TO THE PUBLIC OF British North America.

IN consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of myself and my Chemical Company, by making and selling some thing which they call "Holloway's Pills and Ointment," and which, for a short time, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment), I have for some time considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Casnard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. J. Dos Brissy, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Ross, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Hood, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chalmer, St. John, N. B.
Messrs. Harrington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. W. Wiley, Fredericton, N. B.
Messrs. W. & D. Tylle, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices; in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remit[illegible]

VINEGAR BITTERS

R. H. McDONALD & CO.
Druggists & Gen. Agts.
San Francisco, California.

VINEGAR BITTERS are a purely Vegetable preparation, made chiefly from the Roots of plants growing on the lower slopes of the Sierra Nevada mountains, the properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is that they remove the causes of disease, and the painful symptoms they cure are but the signals of disease. They are a gentle purgative as well as a tonic, a powerful stimulant in cases of Inflammation of the Liver and in all chronic diseases, and as a diaphoretic in fevers of the system. They are the most healthy stimulant in history of the world. They are a mild stimulant of Tissue Nerves in healing the sick of every disease that flesh is heir to. They are a gentle Purgative as well as a Tonic, a powerful Counter-irritant or Inflammation of the Liver and in all chronic diseases, as in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the fainting system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout one entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will specedily remove the foul secreted fecal matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Purify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can spread where this medicine is used freely.

[illegible] Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

"Remember," said a trading Quaker to his son, "in making thy way in the world a spoonful of oil will go further than a quart of vinegar."

A good little Clinton boy refused to spell cider, because he had signed the pledge. The excuse hadn't the redeeming thickness, and the boy, was sent to his seat to learn his lesson.

Better than reading the riot act or calling out the fire engines is the way Detroit has of dispersing a crowd. There they simply propose taking up a collection for a poor widow. It never fails.

If a lady in a red cloak were to cross a field in which was a goat, what wonderful transformation would probably take place? The goat would turn to but—or and the lady into a scarlet runner.

A bad little boy in Dubuque rubbed cayenne pepper dust all over the back of his jacket. The school ma'am thrashed him briskly, but dismissed school immediately to run to the nearest drug store for cyanetic.

Hearing a physician remark that a small blow would break the nose, one Dutch auditor exclaimed, "Well, I dunno 'bout that, I've given some mans a blow, and I've never broke it yet." By a gentle movement he avoided a blow on the head.

"Ah," said an Englishman the other day, "I belong to a country upon which the sun never sets." "And I," said a Yankee, "belong to a country which there can be no correct map. It grows so fast that the surveyors can't keep up with it."

"Are you good at a lift, my man?" asked a north country builder of an indifferent workman, who had lately entered his service. "Wool, I consider myself pretty good," was the complacent reply. "Then lift your kit out of this yard," was the curt order.

"I tell you," said a Wisconsin man to a neighbor next day after burying his wife, "when I came to get into bed, and lay thar, and not hearing Lucinda jawing around for an hour and a half, it just seemed to me as if I'd moved into a strange country."

"Paddy, my boy," said a gentleman to an Irishman, whom he observed fishing away at a deep pool, "that must be a fortunate stream for trout." "Faith and sure it must be that same, for I have been standin' here this three hours, and not one of 'em will come out of it."

"Where was Bishop Latimer burned to death?" asked a teacher in a commanding voice. "Joshua knows," said a little girl at the bottom of the class. "Well," said the teacher, "if Joshua knows, he may tell." "In the fire," replied Joshua, looking very grave and wise.

AN INNOCENT HINT.—Auntie:—"What is Nellie's nose for?" Nellie (doubtfully):—"To smell with." Auntie:—"And what is Nellie's mouth for?" Nellie (cautiously):—"To eat with." Auntie:—"And what are Nellie's ears for?" Nellie (confidently):—"Earrings."

An Oxford under-graduate was asked to point out which were the greater and which were the lesser prophets. For a moment this was a "poser" to the young hopeful. He soon rallied, however, recovered his self-possession, and answered, with the utmost nonchalance, "I never like to make invidious distinctions."

In a little town out west a lady teacher was exercising a class of juveniles in mental arithmetic. She commenced the question, "If you buy a cow for ten dollars——" when up came a little hand. "What is it, Johnny?" "Why, you can't buy no kind of a cow for ten dollars; father sold one for sixty-dollars the other day and she was a regular old scrub at that."

Fashionable milliner; "You'll have the flower on thileft side of the bonnet, of course, madam?" Fashionable lady: "Well—er—No! The fact is, there's a pillar on the left side of my pew in Church, so that only the right side of my head is seen by the congregation. Of course I could change my pew!" Fashionable lady's husband: "Ya—as. Or even the church, you know, if necessary."

"THE TOUCH OF NATURE." Etc.—(Only it did not answer this time).—Magistrate (to prisoner, accused of beating his wife): "Have you anything to say in answer to the Charge?"—Prisoner: "I'd like to ask your Worship if you're a married man yourself?"—Magistrate: "Yes, I am, if you must know."—Prisoner: "Then I shouldn't say another word."—(He got six months, though, for all that, poor fellow.)

A GENTLEMAN who was very jealous on the subject of horses, but not according to knowledge, bought a mare at auction, and rode her home. "Well, Cæsar, I said he to his sable coachman, what do you think of her. She cost me one hundred dollars." "Dunno, massa." "Yes, but what do you think?" "Well, massa, it makes me think of what the preacher said yesterday—something about a horse and a mare started."

TO THE PUBLIC OF British North America.

IN consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of myself and my Chemical Company, by making and selling something which they call "Holloway's Pills and Ointment," and which, for a short time, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment), I have for some time considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Casnard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. J. Dos Brissy, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Ross, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Hood, Goderich, Ont.
