SHUT HER IN THE SAFE. St. Thor as Times: A young lady bookkeeper, employed in the office of a Talbot street merchant, had a trying experience the other day. She was in Large Membership Enrolled-Officers Man and His Lady Companion Escape the vault putting some books away, when a little boy happened along and closed the door. The proprietor of the establishment, being the only other person who knew the combination, was fort she finally succeeded in making them acquainted with the combination, and thus secured her release.

LONDON LADY THE FIRST. The first Methodist deaconess appointed to labor in the city of Montreal is Miss Ethalind E. Howson, who has just taken up her work in that city in connection with the wellknown Old Brewery Mission. The mission is a non-denominational Protestant institution, and has been for years prominent factor in the religious

and charitable work of the city. It is pointed out, that in a city where Roman Catholic sisters are so much in evidence Methodism might with great advantage make larger use of the female diaconate. It is understood that there is some prospect of the establishment of a Deaconess Home in Montreal in the near future.
