Cricket in Pittsburg.

Pittsburg, Dec. 15.—About 40 cricket and golf playing members of the Pittsburg Field Club attended the smoker held at the Lamont. R. Humphreys Roberts was chosen chairman for the occasion. Upon his suggestion appropriate resolutions were adopted relative to the recent death of Harry Penn, the well-known cricketer, who was one of the chief founders of the Field Club. During the intervals the subject of presenting a strong cricket team next year was alluded to, and interesting reminiscences of the past achievements of Pittsburg cricketers were recalled.

The next smoker will be held at the same place on the evening of Jan. 9. It is the object of these gatherings to increase the interest in cricket and golf playing, especially the former. The success achieved by the Pittsburg cricketers in the game with the Northwestern clubs last year has implanted the desire to carry off the championship during 1904.

Australians' Plucky Stand.

Sydney, Dec. 15.—The Australians are making a remarkably strong stand in the second innings of the first test match between Australia and England.

In the first innings the Australians appeared hopelessly out of it, the score being England 577, Australia 285.

Tremendous excitement has been aroused by the unexpected showing of the Australians in the second innings. When stumps were drawn for the day they had scored 267 for five wickets, and instead of an innings defeat, as was anticipated, they have a fair chance to pull out a victory.

Live Pigeon Match.

The annual live pigeon match at Queen's Hotel, Unionville, takes place to-day. Mr. Hemingway has secured 700 clean newly-caught birds, 200 more than he at first advertised. This will allow shots from city or elsewhere a number of matches other than those scheduled. Trains on G.T.R. suit perfectly both ways. Hamilton Gun Club rules strictly observed.

Tod Sloan Defeats French J.C.

Paris, Dec. 15.—The court which has been hearing the testimony in the suit for $40,000 damages brought by Tod Sloan against the Jockey Club because he was excluded from the French turf, rendered its decision to-day. The court decided that the French Jockey Club acted wrongfully in applying regulation 76 to Sloan. It condemned the club to pay the costs. The court ruled that Sloan had not proved that he was entitled to damages.

The Jockey Club excluded Sloan from the weighing enclosures and all training grounds controlled by the society, on the ground that he exercised the horse Rose de Mai at Chantilly without authority in May last. The horse won the Prix de Diane, on May 2), after being backed down from 12 to 1 to 4 to 1.

Big Polo Events.

Boston, Dec. 15.—There is a bright outlook for pony polo in 1904. Among the big events of interest will be the tournament at Burlingame, Cal., in March, when a team from the Hawaiian Islands will compete, and the World's Fair tournament at St. Louis, when a team of German players from Hamburg is expected to enter the lists.

The visit of the Honolulu team to the United States is assured. Clifford Kimball, a former resident of this city, writes to The Boston Herald that a team has been picked from the four polo clubs on the Hawaiian Islands, and that arrangements for the trip have been practically completed.

Indoor Baseball.

At a meeting of H. Company, 48th Highlanders, last night, it was decided to enter a team in this year's league. The following officers were elected: Captain Donald, hon. president; Lieut. Grant, president; Corp. Wright, vice-president; Sergt Banton, secretary-treasurer; Pte. Noble, manager; Pte. York, captain. A full attendance is requested for Friday night, for practice, when the new uniform will be given out.

Baker, Cyril Knight, Queen's; Chancer Elliott, Kingston; G. T. Dunlop and A. G. Gill, R.M.C.

Marlboros' Hard Practice.

The Marlboros were out last night, and practised hard for an hour. They anticipate a strenuous game at Brampton on Friday night, but Goldy Forester's septet have a hard proposition in Wagg's Dukes. Bellingham and Phillips, the Montreal duet, are in fine shape, and, along with Doc Wright and McLaren they will make a fast forward line. Eddie Geroux is recovering from the numerous cuts received in practice, and is taking great precautions against any more accidents until the league games commence. The Marlboros have not yet decided where they will play New Year's Day. They will not play on Christmas.

Chadwick With St. Georges.

Chadwick turned out with the St. Georges last night, and had his first practice of the season. Altho it was his first time on skates this year Chad. played in his old time style and many admirers of the defunct Wellingtons were reminded of the numerous battles won in bygone days in which he was a shining star. He will be a tower of strength to the Saints' forward line.

Many people gathered to watch last night's practice. Among them were President Alexander and Manager Arthur Irwin of the Toronto baseball team.

Woods, Hynes, Webster and the Carmichael boys were also in line last night, and a practice match was played, with W. A. Hewitt as referee.

After the Pack.

Victoria Harbor and St. Mary's Clubs have withdrawn from the O.H.A. junior series.

Peterboro is trying to arrange games in that town with the Marlboros and St. George's senior teams.

Galt, Picton and Port Hope all want the Marlboros to play on New Year's Day. They have not yet decided which town they will visit.

District No. 5, intermediate series, consisting of Weyerleys, Marlboros, Newmarket, Stirling of Weyerleys, Marlboros, Newmarket and Owen Sound, will meet at the Walker House this evening at 8.30 to draw up their schedule.

Mercer, who played goal for Port Hope last year, left that town on Saturday last for Peterboro, where he will play this season. The Petes will ask the O. H. A. for a permit for him.

Group No. 5, junior series, O.H.A., sections A and B, comprising Newmarket, Varsity III., St. George's III., Hamilton and Galt, will meet at the Iroquois Hotel, Toronto, to-night, to arrange the schedule.

A meeting of the Toronto Junior Hockey League will be held in the Central Y. M. C. A. parlors to-night at 8 o'clock. All clubs desiring to enter are requested to have delegates at this meeting.

Raub Carrie and Harley.

Manager Arthur Irwin of the Toronto Baseball Club received a letter yesterday from James A. Hart, president of the Chicago National League Club, to the effect that he had secured all the clubs in the National League to waive all claim to the three players, Raub, Carrie and Harley, that figure in the Briggs deal, and that they have been released to the Toronto club. He also stated that if the manager desired it, he would get President Pulliam to promulgate the fact, and he would inform the players accordingly.

American Annual Meeting.

Chicago, Dec. 15.—President Ban Johnson has sent out the official call for the annual meeting of the American League, which is to be held at the Auditorium on Thursday. Manager Clark Griffith of the New York American League club has arrived from Montana. President Johnson denied the rumor which has been in circulation for the last few days that Milwaukee would probably be taken into the American League again.

Whist.

The weekly Friday night game, to which all whist players are always most welcome, resulted in a tie for first place, Messrs. Gallagher and Ledger and Cox and Verrall each securing plus 13 tricks. Other plus scores were obtained by Sinclair and Marquis, Galloway and Hutchinson and Cooke and Lapatnikoff. That the game is becoming more popular than ever is evidenced from the number of non-members of the club who are participating. The object of the club in making these games open to the public is that any so desiring may have opportunities to improve their whist, and well is that object being obtained. Arrangements for the annual whist congress of the Canadian Whist League are being made, and it promises to be even more successful than ever. Whisters cannot do better than participate in the weekly games, Friday night, at the Toronto Whist Club, 22 East Adelaide-street, to get in shape for the congress. The Monday night game for mixed pairs was won by Mr. and Mrs. Campbell by a plus score of 8 tricks. The open game will be held Friday night of this week as usual.

Joe Walcott and Larry Temple, both colored, have been matched to fight on Dec. 29 for the welterweight championship. The bout will take place in Boston.

The Carlisle Indian football team, 17 in number, are on their trip to the Pacific Coast. They will play in Salt Lake City on Dec. 19, in San Francisco on Dec. 25, and in Los Angeles on Jan. 1. Col. Pratt, the superintendent of the school, is now in California, and expects to see them play.

RECLAIMING THE FALLEN.

Work for One Year of the Prisoners' Aid Association.

The twenty-ninth annual meeting of the Prisoners' Aid Association will be held in Dunn avenue Presbyterian Church to-night, when several resolutions will be presented for consideration.

The annual report for the year shows a number of cases of successful rescue work. Since its institution seven years ago, the Home for Girls has had 707 inmates, the great majority of whom are now leading good lives. The Central Prison Sunday School had an attendance of 190, with 33 at the Mercer Reformatory School. The school at the jail has been attended in all by 905 men. The women's department there has also been very satisfactory. Of 167 girls in the home during the year, 91 are doing well. There were 180 names enrolled at the Central Prison Night School, of whom 17 were wholly illiterate, 39 could read a little, but not write, while the rest could read in the second book. The night school at the Mercer was attended by 83 women, 24 wholly illiterate.

The practical work of the association summed up for the year ending Sept. 30: Number discharged from Central Prison 638, from jail 2775, from Mercer 116. Discharged prisoners aided by meals, lodgings, hospital treatment, temporary loans or employment found 839, meals to discharged prisoners 8501, night's lodgings 2239, articles of clothing 365, railway fares provided 15, grocery orders to families of prisoners 13, hospital treatment for 1, paid rent for 1, loans to ex-prisoners 2, supplied with tools, etc., 5, discharged prisoners placed in employment (men) 43, (women) 84, visits to city prisons 842, visits outside in the interests of prisoners 5622, visits to Police Court 286, visits to hospitals and homes 374, personal interviews re prisoners 8704, calls received 3620, letters written 1547, letters received 1259, services attended in prisons 157, amount paid to or for discharged prisoners (men) $376.87, (women) $328.45.

Bike Riders Receive Their Money.

New York, Dec. 15.—Close to $20,000 was paid out to the competitors in the recent six-day bicycle race by Managers Kennedy and Powers at the Bartholdi Hotel, yesterday afternoon.

The nominal prizes to the teams were distributed as follows: Walthour and Munroe, $1500; Lenoir and Butler, $1000; Floyd Kreis and Peterson, $750; Boxler and Fischer, $500; Newkirk and Jacobson, $350; Coltenen and Breton, $250, and Keegan and Moran, $100.

In addition to this, all the riders who participated in the race got their training expenses, and every one of them received a bonus for each day they remained in the race. None of the riders went unrewarded for their hard work.

The French competitors had all their expenses paid for their trip to America and received an extra bonus for coming over.

The entire expense of running off the great race will foot up close to $35,000. The receipts have been estimated at about $20,000. On this subject the management is discreetly dumb, as the Madison-square Garden people share in the profits with Messrs. Powers and Kennedy.

Big Jim Kennedy said yesterday that the race was worth about $5000 to Walthour and Munroe, counting the profits from the engagements they have made as a result of winning the contest. Most of the American six-day riders will take part in races at Washington and Baltimore in the near future.

The Frenchmen will leave for home on the La Savoie next Thursday. All the riders collected their money in person yesterday. Some of them looked a bit haggard, but all said they had suffered no ill effects from the contest beyond that derived from falls.

Crescent (Brooklyn) Lacrosse Club.

Matches with the strongest teams in the United States and Canada, a series of games with an all-English twelve and a probable trip to St. Louis to compete for the championship in connection with the Olympic games are included in the prospectus of the Crescent Athletic Club lacrosse department for the season of 1904.

At a meeting held at the city house Friday night most of these plans were discussed in an informal way and arrangements made for a busy season. Lewis J. Doyle, the popular manager of the team for the past two or three seasons, was unanimously re-elected to that position, while Robert J. Wall was again selected as captain of the team. Owing to the number of members belonging on the squad a second team was decided upon with Benjamin A. Kelley as manager.

Mr. Doyle, in speaking of the prospects for next year said that the conditions were never brighter. The success of the Crescent team at lacrosse has made it prominent everywhere and considerable difficulty is anticipated in making up the schedule in order to accommodate all the strong teams that are desirous of coming here.

In addition to matches with all the leading college teams, Manager Doyle is arranging to have all the prominent Canadian tweeves on the Bay Ridge grounds next spring. The Canadians are anxious to have the Crescents visit the Dominion some time during the year, but this is impossible, according to Mr. Doyle, from the fact that most of the members cannot get away from their business for a sufficient length of time to make such a journey successful.

In lieu of this, Mr. Doyle anticipates a visit from the all-England team, which will play in Canada some time next year. When the Oxford-Cambridge team returned to England after their visit to the Crescents last year, they spoke so highly of the cordial reception tendered to them by the Brooklyn athletes that the all-England team, which did not intend to visit the States at all, have almost fully decided to come here for a series with the Crescents.

Mr. Doyle, who has been appointed chairman of the lacrosse tournament at the St. Louis Fair, is looking forward to a most successful series of matches for the championship. In addition to the leading Canadian teams, he has received acceptances from St. Louis, Chicago, Detroit and St. Paul that twelve representing those cities will attend, while such colleges as Harvard, Cornell, Hobart and Johns Hopkins, it is said, will surely send teams. British Columbia and Winnipeg, Manitoba, are also to be represented, and it is almost certain that the Crescents will take part.

Regarding the team for next year, Manager Doyle says there are 25 candidates already in the field and that he anticipates no difficulty in securing as strong a twelve as that of last year. His only regret is that Jack Curry, one of the mainstays of the team for a number of years, has decided to retire. He will be succeeded by one of the second team players who have developed during the past. He has secured a splendid recruit in the person of Hubert O'Flynn of Toronto University, who is considered one of the strongest players in the Dominion.

Manager Kelley will arrange a number of games for the second team in order to keep it up to top notch form in the event of some of the players being needed to help out the champions.—Brooklyn Eagle.

Sporting Notes

President Charles H. Ebbetts of the Brooklyn Baseball Club has verified the statement issued by Manager McGraw of the New Yorks to the effect that Shortstop Bill Dahlen, the mainstay of the Superbas, had been traded for Shortstop Charlie Babb and Pitcher Jack Cronin of the Giants.

A Pittsburg baseball rumor is that Pittsburg is engineering a deal whereby Leever, Veil and Bean will be traded for Pitcher Wyatt Lee, Jack Townsend and Osteen of Washington. Also that Catcher Harry Smith is to be traded to Buffalo for Pitcher Bobo Kissinger, late of Detroit.

Paris, Dec. 14.—In the racing season which ended yesterday, Eugene Leigh, the American trainer, placed to his credit 66 wins on the flat and 105 in steeplechasing. It is said that backers following Leigh won 1,300,000 francs. It is declared that no trainer in the world has approached this record.

SOME AMATEUR HUMOR.

When a girl begins shooting at the Target of Life,
She always begins with a "Miss."
If she happens to Hit a Man wanting a wife,
She always scores nothing but misses.

A young man went into a stationery store the other day to purchase some writing paper. The young lady showed him several kinds of paper, but none of them seemed to suit him. The young lady then asked him if he would prefer it in pads. "Yes," replied that bold young man, "I would; "pads are so popular now." (Young lady highly indignant.)

This was the gist of Cholly's poem:
Oh, to meet her like I used to do!
Only to meet her by the same old stream!
As I used to meet her like one in a dream.
Cholly: How do you think the poem is in my poem?
Rolly (disgusted): Why, there is enough meat here to set you up in the pork business for life.
(Cholly and Rolly meet as strangers now.)

It's Worth While

IT'S mighty hard to beat a man at his own business!

We've all been in the tailor business for years—and we know good cloth when we see it.

We know a handsome fabric pattern, a nice pliable cloth—one that will needle-mould easily and hold its shape.

Then we buy in such quantities we can make the price absolutely right to you and at the same time obtain exclusive control of cloths. All of which you get in Semi-ready.

Detroit Specialist Discovers Something Entirely New for the Cure of Men's Diseases in Their Own Homes.

You Pay Only if Cured

Expects No Money Unless He Cures You—Method and Full Particulars Sent Free—Write For It This Very Day

A Detroit specialist who has 14 certificates and diplomas from medical colleges and boards, has perfected a startling method of curing the diseases of men in their own homes; so that there may be no doubt in the mind of any man that he has

DR. S. GOLDBERG,
The Possessor of 14 Diplomas and Certificates Who Wants No Money That He Does Not Earn.

both the method and the ability to do as he says. Dr. Goldberg, the discoverer, will send the method entirely free to all men who send him their name and address. He wants to hear from men who have stricture that they have been unable to get cured, prostatic trouble, sexual weakness, varicocele, lost manhood, blood poison, hydrocele, emaciation of parts, impotence, etc. His wonderful method not only cures the condition itself, but like wise all the complications, such as rheumatism, bladder or kidney trouble, heart disease, nervous debility, etc.

The doctor realizes that it is one thing to make claims and another thing to back them up, so he has made it a rule not to ask for money unless he cures you, and when you are cured he feels sure that you will willingly pay him a small fee. It would seem, therefore, that it is to the best interests of every man who suffers in this way to write the doctor confidentially and lay your case before him. He sends the method, as well as many booklets on the subject, including the one that contains the 14 diplomas and certificates, entirely free. Address him simply

Dr. S. Goldberg 278 Woodward Ave., Room 11 Detroit, Mich., and it will all immediately be sent you free.

This is something entirely new and well worth knowing more about. Write at once.
