burry (2 yds); 2, E. Fitzpatrick (4 yards); 3, D. Turner (scratch); 4, R. Mitchell (4 yards). Time 15 seconds.

STRATFORD LADIES WIN AT BASKETBALL

Defeating Toronto at West-End "Y" in First Game of Ontario Association.

At the West End Y.M.C.A. on Saturday night, with an attendance of about 500, Stratford defeated Toronto, 8 to 6, in their scheduled fixture, which was the first game in Toronto of the Ladies' Ontario Basketball Association.

Controller Maguire, on behalf of Toronto, gave a hearty welcome to the city to the Stratford team, and in a few well-chosen words wished this new Ontario association every success. He then tossed up the ball which started the melee. It was a game full of thrills from start to finish—one of those kind of battles that keeps the crowd in high tension all the way thru to know who will be the winner, as a basket one way or the other meant the game for either team.

It was a fast game; clean, but closely checked, and at half-time the score was 7 to 4 in Stratford's favor, four points being made from field and three on fouls. The second half was so close that only three points were counted thruout the period by both teams together, the Toronto girls making two points on a field basket and the Stratford girls making one point from a foul, and the final score was 8 to 6 in Stratford's favor. The crowd made the walls of the Y. M. C. A. ring and are now patiently waiting for the next Toronto game. The teams:

Stratford (8)—A. Hughson (captain), M. Wilhelm, G. McDonald, A. Ellis, V. Latimer, R. Hill (sub.).

Toronto (6)—M. Hennessy (captain), Rosa Grosse, Janet Allan, Minna Bain, Lilian Reid.

Referee—Duke White.

Toronto's next home game, Feb. 19, at W. M. C. A., with London as the opposing team, when it is hoped another capacity house will greet the girls.

At Sydney, N.S.W., Eugene Criqui, the French bantamweight fighter, knocked out Sid Godfrey in the tenth round.

ST. LAWRENCE AND PRODUCE MARKETS

Butter and Eggs Are Shade Easier—Potato Market Weak.

There was rather more than the ordinary stir and bustle at Saturday's market on the old St. Lawrence, and prices for the most part held steady to firm.

Eggs, despite the fact that they are coming in pretty freely, are holding around 50c to 55c a dozen, and earlier in the day a few lots were sold at how-ever, is away above the ordinary range, and we would say that the bulk of them sold at 50c, with quite a few bringing 55c a dozen. Notwithstanding this, the weather is exceptionally mild and favorable to the production of eggs there is a good deal of complaint along the line of small returns. New laid, in cartons, are quoted by the wholesale men at from 73c to 75c a dozen.

Butter is more plentiful, and is selling all the way from 55c to 57c, and up to 60c, and in very odd cases, where the brand was exceptionally choice and the buyer knew it, 65c a pound was paid. While it is difficult, as every housewife knows, to get a pound of dairy butter in the stores just now, there seems always enough of it to go around down at the St. Lawrence.

Poultry Prices.

The poultry market is only fairly active, with no big demand, and a good deal of stuff coming in owing to the good roads enabling the country buyers to get around and pick up their stocks. It looks as tho the deliveries will slacken up very materially from this time on. We quote the following prices from close observation and from prices supplied by the largest dealer on the St. Lawrence market on Saturday afternoon:

Dressed poultry, retail: Chickens, 38c to 42c; fowl, 30c to 38c; turkeys, of which there were a few in, 65c; ducks, 40c, and geese 40c a pound.

Live poultry, retail: Chickens, 30c to 36c; hens, 30c to 36c; rabbits, spliece, 75c to 1.25, and guinea fowl, $2.50 a pair.

Potatoes.

The potato market is very weak and slow, with an easier tendency all round. One of the largest wholesale dealers in the city told The World last night that car lots on track were worth a dollar even money, and around $1.25 to $1.40 retail to the trade. He further said the prospect was for a very quiet trade and that so far as can be seen there is no great outlook for a raise in prices. There seems to be an abundance of them in the country, and the mild weather is facilitating transportation. We quote these prices:
