SEA OF MUD PREVENTED TEAMS PLAYING YESTERDAY

London and Ottawa Will Engage in a Double Header Tod a if Weather Permits—London Club Signs a New Second Baseman to Fill Linneborn's Place.

Ottawa, Aug. 22.—There was no game today between the Ottawa and London teams in the Canadian League, and the championship now hinges practically on the double-header which they will stage Saturday afternoon at Lansdowne Park. Rain set in about 1 o'clock this morning, and over two inches fell during the day. The weather probabilities for tomorrow are fine and cool, so the chances are strongly in favor of the games being played. The first starts at 2:30, and the second, which will be limited to seven innings, at 4 o'clock. The diamond was a sea of mud this afternoon, but it is perfectly drained and will be all right for tomorrow. A steam roller will get to work as soon as it dries off to put the field in the best of shape again.

Though the postponement hit the business end of both clubs a hard crack, the delay was welcomed, not only by the London club, but by the Ottawas. Rube Deneau and his companions welcomed the rest because of the fact that it enabled their overworked pitchers to rest up. Moreover, they will be able to have in time for tomorrow's game a new second baseman to replace Eddie Linneborn, their regular man, who was called last night to the bedside of his sick mother at Buffalo. They wired at once for a new infielder, and he will arrive in the morning.

The Ottawas have only two first-class pitchers, Renfer and Rogers, and Shaughnessy was equally pleased with the chance to rest Rogers up. Renfer will pitch the first game tomorrow, while Rogers will go in for the second, which will be limited to seven innings. Beebe or Boldt and Heck will do the pitching for London. It is likely that six or eight thousand people will witness the games. Renfer goes to Detroit next week. The London people would perhaps welcome more rain tomorrow, as the games would not have to be played at all, unless they affected the standing of the teams at the close of the season.

The Cockneys are four behind, but they think they can make a sweep at London next week and thus tie Ottawa, providing Guelph takes at least one from the Senators. President Stevely was promised two pitchers from Cleveland, but to date they have not arrived.

WELL, WELL, RED SOX FINALLY WON A GAME

Jack Fitzpatrick Was the Guy They Beat, Too—Had To Go Ten Innings.

Guelph, Aug. 22.—Brantford defeated Guelph this afternoon for the second time this season by 8 to 5, but it took them ten innings to turn the trick in a game which was featured with heavy hitting. Owing to the heavy downpour of rain just after dinner, the diamond was a mud hole, but the game was played on the grass before a small crowd.

Tasker, for the Brants, and Fitzpatrick, for the Leafs, were both hit hard and often. The Leafs tied up the game in the ninth, only to lose out in the tenth after two were out.

The feature of the game was the heavy hitting of "Billy" Wright for the Leafs. He got two three-baggers, a home run and a single out of five trips to the plate. Lamond was ejected from the game for his back talk to Umpire Jacobson, and Tasker retired because of a split finger, Coose finishing the game. Score:

Gilhooley Defies Any Runner in League

Montreal, Que., Aug. 22, 1913. —A challenge to any player in the International League for a one hundred yards race, was thrown out today by Frank Gilhooley, the speed marvel of the Montreal outfield, who by his defeat of Cooper, the Baltimore left fielder, in a race here Wednesday, now claims the sprinting championship.

President Lichtenheim believes that Gilhooley is the fastest man in the International League with the possible exception of Allen, another Royal outfielder. A match will probably be arranged for a race between the two some time next week.

DARE NOT LEAVE GO.

There was a barber who was accused of secret inebriety, but his old patrons refused to credit such a charge.

A staunch old patron went to the man to be shaved one morning. The barber in silence began to lather him, and then suddenly seized him by the nose.

Lathering away, the barber gripped the nose so firmly that its owner grunted in pain:

"Here, let go my nose!"

But the barber, still holding on tight, said as he lathered steadily on:

"Can't. If I did I'd fall down."

Can Naps Repeat Famous Spurts of Former Years and Beat Athletics.

FROM LEFT TO RIGHT: BLANDING, BIRMINGHAM, GREGG AND MITCHELL.

Are the Naps off on another spurt, such as characterized their playing of 1911 and 1912, under George Stovall and Joe Birmingham?

It will be remembered that after changing managers in mid-season of 1911 and 1912 the Naps sprinted to the finish and played as good, if not better, ball than any team in the league.

Under Stovall they sprinted from seventh place to third, and for Birmingham last fall their work was sensational.

This year the team has been a contender all of the way, and but for a streak of hard luck, which seems to visit every team once a season, would now be closer to the Athletics, if not leading the league.

The Naps are now apparently upon another such spurt as marked their work for the last two years. With Vean Gregg, Fritz Blanding and Willie Mitchell pitching great guns, and the rest of his team playing a brand of ball that is unbeatable, Manager Joe Birmingham has every reason to believe that the pennant is within his grasp.

Three games out of four taken from Connie Mack's men in the last series was the bomb the Naps tossed into the Athletic's camp as a warning to Mack not to name his battery for the first world's series game for a few days to come.

Just Chatter

Now wouldn't it surprise that Ottawa bunch if London should walk off with both ends of today's double-header?

If the weather in Ottawa today is anything like it is in London, the double-header may have to be postponed.

Those two Cleveland pitchers whom President Stevely promised have not yet put in an appearance. It looks as if the Naps can use about all the pitchers they can get.

Lefty Rogers will probably pitch one of the games in today's double-header. "Lefty" should be reminded of tha little old saw about the pitcher that goes too often to the well.

The Brantford Red Sox actually won a game yesterday. No doubt the excitement in Brantford was at fever heat when the scores were coming in and it was seen that Brantford was really putting up a battle.

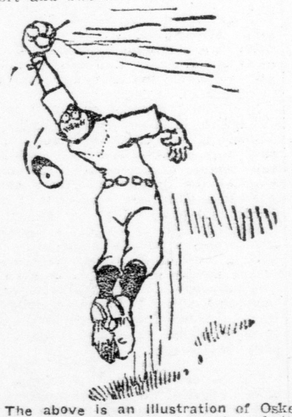
The St. Thomas Times dopes out a chance for the Saints to cop the pennant. The Times is nothing if not original.

The Ottawa owners must have been terribly disappointed when the rain interfered with yesterday's game. It's a cruel blow to see so much kale drift away as a result of a little rain.

Double-headers will likely be played at Hamilton and Peterboro today owing to the postponements of yesterday.

The Lowell team, of the New England League, broke the season's record for scoring the most runs yesterday by beating Brockton 25 to 0. The Portland team beat Lawrence in the same league 19 to 4 yesterday, also scoring 13 runs in one inning.

A week from Monday and the curtain will ring down on the Canadian League season. The Canadian League season is short and sweet.



The above is an illustration of Oskee Neale in the leading role of that sketch of his, entitled "How to Make Easy Catches Look Hard."

The Advertiser baseball team, newspaper champions of London, challenge a combined team of the St. Thomas Times and Journal for a game to decide the championship of St. Thomas in the latter city some afternoon following the close of the Canadian League season.

It is Eddie Linneborn's mother that is seriously ill, and not his wife as originally given out at Ottawa. The reason that it wasn't Linny's wife is because he hasn't got any wife.

John Evers Says Owner Murphy Is Jinx to the Cubs

New York, Aug. 22. — John Evers, manager of the Chicago Nationals, considers Charles Murphy, his club owner, to be a jinx.

"That's why I left Murphy in Chicago on this trip," said Evers, "for we are anxious to finish at least second in the race. We won seven straight games in Boston and Philadelphia.

"We are not saying anything about the Giants, but we are going to keep on plugging until the end of the season."

The St. Thomas and Stratford teams have still a chance to win the championship of the W. O. B. L. The former has won six and lost four games, while the latter has won eight and lost four. Hymans are last in the league with three wins and eight losses.

Boyd Hackbush signed up with the Brantford Red Sox after all. He came through with two hits yesterday.

A certain local daily announced last evening that it would bulletin the Ottawa-London game play by play. Apparently its motto is "Where The Advertiser leads, we follow."

GODERICH CAUSED A THREE-CORNERED TIE

By Beating Clinton On the Latter's Grounds Yesterday, O. A. L. A. District Is Tied.

Clinton, Aug. 22.—In a playoff of a tie game Goderich defeated Clinton today by 12 to 4. It was an intermediate O. A. L. A. fixture, and the result now gives Goderich a chance for the group honors, being even with Wingham and Clinton for first place. Despite the difference in the score, the game was fast, and good lacrosse was shown at times. Clinton was handicapped by the absence of several of their regular players, but the visitors played a much improved game over that played here some time ago.

CHESLEY AVE. BEAT VICTORIA SCHOOL

Won Second Game From Them in a Week by Score of 9 to 3.

This made the second win for Chesley avenue over Victoria this week, the first game taking place on Chesley grounds and resulting in a score of 7 to 6 in favor of Chesley.

Yesterday's game was a fast and interesting one, Arnott's pitching and Victoria's errors resulting in an easy victory for the visitors.

LONDON LANDS NEW PITCHER; DENEAU WILL WORK HIM TODAY

Has Not Yet Given Out Name of Latest Addition to Staff However—Weather Clearing at Ottawa After Twenty-Four Hours' Rain.

[Special to The Advertiser.]

Ottawa, Aug. 23.—After 24 hours' rain there are symptoms of clearing this morning, and Ottawa and London will resume operations at Lansdowne Park this afternoon with two games. The first starts at 2:30. Manager Deneau announced this morning a new pitcher had joined his club, and would probably work in one of the games today. Second base will be filled by either Reidy or Boldt, Linneborn still being away. Renfer will pitch the first game, and there is every prospect Rogers will be sent back for the second.

The field has been drained off, and if no more rain falls playing conditions will be good.

WEAVER PULLED A BONE.

Chicago, Aug. 22. — The Athletics beat the White Sox 2 to 1 today and Buck Weaver pulled one of the best "bones" of the year. In the eighth, with the score 1 to 0 in favor of the White Sox, and Oldring on third, Eddie Collins started to steal second. Russell threw to Chase, who tossed to Weaver. The play was close, but Umpire Connelly held that Collins was safe. Weaver then rolled the ball to the pitchers slab. The moment Oldring saw this he started for the plate and scored before Russell could get the ball and shoot it to Schalk. McInnis followed with a base hit and Collins scored the winning run.
