Happenings of the Week

Very varied were the entertainments of the past week. The uncertainty of the weather is not very encouraging but everyone is hoping for a Canadian winter. The meeting of the Society for the Prevention of Tuberclosis on Tuesday evening was largely attended by all classes of society. Mrs. Jordan's generous gift is worthy of special praise. The annual sale in Stone church was very successful from every standpoint. Mrs. Frink deserves great credit as do all the ladies. Thus with the numerous teas and smaller affairs the week was in every way a delightful one.

Miss Ross of Montreal is the guest of Mrs. Wm. Pugsley in Ottawa this week.

From the theatrical world we learn that the rumors were exaggerated concerning the popular actress Margaret Anglin. Theatre goers will be pleased to note that Edward Terry will be at the Opera House at the beginning of the New Year.

The Badminton tea last Saturday was in charge of Miss Winnifred Barker and Miss Frances Stetson. There were quite a number present.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

BLOOD-POISONING FROM CUT FINGER

Serious Condition Relieved by Zam-Buk.

Mr. Jas. Davey, of 786 Ellice Avenue, Winnipeg, says: "A few months since I was cured of a poisoned finger through the timely use of Zam-Buk. I cut a deep gash across the knuckle on the first finger of the right hand, in opening a lobster can one evening. I suffered at the time with the soreness and pain, but had no idea it would become a serious wound. However, in about two days I was greatly alarmed, as my whole hand and arm to the elbow became inflamed, and the finger was much discolored, showing signs of blood-poisoning. The pain was dreadful and I was forced to leave off my work and go home.

"The wound on the knuckle had been poisoned through the dust and dirt about the furnaces and boilers. I then decided to start the Zam-Buk treatment, and having first bathed the cut, I applied the healing balm. It soothed the pain almost instantly, and by the next day there was a great improvement. In a week's time, through perseverance with Zam-Buk, a complete cure was brought about."

Scores of similar cases could be quoted, and the wisest precaution is to keep a box of Zam-Buk handy and apply it immediately a cut, or burn, or bruise is sustained.

Zam-Buk will also be found a sure cure for cold sores, chapped hands, frost bite, ulcers, eczema, blood-poison varicose sores, piles, scalp sores, ringworm, inflamed patches, babies' eruptions and chapped places, cuts, burns, bruises and skin injuries generally. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price. Refuse imitations and substitutes.
