Hay, will auction off a quantity of farm stock, implements, etc., for Mr. Conrad George, lot 23, 2nd con. Wallace.

AN OLD SAYING.—It is cheaper to pay the shoemaker than the doctor. Keep the feet dry and warm, especially at this season of the year. The best place to get a supply of good substantial Boots and Shoes is at John Riggs' store, No. 3, Main st., Listowel.—42.

CHRIST CHURCH.—Divine Service will be held in this church on Saturday next, 25th inst., at 11 a. m., to commemorate the Nativity of our Lord. There will be special Psalms of David and lessons, with hymns and carols. A sermon suitable to the auspicious event will be preached by the Rev. Henry Bartlett, Incumbent.

Special at Roy & McDonald's—Ladies' mantles, ulsters and dolmans, ready-made and made to order, in first-class style, excellent fit guaranteed, by Mrs. Leslie and Miss Reid. Goods sold in the house cut and fitted free of charge.—41.

MR. A. JOHNSON, merchant tailor, of Parkhill, is at present in Listowel, working for Mr. Riggs. He is considerd one of the best cutters in Ontario. He is meditating an engagement in Listowel, or else opening out a first-class merchant tailoring, and no doubt one so highly recommended would prove a good addition to our town.

You can buy finnan haddies for 10c per lb. at Kidd's noted California Fruit Store.—47b.

THE RINK.—The new skating and curling rink was opened on Monday night. The town band was in attendance. Several hundred people were present. It being the first night no admissinn was charged. The new rink is both spacious and well arranged. It will no doubt be well patronized, especially by the younger portion of the community.

SOMETHING NEW AND OLD.—New goods for the winter wear, consisting of dress goods, shawls, mantles, overcoats, boots, hosiery, furs, robes, ladies', gents', misses' and children's fur caps, clouds, mufflers, and a thousand and one other things, all of which will be sold at a small advance on cost, at the old reliable store, No. 3, Main st., Listowel.

JOHN RIGGS, Proprietor.—42.

APPRENTICE WANTED.—A smart intelligent lad wanted to learn the printing business. Apply at once at the STANDARD office.

POSTPONED.—The closing entertainment of the Listowel High School has been deferred, owing to the inability to have the prizes ready for distribution. Upon communicating with the Department of Education, it was ascertained that the Government would supplement the amount raised for prizes by a grant of an equal sum—about $200 in all. It was therefore thought advisable to postpone the entertainment until after the holidays. The entertainment and distribution of prizes will probably take place on Friday evening, 7th prox., the date of school re-opening.

Millinery, mantles and dressmaking in all the latest styles. Garments cut and fitted while parties are waiting, by Mrs. Leslie and Miss Reid, over Roy & McDonald's store.—41.

BENGOUGH.—Mr. Bengough, editor and cartoonist of *Grip*, was accorded a fair house on Friday evening last, on the occasion of his lecture on Caricature. The lecture was highly entertaining, and at the same time was instructive. In the course of his remarks the lecturer gave a racy account of the origin and development of the art of caricaturing. His sketches of some of our "local celebrities" were considered splendid hits. Perhaps his dilenation of our West Ward alderman might have been still more suggestive and *appropo* had he made the gas bag a more prominent feature in the picture. However, the "sketch" was a good one, as were also several others which were executed by the clever caricaturist.

TOWN COUNCIL.—A special meeting of Town Council was called by the Mayor on Wednesday evening, 22nd December. Present, the Mayor, Reeve, Deputy-Reeve, and Councillors Nichol, Dillabough, Heppler, Hay, Freeman, Martinson, Bradley, Hess and Binning. In response to a communication in that behalf, the Mayor and Clerk were authorized to sign the petition praying the Ontario Government to grant aid to that portion of the Stratford & Huron Railway north of Palmerston. On motion of Councillors Hacking and Freeman, the fire and public building Committee were instructed to devise the best method of lighting street lamps, and report at next meeting. The constable was instructed to have the coal oil lamps on the streets lit up as soon as possible, subject to instructions of Committee. W. Bradley moved, seconded by A. D. Freeman, that the account of J. C. Burt, amounting to $24, for furnishing suit of clothes to constable Bogues, be paid, said account having been recommended by the Finance Committee—carried. Dr. Dillabough moved, seconded by J. Heppler, that the request of a public meeting, that the town grant the sum of one hundred dollars, in aid of the Mechanics' Institute be laid over for further consideration—carried. The Listowel High School Board made application to the Council for a grant of six hundred and fifteen dollars to enable the Board to pay the teachers' salaries. A motion was passed appointing the town auditors to audit the audit the accounts of the H. School. Dr Dillabough moved, seconded by Dr. Nichol, that the application of the High School Board for six hundred and fifteen dollars, be received and the amount paid; and that the Mayor be instructed to issue his order for the same—carried on division: Yeas, Nichol, Dillabough, Heppler, Hay, T. E., Martinson, Bradley, Hess, Binning; nays, Hay W. G., Freeman, Hacking. Dr. Dillabough, moved, seconded by J. Binning, that the Mayor be instructed to accept and pay draft from Noah L. Piper & Son, being balance of about fifty dollars still due on lamp posts and lamps purchased from said firm—carried. Council adjourned.

TROWBRIDGE.

ORANGEISM.—At the regular meeting of L. O. L. No. 652, held in the lodge room at Trowbridge on Tuesday evening, December 12th, the following were elected officers for the current year: Bro. C. W. Cosens, W. M.; Bro. Thos. Laiter, D. M.; Bro. H. D. Sorel, Chaplain; Bro. Elijah Thomas, Secretary; Bro. John Haskett, Treasurer; Bro. Robert Oliver, 1st committee man; Bro. Isaac Delyea, 2nd com.; Bro. Aaron Lang, 3rd com.; Bro. Robert McCallum, 4th com.; Bro. Samuel Love, 5th com.

The annual social and Christmas tree entertainment in connection with the sabbath school of the Canada Methodist church of this place is announced to take place on Friday evening, 24th inst. The entertainment will consist of speeches, dialogues, recitations, music and singing. A good time is anticipated, to which all are invited.

At an influential meeting of ratepayers of division No. 1, held here on Monday evening, John Mann, Esq., was selected as the candidate for this division in the approaching municipal contest.

PALMERSTON.

Municipal matters are getting pretty lively just now in Palmerston. The following names are already mentioned as aspirants for municipal honors, and it is altogether likely that others will be brought out on nomination. For Mayor, Messrs. McDowell and McEwing. Reeve, Messrs. Thompson and Finnemore. Councillors: West Ward, Messrs. A. Campbell, M. Donelly and W. Leopard; North Ward, Messrs. G. S. Davidson, J. Brooks and A. Borthwick; East Ward, Messrs. Hyndman, Munson, Crittendon and McKindlay.

The weekly market held here every Saturday has been a grand success so far, with plenty of farmers bringing in their produce for sale, and any amount of purchasers buying up everything as soon as brought in. The market this week and next, will be held on Friday, owing to Christmas and New Years day falling on Saturday.

We received quite an addition to our town from Listowel last week. The Climie Bros. & Lynch have opened out a large stock of stoves and tinware in McEwing's block on Main street, and Mr. W. H. Hampton has opened an oyster saloon and confectionery shop on William street, in the shop lately occupied by. W. Fishleigh.

J. R. Hamilton Esq., town clerk, has moved into his new brick house in Jamieson's survey. This is the finest private residence in the town.

Business is very lively in town just now. Sleighing is good, and the streets are thronged with teams from morning till night.—COM.

MOLESWORTH.

Loyal Orange Lodge No. 369, met on their regular meeting night, Monday on or before the full moon, when the election of officers took place. The officers are as follows: Bros W Spence, W M; T Maggaffin, D M; G Spence, Treasurer; Isaac J Barnett, Secretary; S McKee, Chaplain; Committee, 1st A McKee, 2nd Hugh Tippi, 3rd Wm Holmes, 4th G Parks, 5th T McKee; Director of Ceremonies, Michael McKee. This lodge is in a prosperous condition; its membership roll is large, and propositions for more every regular meeting night, which shows the Irish Land League has no show in Molesworth.—COM.

Charles Mitchell has arrived home from Muskoka. He shot 14 deer, for which I understand he has been offered $90.

Municipal matters are quiet here. Jas. Wright is in the field again for Mayor; he will issue an address in a few days.

It is rumored here in "ministerial circles" that Geordie Brown will succeed the Honorable Sir Leonard Tilley as Finance Minister. This would be a great addition to the Tory Government, as Geordie is well versed in figures, and a strong Temperance man. When it rains it pours, as Pat says. Geordie has also got the mail contract between Molesworth and Listowel, for which he receives $209 per annum. This is certainly a low figure, as the boy's board at $6 per month, his wages at $8, and the horse's feed at 20 cts. per day would come to $241, leaving Geordie $32 minus, not counting horse and vehicle and other expenses. Truly mail carrying is a paying business here. In order that we may not be misunderstood, hear what he says in last week's issue of your contemporary. He says he has been appointed to carry Her Majesty's Royal mail for four years. Geordie has always been adverse to Royalty; but as he is now going to live on government pap, Royalty seems to fit nicely. He goes on to say that he is one of the staunchest Reformers in Ontario; and further on he says his appointment scores one for the Tory Government. If he did not pen the above himself, he is evidently "an accessory before the fact." Squire Lougheed, who has carried the mail for twelve years, is now retiring into private life, and perhaps may live the remainder of his days on the Island of Cyprus. Lougheed says he will challenge the Dominion to produce a horse that has done the same amount of travel as his gray mare has done; and if there is such, we will trot them next fall for one hundred dollars, best two in three, mile heats, on Listowel race course. The gray mare will have travelled on the last day of December, 1880, the extraordinary distance of one hundred and thirty nine thousand, eighteen and three quarter miles. This can be certified to under oath. Any person accepting this challenge will have to certify to the travel their horse has done under oath. The mare is as sound to-day as when she first started out. I understand there is a black blood horse that is said to be fast. I have fifty dollars to say that Lougheed's mare although heavy with foal, can beat him for a mile dash, square trot, and no running.—OBSERVER.
