WARTY CANCER

OF THE HAND
Removed without the knife by
DR. M'CULLY.
This cut represents Mrs. White, of 27 McCaul-street, Toronto. She was fooled with by the dear old regular orthodox physician; he in whom the people trust because the law places him out of their reach and, cynically gives him a license to slay by accident and continuous errors that are founded on fallacious theories and teachings abhorrent to common sense. This lady was a victim of one of these orthodoxes, and had it not been for Dr. McCully her hand would have been to-day a rotting cancerous mass. Common sense saved her life, as it has done hundreds of others we have treated. Reader, go and see her; she can tell her own story of the dear family and hospital doctor. Remember our field is chronic disease, catarrh of the nose, throat and lungs, catarrh of the stomach, dyspepsia, costiveness, the follies of youth and the mistakes of manhood. We cure and do not humbug. We cure cancer, here is a case. We cure varicocele, skin disease, also disease of the blood. Call on or address
DR. M'CULLY,
285 Jarvis-st., Toronto.
