Shot by the Smiths.

JELLICO, Tenn., March 18.—John Burnett, sheriff of Campbell county, was shot dead yesterday morning on a passenger train leaving here at 4:30 o'clock. Deputy Sheriff John Dail was also shot and may die. The latter arrested a man named White here, but he was rescued by Jerry and John Smith, notorious characters. The Smith boys boarded the train on which the sheriff and his deputy had taken passage intent upon revenge. In the fight which ensued one of the desperadoes was also killed. Dail made a gallant fight. It is almost certain the captured desperado will be lynched and pursuit parties are after the two who escaped.

THE LITTLE HOME SOVEREIGN!

Only Well and Faithfully Cared for When Fed on Lactated Food.

In almost every home we find a little sovereign who calls for prompt service and attention. This little ruler is loved and idolized by every member of the family; his commands are instantly obeyed, and his health is an object of great interest and concern to all around him. This little sovereign is known as the baby—a being fondled and adored.

In many a home the little one is unconsciously allowed to fade and die. Parents often wonder why this should be; and they grieve sadly when the little one is taken away, and never imagine that their want of thought caused baby's death.

Improper and imperfect dieting is the direct cause of three-forths of the infant mortality in Canada. If the babies of Canada were regularly fed with pure and life-giving Lactated Food, the percentage of deaths would be surprisingly small amongst infants.

Lactated Food saves babies lives; this assertion is strongly proved every week by letters sent in by grateful mothers from every part of Canada. Many loving mothers, in order to get the best have made trial of several brands of prepared foods, and after severe testing have selected the Lactated Food as a regular diet. Mothers, no other food can give such proofs in bestowing health, strength and vigor on the baby!

She—How was your speech at the club received the other night? He—When I sat down they said it was the best thing I ever did.

You Have Learned

that it is unhealthy to use biscuits of pastry made with the low grade, impure baking powders which are so largely sold all over Canada and that cream of tartar and soda are the best and most healthful ingredients which can be used in the manufacture of baking powders. Pure Gold Baking Powder stands higher than any other in the absolute purity of the ingredients which are used in it. c

Little Girl—The doctor said mamma must take a constitutional every day. What does that mean? Little Boy—That means walking. Little Girl—Then why didn't he say so? Little Boy—I don't know, but I guess may be if he had called it plain walking he couldn't charge for it.

Among the pains and aches cured with marvelous rapidity with Dr. Thomas Eclectric Oil, is ear ache. The young are especially subject to it, and the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only to the above ailment, but also to the hurts, disorders of the bowels, and affections of the throat, in which the young are specially subject.
