Away Behind Caffrey's Time.

Boston, April 20.—F. Lorz of the Mohawk Athletic Club, New York, yesterday won the ninth annual Marathon road race of 25 miles, held under the auspices of the Boston Athletic Association. Lorz's time was 2 hours, 38 minutes and 25 2-5 seconds. L. Marks of the Pastime Athletic Club, New York, was second and R. Fowler of the Cambridge Gymnasium Association third. Marks' time was 2 hours, 39 minutes and 50 4-5 seconds, while Fowler took 2 hours 45 minutes and 7 1-5 seconds to cover the course.

Promptly at noon the runners were sent away from the starting point in Ashland and were well bunched for the first few miles. Drawing near the eight-mile mark, S. A. Mellor, jr., of the Mohawk A.C., New York, pulled into the lead, closely followed by F. H. Haarer, a local runner, and Marks and M. Spring of the Pastime A.C., New York, winner of the last year's race. Increasing his lead until apparently he had the race well in hand, Mellor was several seconds ahead of the record when half the distance was covered. Lorz about this time began to draw up on the leaders and when at the 20th mile mark Mellor dropped to a walk, Lorz had passed Haarer and Marks, Spring dropping out.

While ascending along the hill just outside Boston, Lorz overhauled Mellor and the latter gave up the race.

From this point on Lorz was never in danger of losing his place and running thru the streets of Boston he received a continuous ovation. Lorz partially collapsed after he broke the tape, but soon recovered, while Marks and Fowler finished in good condition.

C. L. A. CONVENTION TO-DAY THE DELEGATES ARE HERE

Brown Jackson Retires From Vice-Presidency—Harry O'Laughlin Talks Lacrosse.

The annual convention of the Canadian Lacrosse Association will take place to-day in Labor Temple, the council meeting at 9 a.m. The main session will start at 10.30 a.m., adjourning from 12.30 to 1.30 for luncheon. There will be no banquet. Secretary Hall received many club fees and handed out credentials galore at the Iroquois last night. It was stated last night that Brown Jackson of Seaforth had retired from the contest for the vice-presidency. The delegates were pouring in all day, and when the session starts to-day a record attendance is expected.

Harry O'Laughlin of St. Catharines was the first of the delegates to arrive for the annual meeting of the Canadian Lacrosse Association to-morrow. He came over Wednesday with a delegation to the Ontario house that wanted something. Harry had a seat on the floor and beamed proudly on Mayor J. J. Craig and E. Herbert Lennox, brother ex-presidents, in their important places on the government benches. The St. Kitts lacrosse man looks for a great season, and his own city will likely be strongly in line, tho much depends on the result of to-morrow's doings. He expects Toronto is sure to be admitted, tho he could not say what was the St. Kitts position. But that mattered little, as it was for the C.L.A. to determine the circuit.

President Allen and Secretary Hall have secured their positions by acclamation, the other places to be determined by election, the candidates being as follows:

First vice-president—H. S. Cameron, Beaverton; H. M. Jackson, Seaforth.

Second vice-president—Jas. D. Bailey, Toronto; H. Gillespie, Orangeville.

Council (ten to be elected)—Capt. Wallace, Woodbridge; E. T. Rae, Weston; G. G. Green, Bradford; F. W. Browning, Aurora; A. C. Steel, Fergus; J. K. Forsyth, Toronto; Fred H. Ellis, Oshawa; J. M. Kearns, Arthur; Thomas O'Connor, Toronto; J. C. Miller, Orillia; Rev. D. M. Martin, Cannington; A. W. Sproule, Markdale; W. Tegart, Toronto; W. J. Young, Chatham.

Berwick Lacrosse Club.

Cornwall, April 20.—The Berwick Lacrosse Club has organized with the following officers: President, J. McDonnel; vice-president, M. Aiguire; secretary, D. H. Hull; treasurer, M. H. Hatterson; executive committee, J. O. Oderkirk, M. McGreen, Charles Wray, Les Aiguire, Sim Johnston and D. McMartin, the club would like to make arrangements with neighboring teams to form a league for the season.

Lacrosse Points.

There will be a practice of All Saints lacrosse team on Friday at 9.30 a.m. at Sunlight Park. All members and those wishing to join are requested to be on hand.

St. Simon's Lacrosse Club of this city journey to Oshawa to-day to play an exhibition game with the Shamrocks of that town.

Whist League Congress.

Yesterday was the first day of the tenth annual congress of the Canadian Whist League. The games played were for progressive pairs and mixed fours championships. Representatives were present from all the principal cities, among them such well known players as Alf. Wood, Ottawa; Dr. Bush, Hamilton; Jos. Levy, Hamilton; W. F. Patterson, Brantford; A. S. Ball, Woodstock; N. S. Herrington, Napanee; Dr. Bates, Hamilton; F. W. Magee, London; J. H. and Mrs. Irwin, Collingwood, and Dr. Leonard, Napanee. The congress will last until Saturday night, games being held every afternoon and evening. Among the many prizes is a handsome challenge trophy of solid silver, presented to the league by Charles Goodall & Sons Co., of London, Eng. This cup will create great interest in the whist contests.

St. George's Cricket Club.

The St. George's Cricket Club have organized for the season of 1905 and are open to receive applications from players who may be desirous of joining. The club have procured excellent practice and match grounds and are entered in the Church and Mercantile Leagues. Appliants may apply by writing to the secretary, J. Garnet Vale, Harbord-street, Toronto.

What To Do For Heart Trouble

I Back up My Advice With This Remarkable Offer—A Full Dollar's Worth of My Remedy Free to Prove That I Am Right.

I ask no reference, no deposit, no security. There is nothing to promise, nothing to pay now or later. To any heart sufferer who has not tried my remedy—Dr. Shoop's Restorative—I will gladly give, free, not a mere sample, but a full dollar bottle.

I am warranted in making this unusual offer because mine is no ordinary remedy. It does not vainly try to stimulate the heart. Such treatments are worse than useless. It goes straight to the cause of all heart trouble—the heart nerves—and strengthens them and vitalizes them and restores them. Then that is the end of heart diseases.

For the heart itself has no more self-control than a common sponge. It is made to beat by a tender nerve so tiny that it is entirely visible to the naked eye. Yet ten thousand times a day this delicate nerve must cause the heart to expand and contract.

The heart is about the size of your clenched fist. Open and close your fist a dozen times, even, and you will see the monstrous labor this little nerve must do.

The heart nerve is only one of the branches of the great sympathetic nervous system. Each branch of this system is so closely allied with the others that weakness or irregularity at any point is apt to spread. Heart trouble frequently arises from Stomach trouble through sympathy, and Kidney trouble may also follow. For each of these organs is operated by a branch of these same sympathetic nerves—the inside nerves.

The bond of sympathy between the nerves that operate the vital organs has a useful purpose as well. For what will cure weakness in one branch will surely cure weakness in every branch—what will restore one centre will surely restore them all.

There is nothing new about this—nothing any physician would dispute. But it remained for Dr. Shoop to apply this knowledge—to put it to practical use. Dr. Shoop's Restorative is the result of a quarter century of endeavor along this very line. It does not dose the organ or deaden the pain—but it does go at once to the nerve—the inside nerve—the power nerve—and builds it up, and strengthens it and makes it well.

If you have heart trouble and have never tried my remedy, merely write and ask. I will send you an order on your druggist which he will accept as gladly as he would accept a dollar. He will hand you from his shelves a standard-sized bottle of my prescription, and he will send the bill to me. This offer is made only to strangers to my remedy. Those who have once used the Restorative do not need this evidence. There are no conditions—no requirements. It is open and frank and fair. It is the supreme test of my limitless belief. All that I ask you to do is to write—write to-day.

Mild cases are often cured by a single bottle. For sale at forty thousand drug stores.

For a free order for a full dollar bottle you must address Dr. Shoop, Box 21, Racine, Wis. State which book you want.

Britt-White Fight Postponed.

San Francisco, April 20.—There will be no fight between Jimmy Britt and Jabez White this month in San Francisco, as the supervisors denied the April permit to Manager James Coffroth of the Yosemite Club, who has signed the American and English champion lightweights. It may be that Coffroth will pull off the Britt-White fight in the pavilion at Colma, but this is scarcely probable, as the hall will only accommodate about 6000 persons and the ride to and from the place is tedious. The hall is also poorly arranged for a fight, as a good view can be had only from about half the seats.

Weston Lawn Bowling Club.

The annual meeting of the Weston Lawn Bowling Club was held at Weston on Wednesday evening and the following officers were elected for the year:

Honorary president, H. E. Irwin, K. C., Reeve Bull, T. J. Maguire, J. T. Franks; president, J. K. Keefler; first vice-president, J. M. Gardhouse; second vice-president, S. H. Hill; secretary, A. G. Pierson; treasurer, N. J. McEwen; executive committee, T. Nattress, J. Gardhouse, J. Hanshaw.

A vote of thanks was passed to George Hargraft for the trophy he has presented for single competition.

Brockville Rowing Club.

Brockville, April 20.—About a dozen members of the recently disbanded Y. M. C. A. Canoe Club met to consider the advisability of throwing in their lot with the Brockville Rowing Club. This idea was made almost unanimous, and to complete further details a committee was appointed to see under what terms the recently purchased war canoe could be made the property of the club. Should this come about war canoe racing will not become dormant, but the Y. M. C. A. paddlers will be found the coming season following up the sport, only under different colors.

Y.M.C.A. Harriers.

On Good Friday morning the W. E. Y.M.C.A. Boys' Harrier Club have arranged a friendly run, at which the following clubs are invited to enter teams: Walmer-road, Central Y.M.C.A., Broadviews, St. Stephens and All Saints. The course will be from Queen-street to Bloor and back on Dovercourt, leaving Y.M.C.A. building at 10.30 a.m.

Perfect Manhood

Our "Restorine" CURES are The TEST.

North Bay, Ont., July 31st, 1900.
Dear Sir:—Have finished taking your 30 days treatment, and am in every way improved. I weigh 20 lbs. more, and am much stronger, and my nerves are very much better.
Yours sincerely, H. N.
(Sworn Testimonial.)

Health of body, strength of mind, steadiness of nerves are the best and most precious gifts man can lay upon the altar of his conjugal love. Restorine operates on the nerves which control the sexual system, and infuse into it, power and vigor. No such thing as failure in life, is possible in perfect manhood; it is the lack of vital force, and the depletion of sexual energies that makes failures of men. Restorine awakens a man to a sense of restored vitality and power. Why be weak when you can so easily become strong? Proofs are the test. Sworn testimonials sent to any one on receipt of name. Five Days' Trial Treatment sent absolutely free. Write To-Day. (11)
