THIS MORNING'S DESPATCHES

STRIKES IN NEW YORK.

The Geneva Arbitration.

New York, June 20.—A band of strikers this morning took possession of Fosdick's brewery, 42nd street, and drove off the workmen. The Police soon cleared the place of the rioters.

The *World's* London special says that more has been accomplished at Geneva than is generally allowed in public. At the next meeting of the Arbitrators it will be announced that the question of indirect claims is settled. The Arbitrators will then proceed on the other points.

A very destructive fire broke out in Ottawa the other day. A whole block of wooden buildings was completely destroyed. The exact amount of the loss is is not known, but $23,000 of it is covered by insurance.

If *Johnson's Anodyne Liniment* is half as valuable as people say it is, no family should be without it. Certainly no person, be he lawyer, doctor, minister, or of any other profession should start on a journey without it. No Sailor, fisherman, or woodsman should be without it. In fact, it is needed wherever there is an ache, sprain, cut, bruise, cough or cold.

ANOTHER CASE OF BRONCHITIS CURED.—Bridgewater, N. S., March 2nd, 1869. Mr. James I. Fellows. Dear Sir.—While in Windsor on a visit in December last, I fell in with an old friend—Capt. H. Coffill—and finding him looking so hearty and robust, was led to enquire what had produced the great change, for when I last saw him two years previous he was a mere skeleton. He informed me that your valuable Syrup of Hypophosphites had effected a perfect cure. He persuaded me to try the Syrup for Bronchitis, from which I had suffered much during several years. I purchased one dozen of this Syrup; and have used only three bottles, and my health is now better than it has been for years. [illegible] the balance of the dozen, I sold it to different [illegible] there is a general demand for it [illegible] Respectfully yours, W. I. NELSON. Capt. H. Coffill is the person who was cured of Consumption in 1868 by Fellows' Compound Syrup of Hypophosphites, whose letter was published some time ago.

NO intelligent mind can fail to observe how the various and ever varying wants of the community are attended to by the enterprising merchants of Guelph. Instancing Hardware, in Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of business, it is somewhat astonishing to take a comprehensive view of the variety of his stock:—Guns, Pistols, Ammunition, Fishing Tackle, House Furnishings, Floor Oil Cloths, Mats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers, Mangles, Lamps, Mechanics' tools. Besides the great assortment of Farming Implements, Scythes, Snaiths, Rakes, Forks, Hoes, Building and General Shelf and Heavy Hardware, Oils, Paints, Colors, Varnishes. One gets from this a slight idea of what it is to carry on with enterprising spirit a large Wholesale & Retail Hardware Establishment. Every want for House, Farm, Trade or Manufactory can be supplied Wholesale and retail at Mr. Horsman's. See advertisement.

DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALASAYA.—This elegant and agreeable preparation has speedily become a favorite on account of its great reliability in the cure of Diseases of the Stomach, Liver and Kidneys. It enables the stomach to digest food perfectly, and in sufficient quantity to nourish the system thoroughly, and prevent decline, and running down with chronic wasting diseases. In consumption and scrofulous cases, in women prostrate from family cares, and in delicate children, it will act like a charm in restoring vitality to all the organs and invigorating the general health. It will restore all those who for a long time have been in a feeble condition of the system, wanting energy and disposition to exertion. It cures by means of purifying the blood, and building up all the tissues of the body. Sold at $1 by all Druggists. dw
