Mr. Frank Yeigh, of Toronto, last night lectured to a large and appreciative audience in the Centennial Methodist Church under the auspices of the Sunday school.

The lecture, which was in aid of the school building fund, was an illustrated one on "The Canada of Today. Mr. Yeigh commenced his lecture with views of Ontario, explaning all, and gradually working north and westward through the Cobalt district. Views of mines and veins of ore were

shown. Scenes were then thrown on the canvass of Port Arthur, Fort William and very beautiful views of the shores of the Lake of the Woods.

Then the pictures shifted to Winnipeg, the metropolis of the Canadian The next were prairie scenes. Mr.

#### ALD. MOORHEAD HAS A GOOD PROPOSITION

Ald. Moorhead, who generally holds his head pretty level, is out with a scheme to give East End baseball fans a grandstand without using the taxes of the people to provide the stand. Ald. Moorhead points out that for 340 days in the year the grandstands at Queen's Park are idle.

He would ask the Western Fair board to be allowed to fit up a diamond on the park, immediately inside the ring and directly in front of the stands. The league games could be played there, and the people could enjoy themselves in thousands.
