lors, the school trustees and other prominent citizens.

A program of sports was run off in the afternoon, and drew 5000 spectators.

A balloon was to have ascended at 4 p.m., but it took fire. It went up in smoke.

The city goes on celebrating, in so far as the Old Boys are concerned. Their return to their old home has been the feature of the day, and the re-union will never be forgotten.

ST. KITTS' FIRST REUNION.

St. Catharines, July 1.—The first reunion of the St. Catharines Old Boys was a very successful event, notwithstanding the intense heat and the counter-attraction of the 48th Highlanders at the Pan-Am. During last week old boys from the Atlantic to the Pacific, from Hudson Bay to the Gulf of Mexico, began to arrive in the Garden City, and to-day large numbers came in from Toronto, Buffalo, Hamilton, Brantford, London and other places.

Old Boys Paraded.

No attempt was made to provide any other public demonstration than a parade of the Old Boys in the afternoon, addresses of welcome and replies from Old Boys at the City Park and a band concert by the 19th Regiment band in the evening, with an exhibition of fancy drill by the Merritton Hose Company, it being thought desirable to give the visitors and home boys every opportunity to renew old acquaintanceship. This was most successful. Reminiscences of old schoolboy days were brought up and told, and handshaking indulged in to an unprecedented extent.

Parade at 2 p.m.

The parade moved off shortly after 2 o'clock, and was made up as follows: Marshal, flag, police, 19th Regiment Band, Niagara District Volunteer Veterans, 7th Field Battery, 19th Regiment of Infantry, Merritton Brass Band, Merritton Hose Company, Neptune Hose Company, Andrew Riddell Hook and Ladder Company, Citizens' Hose Company, 74th Regiment Bugle Band of Buffalo, Buffalo Old Boys, other United States Old Boys, Cadet Bugle Band (Toronto), Toronto Old Boys, London Old Boys, Hamilton Old Boys, other Canadian Old Boys, Thorold Brass Band, L. P. Union No. 9030, 15th Regiment Bugle Band (Belleville), St. Catharines Old Boys.

Heat Scared Some.

The parade would have been more largely participated in but for the heat, which was almost unbearable. As it was, it was nearly a mile in length. Many were obliged to leave the procession on account of the heat, but only one case of sunstroke was reported. James Lantry, a fireman, was prostrated before reaching the park, and, after receiving medical attendance from Dr. Jessop, was removed home in a hack.

On arrival at the park, the various brass bands discoursed music in different portions of the grounds, after which the addresses of welcome and responses were delivered in a shady spot.

Burgoyne's Welcome.

The president of the Old Boys' Association, W. Burgoyne of The Standard, made the address of welcome on behalf of the local association, followed by Mayor McIntyre, on behalf of the city. The responses were made by W. B. Lawson of Chesterfield, Ont.; Robert Holmes, M.P., of Clinton; Thomas Biddle of Toledo, O.; T. M. Chapman of Los Angeles, Cal.; Rev. E. R. Hutt of Ingersoll, and Alex. F. Noble of Toronto. The crowd was the greatest which had ever assembled in the park, and the speaking was listened to by a large audience. The speeches were all of a patriotic and reminiscent character. The park was beautifully illuminated at night by various colored incandescent lights and Chinese lanterns.

Trip To-Day.

To-morrow the visiting Old Boys and Old Girls will be entertained to a trip over the new trolley line to Port Dalhousie, followed by a reception and garden party, tendered by the ladies of St. Catharines. The first day of the first St. Kitts' Old Boys' reunion is pronounced an unqualified success.

Big Time at Port Hope.

Port Hope, July 1.—The first day of Port Hope Old Boys' reunion commenced by the arrival of the contingent from Rochester, N.Y., by steamer Caspian, which arrived shortly before 4 o'clock in the morning, bringing about 300 old boys, besides the band of the 54th Regiment and the Howard Commandery Sons of St. George of Rochester. The arrival was announced by firing off canon and rockets, which awoke all sleepy residents, and was the signal that the day had begun. The band played as the boys marched from the wharf. The town is all gaily decorated with arches, mottoes across the street and business places and residences profuse with bunting and flags. The Toronto contingent bunting and flags. The Toronto contingent, also about 300, was next to arrive, and fro mthe north also numbers poured into the town by train and roads until the streets were a crowded mass of humanity.

Shortly after 10 o'clock a procession was formed, headed by the band of the 54th Regiment of Rochester and the Rochester boys, with red, white and blue sun shades and flags, the Howard Commandery Sons of St. George, Rochester. The Queen's Own Band of Toronto and the Toronto old boys, the Sons of England Band of Port Hope, and others marched thru the streets to the Town Hall, where addresses of welcome by Mayor White was delivered from a platform erected in front of Town Hall, and speeches by Dr. Forbes of Chicopee Falls, Mass., A. J. Colvine, Omaha, Neb., J. W. Curry, K.C., of Toronto, and other prominent men from distant States of the Union, which lasted until noon. After dinner came sports in the park, consisting of foot races, hurdle races, bicycle races, horse races and baseball match between Toronto and Port Hope, which resulted in favor of Port Hope by a score of 12 to 10.

In the fourth heat Jack met with an accident, falling and turning a somersault with sulky going over him and race was postponed, to be finished to-morrow. Luckily the horse and driver escaped serious injury.

In the evening at the park a band concert by the 54th Regiment Band of Rochester and the Queen's Own Band, and the Sons of England Band of Port Hope, and a maypole dance by about three score of young girls, was a very pretty sight. Tomorrow the sports will be continued, consisting of horse races, calithmupian procession, fire works, etc. Old boys are here from all quarters of the globe and the greatest time Port Hope has had for a quarter of a century is now in full swing.

It was a big day for the people of Vellore. They had bicycle races, foot races, throwing the caber and many other sports, and, as a special attraction, the Misses Minnie Ross and Ruth Bryce danced Scotch dances and the sailors' hornpipe to the bagpipes, played by Mr. Ross in Highland costume. In the evening tea was served in the Township Hall and more dancing was enjoyed. It was a great day.

HALIFAX BESIEGED.

Halifax, July 1.—For the first time in its history Halifax is observing Dominion Day as a public holiday. The city is gay with bunting. Mobilization of imperial and local troops is taking place to-day. The warships in the harbor are stripped for action, torpedo boats having gone to sea to rush the harbor after dark. The forts are manned and the infantry is sent off to different points to prevent the landing from a hostile fleet. From a military standpoint the garrison fortress is in a state of siege.

FIREWORKS AT PETERBORO.

Peterboro, July 1.—Dominion Day was fittingly celebrated here to-day by a grand public demonstration, which included a calithumpian procession in the morning and a program of sports on the Nicholls Park oval in the afternoon, concluding with a brilliant display of fireworks at night from Central Park. The events of the day were carried out in a very satisfactory manner and proved to be a great source of enjoyment to the town's people and the many outsiders who came in for the day. HIGHLANDERS CREATE A FURORE AT BUFFALO

Continued From Page 1.

cent approach which has often been referred to as the Appian Way. First came the United States Marines, looking trim in their full dress. Behind them came the pioneer guard of the Highlanders, a dozen sturdy lads, graceful even with their burdensome trappings. Behind them were the pipers, the regimental band, and then the Highlanders themselves—the 48th Highlanders of Toronto, Canada's pet regiment. With their tall hats, their red kilts, plaid stockings and bare knees they looked picturesque indeed, and one quickly understood why the Province of Ontario is proud of them. The Minister of Militia and staff, with the local escort, had stopped at the entrance, and when the Marines and the Highlanders had presented arms and lined up on the bridge the distinguished civilians marched past them, along the edge of the crowd, and into the Temple of Music. A multitude of people, mostly Canadians, flocked in a moment later and rapidly filled up the seats. Already there were perhaps 300 persons in the building, they having understood that the exercises would begin at 10.30 o'clock. The Minister of Militia was greeted with applause.

When the Highlanders' Band and the pipers passed down the aisles they were received with rousing cheers. Dr. Borden and staff went to the stage followed by many Buffalo men, who were especial guests. The band was stationed to the left of the stage, and the pipers were placed on the stage, well back.

Both Flags Intertwined.

The Temple was very prettily decorated. A mammoth American flag hung in the arch of the stage, and just beneath it was a much smaller Union Jack, bearing the coat-of-arms of Canada. The flags of the United States and Britain were intertwined about the speakers' table, while suspended to the rail of each of the two balconies, both to the right and left, were two Union Jacks and an American flag. The Stars and Stripes and the Union Jack were draped side by side over the entrance. When Chairman Britton arose, the spacious Temple was comfortably filled, and it was noticeable that a majority of the crowd were women. The following named persons were on the stage:

he Distinguished Visitors.

Dr. Borden, B. M. Britton, J. J. Foy and Dr. Pyne of Toronto, members of Parliament; Dr. Fisher, Montreal; Col. Pinault, Deputy Minister of Militia; Lieut.-Col. Evanturel, Lieut.-Col. Hurdman, Col. Turner, Lieut.-Col. Macdonald, Col. Macdonald, Lieut.-Col. Higgins, Lieut.-Col. Bellatt, Commissioner W. Hutchinson, Col. Aylmer and many prominent men of Buffalo, including John G. Milburn and Director-General Buchanan of the Exposition.

Mr. Britton Was Chairman.

B. M. Britton, member of Parliament, from Kingston, Ont., acted in the capacity of chairman. In opening the exercises, he said: "I feel it one of the honors of my life to be to-day the representative of our Dominion on this our 34th anniversary. We come to Buffalo the representatives of the great Canada to the greater United States. We come not merely to spend the day, but to see the Exposition, to see what can be accomplished by a great nation like the United States. With best of greetings, we come to wish you the greatest prosperity."

Mayor Diehl was called upon to extend a welcome to the visitors. He said it would be the desire of every one in Buffalo to make the visit of the Canadians a happy one.

Has Warm Feeling for Canada.

John G. Milburn, president of the Exposition, was introduced by Chairman Britton. "I am very glad," said Mr. Milburn, "for this opportunity to express our deep obligations to the people of Canada for their generous support of and participation in this Exposition. It is a great pleasure to be able to say we have realized beyond our expectations, and that the participation of the other governments has made this grand Exposition a reality. To-day Canada has added to the debt we owe her. She comes here bringing soldiers distinguished in the service of the King. I hope that as the years pass the ties between you and us will strengthen and in that hope I include the countries of South and Central America. I hope the future has in store for all the Americas the blessing of peace and advancing civilization. There is a close tie between great elements in this country and great elements in the North. We have the same lineage, the same language, are governed by practically the same law, we read and enjoy the same art and literature. Between people bound by such ties, what should there be but the best of feeling undrstanding for the benefit of mankind?"

Minister of Militia.

The next speaker was Dr. Borden. "I thank Mr. Milburn," said he, "and would like, if able, to echo the sentiments so beautifully expressed, and which represent the views of the people of his as well as my own country. We are of the same lineage. In Nova Scotia, my country, my ancestors came from Nova Scotland, and we are always glad to publish that fact. Here we are met by a noble reception, by a fine people. We are here to commemorate the grand progress of the United States during the past century. Our soldiery has come with us, but on an errand of peace. May God grant that such visits shall be more frequent, and that they may never be upon any other purpose. This Exposition—the Pan-American—does honor to this great country and to the people to this City of Buffalo. Every part of the ground is a study; every detail is artistic. The idea was a grand conception, and the materialization has been wonderful. I have been at many expositions, but this is by far the best of all. It is a grand study. It is an educational agency which cannot be excelled. The desire to bring into closer relationship the interests of the countries of the Americas inspired the enthusiasm which has characterized the efforts of the people of Buffalo in their enterprise.

Formally Opened.

Dr. Borden spoke of the Empire as an aggregation of nations, so free are the colonies to do what they choose. To-day they are practically free, and agreeing to live under the aegis of the British flag. You can't find a man in Canada who is not satisfied. We want nothing only to be let alone. We want to be taken by the hand as friends in working out the destiny of this continent. The minister then declared the Canadian building formally opened.

Trooping the Color.

Trooping the color, the ceremonial that constitutes the apotheosis of military pageantry, was presented before thousands of spectators in the Esplanade by the Highlanders at 1 o'clock this afternoon, directly following the exercises in the Temple of Music.

The troops stood up drawn at attention facing the Triumphal Bridge, between whose foremost pylons floated the Dominion colors. From each flank extended an arc of spectators stretching in a semi-circle up to the bridge, while others viewed the spectacle from the band stands. In the space between the troops and spectators were Minister Borden, Adjt.-Gen. Aylmer of the Canadian Militia, Col. MacDonald and his field staff.

At the command the field music paraded from the right flank around to the left, followed by A Company, escorting the color. Then Company A and the field music marched past the line of troops, which stood at present arms, the musicians playing "Coming Thru the Rye" and other airs. The ceremony was concluded when the regiment passed in review before Minister Borden, Adjt.-Gen. Aylmer and their party.

The ceremony did not last more than a half hour, but it was one that required endurance under the circumstances. The weather was as hot as an oven, and the baking warriors could feel their feet settling into the melting asphalt. The cordon of spectators kept off whatever air might have reached the soldiers otherwise.

Cricket at Grimsby.
