Shamrocks III. of Toronto Junction Win the City Junior Lacrosse League Medals.

HOTEL PROPERTIES CHANGE HANDS

Weston Lacrosse Team Wins From the Young Torontos—Has-Beens Beaten by the Shamrocks.

Toronto Junction, Sept. 6.—The Shamrocks III. of Toronto Junction, winners of District No. 2 in the Junior City League, played the final game of the series at Rosedale Saturday against the Maitlands, who are winners of District No. 1. When time was up both teams had each scored three goals. Ten minutes more were played, and in this time the Shamrocks scored a goal, which gave them the championship. The winning team will be presented with medals.

The Weston lacrosse team played against the Young Torontos at the Island yesterday and won by a score of 5 to 4. Next Saturday the Intermediate Shamrocks of Toronto Junction play against Weston, which will decide the intermediate championship.

Men with horses and carts were this afternoon taking out sand in the northeast part of the Union Stock Yards property, which gave passersby the impression that the company were lowering their property to correspond with the contemplated grade on Keele-street. This work being done on the Sabbath, the police made a note of the fact. The work is said to be a work of necessity. The sand is required to assist in bedding the cattle pens. The arrivals on Sunday for Tuesday's market were 17 cars by the G. T. R. and 8 by the C. P. R.

Hotel properties in this vicinity are bringing good figures just now. A. J. Heydon has disposed of the Subway House to J. Harris of Lambton Mills for about $15,000. R. Hanna of St. Catharines has purchased the Lambton House, and Mr. Newnton of Norval is about to purchase the Senate House at Lambton.

The Has-Beens of Toronto Junction played against the Senior Shamrock lacrosse team yesterday, and proved that they had not yet forgotten the game by scoring 8 goals to the Shamrocks' 9.

East Toronto.

East Toronto, Sept. 6.—There were large congregations in the various churches tonight. In Emmanuel Presbyterian Church, Rev. T. H. Rogers preached to a large and appreciative congregation on "Formality in Worship," and, while everything should be done "decently and in order," the prayer of the publican, "Lord, have mercy upon me, a sinner," had more effect than the elaborate and formal prayers of the Pharisee. Rev. T. Ratcliffe preached in East Toronto Baptist Church this evening on "Conversion." He exchanged pulpits with Rev. J. F. Dingman of Kenilworth-avenue Baptist Church this morning. The new organ is giving good satisfaction and is presided over by Harold Ratcliffe, son of the pastor.

Evangelist Clauss preached in the Church of Christ to-night from Acts iii., 12: "Believing in repentance." The attendance was large.

Rev. T. H. Rogers announced to-night that the choir of Emmanuel Presbyterian Church would visit Zion Church, Wexford, next Sunday, and requested the former members of the choir to supply the place of absentees-to-be. As there are said to be over 20 ex-members of the choir in town, no doubt they will be able to do as requested.

On Saturday Constable Tidsberry charged Jack Royce and Patrick Brook with disorderly conduct at the corner of Beech-avenue and Queen-street. Magistrate Ormerod fined them $2 and costs each or 30 days in jail.

R. Benson, town-line, who drives a grey mare, turned the animal out to pasture on Friday, and found her on Saturday with a 22-calibre bullet in her thigh. It is supposed that the shooting was done by boys. Constable Tidsberry has the matter in hand.

Mrs. J. T. Cornell of Cleveland, Ohio, is visiting her father, S. Kennedy, Main-street.

Norway.

The Public School meeting for the election of a trustee to fill the vacancy caused by Mr. Walters' resignation was held on Saturday morning. There were three nominations, viz., J. W. Jackson, nominated by T. Prest, seconded by R. Waters; J. W. Miller, by Ira Bates and T. McGuire; J. Booth, by R. Weir and S. Willby. A poll was demanded, and all the candidates stood for the polling. The poll closed at 4 p.m., and the vote stood: Jackson 26, Miller 12, Booth 8. Mr. Jackson was declared elected. Dennis O'Connor was chairman of the meeting and George E. Over secretary.

The late Mrs. Spencer of Shaw-street, who was a sister of S. Wilson, secretary-treasurer of the Public School Board, was buried in Norway Cemetery Saturday afternoon. Rev. W. L. Baynes-Reed officiated.

Andrew Wilson, with his daughter, Miss Jennie, of Flesherton, is visiting Mr. S. Wilson.

Miss Agnes Veale of Boston, who has been visiting her aunt, Mrs. Walter Over, Woodbine-avenue, has returned to her home in the "Hub."

Richard Holman, Kingston-road, is ill with pneumonia.

Balmy Beach.

Rev. H. C. Dixon preached last night to a large congregation on the subject of "Giving," from the text, "Malachi iii., 8, "Will a man rob God?"

Rev. H. C. Dixon's limelight views next Thursday will illustrate "Home, Sweet Home, or Christie's Old Organ," and will consist of about 70 fine views, all taken from life. The following Thursday, by request, "Ben Hur," or "The Tale of the Christ," with 100 views. The request is made because all who wished to attend could not gain admittance to the pavilion.

Sunday, 20th inst., the Harvest Thanksgiving services will be held in the pavilion, both morning and evening.

At the morning service Rev. T. R. O'Meara will preach. The following Monday evening a Harvest Thanksgiving platform meeting will be held, and several well-known clergymen will give short addresses. Refreshments will be served gratis to the members of the congregation and their friends.

C. B. Watts, Birch-avenue, on whose grounds the Fresh Air Fund garden party was given recently, handed Rev. H. C. Dixon a cheque for $185, being the proceeds of the party.

Mrs. Robert Smith is spending a few days at "Shore Acres," Balsam-avenue, on a visit to her daughter, Mrs. F. Lyonde.

Albert Oakley has left his summer residence, Balsam-avenue, for the season.

H. T. Martin left for his home in Boston via New York.

Frank Barchard leaves for Montreal this week. Bruce Murray will not go with him this time.

H. F. Strickland ran from Balmy Beach yesterday morning to the lighthouse at the Eastern Gap and swum back as far as Coatsworth's Cut. He was not at all tired and could easily have swum back to the foot of Howard-avenue, where he started from, had the water not been so cold.

Oak Ridges.

Charles Rubbra, an ex-Torontonian, who is well known here, was married last Tuesday at Calgary, Alberta, to Miss Bessie Adelaide Legge of Oak Ridges. Mr. Rubbra was for several years connected with the Northwest Mounted Police, and met many old friends here on his return from South Africa, where he served with the Canadian Mounted Rifles for over a year, and was one of the defenders of Honigspruit, where the mounted Canadians upheld the reputation made by the Canadian infantry at Paardeberg. The bride went to the West from Oak Ridges, and she has recently been visiting friends in Toronto. She is a charming girl, and before going to the prairies was for quite a long time a school teacher in the Township of Vaughan. Mr. and Mrs. Rubbra will reside in Olds, Alberta.

Lansing.

A quiet wedding on Thursday, Sept. 3, at the home of Mr. and Mrs. William Botham, was the marriage of their eldest daughter, Minnie, to David Gray of Toronto. The ceremony was performed by the Rev. Mr. Turnbull of Denison-avenue Presbyterian Church. After the wedding repast the happy couple left for a trip to Lindsay, Pleasant Point and other places. They will afterwards reside in Toronto.

Will Extend the Road.

The arbitration in connection with the Aurora & Schomberg Electric Railway was practically concluded on Saturday before Judge Winchester. Capt. Armstrong of Lloydtown and other charter members claimed damages on account of the line having been diverted from the route fixed by the charter, whereby their village was sidetracked and the road built to Schomberg. The matter was up some months ago, and Henry Crew, C.E., and County Engineer McDougall were directed to ascertain whether it would be practicable to build a branch from the present terminus to a point between the villages named. They agreed that such a route would be practicable, and the claimants agreed to accept it. A final order in the matter will be made at a sitting to be held next Saturday.

Grace Church Beat St. Albans.

The Grace Church cricket team played a friendly game of cricket with St. Albans on the latter's grounds Saturday, and easily defeated them by a majority of 103 runs, the score being Grace Church 155, St. Albans 52. The feature of the game was the excellent batting of H. S. Collins for the winners, who made 65 runs by good hard hitting, three of his hits being very long drives over the roadway and club house. H. Garratt also played well, hitting freely for his 32, not out. G. B. Smith and W. Paris also hit beautifully for their 13 runs each. The bowling of Collins and Col. Galloway was exceedingly good, the former taking 5 wickets for 22 runs and the latter 5 wickets for 26. R. H. Cameron and W. Edmunds, for the Saints made 13 and 12 runs respectively, the only two to reach double figures for the losers. Following is the score:

Amateur Baseball on Saturday.

The Capitals defeated the North Torontos at O'Halloran's Grove, by 11 to 8. The feature of the game was the pitching of Lackey. Batteries—Buck and Lackey; Mills and McGann.

The Crescents 11, defeated the Nationals in a double-header, by the following scores:

First game—	R.
Nationals	0 1 0 2 0 1 1 0 0—5
Crescents	2 1 0 5 1 1 0 0 *—10
Second game—	R.
Nationals	0 1 0 2 0 1 1 0 0—5
Crescents	3 0 1 2 0 0 1 1 *—8

Batteries—Wilks and Murray; Judge and Finley.

The Central Y.M.C.A. nine went to Oakville on Saturday, and defeated the Stars by 15—13.

The Albanys defeated the Riverdales, on the Don Flats, by 8 to 1. Batteries—Meeney and Reebourn; Buner and McKartney.

The U No A. C. juvenile team captured the championship of the Juvenile League, eastern section, when they defeated the Alerts, in a fast and clean game at Island Park. The great pitching of Hawkins was the feature of the game, he having the Alerts at his mercy, allowing only three hits, while the U No's hit Wright hard. Great credit is due to the U No boys, who have only lost one game this year. Score by innings:

	R.	H.	E.
U No A. C. 1 0 4 1 0 1 0 0 *—	7	12	4
Alerts 0 0 0 0 1 1 0 0 3—	5	3	3

Batteries—Hawkins and Brandere; Wright and Lauder.

At Berlin—Waterloo County League. Score:

	R.	H.	E.
Preston 1 0 0 0 2 0 0 1—	5	11	7
Berlin 0 0 0 3 3 0 0 *—	6	5	5

Batteries—Preston, Heimbecker and Myers; Berlin, Martin and Wiggins.

In the final game of the Clarke League, at Newcastle, between Newtonville and Orono, the former won by a score of 27 to 9, Newtonville winning the pennant. Batteries—Jones and Ovens; Barrett and Barrett. Umpire—A. Bennett of Newcastle.

At Galt, the game between Galt and Ingersoll resulted in favor of Ingersoll, by 18 runs to 4.

At Bayside Park, the Marlboros of the Senior League and Gore Vales, winners of the western section of the Toronto Intermediate League, met in an exhibition game. The Marlboros proved themselves the better team by defeating their old-time rivals by 7 to 5. Both teams were in the Intermediate League at the beginning of the season, but the boys of the blue and white are now playing such a great article of ball they would be hard to defeat. In the absence of Manager Doogan Clarke, Mr. Sigley, president of the team, handled the boys in fine form, as results show. Moreton, who twirled for the winners, was in great form, keeping his hits well scattered, while the Little Dukes hit H. Surplis effectively, altho he pitched well for his team. Brockbank, at the initial bag, did some good work. The Marlboros will likely play North Toronto next Saturday.

An interesting event will be pulled off at Sunlight Park next Saturday afternoon, when the first of a series of games will be played between the champion Strathconas and the pick of the Royal Canadians, St. Clements and Wellesleys.

The Gore Vales will not go to Uxbridge to-day, as the Uxbridge nine are unable to play.

Fall Hats in the Men's Store.

The Autumn styles in headwear for men, as the leading hat men of London and New York have set them, may now be seen to full advantage in the Hat Department of the Men's Store. It is quite evident that shapes run this year towards the quieter and smaller styles. All the more difficult to select the Hat that suits your particular need and yet gives you a little touch of distinction. All the more important then that you come here to look for what you want, where all best blocks are represented, where it is perfectly understood that the Hat that suits one man won't necessarily fit another, though both take the one size. Here you may get the best blocks of London and New York at popular prices.

Bleached Table Cloths Half Price.

"Seconds" is a technical objection only when it comes to classing such Table Cloths as these. They each have some little so-called imperfection, (plainly marked by a colored thread in each case.) If you were looking for imperfections and were used to handling Linens you might see some of them, not all. You'd need a weaver's glass to detect the flaws in many of them. Sometimes it's only an unbleached thread showing up, a thing that one washing would cure. But they were all marked as "seconds" by professional "examiners" and so they come to us cheap. Of course that means a chance for you. Really it's a delightful chance for the first 300 ladies who come Tuesday.

300 All Pure Irish Linen, double and single satin damask Table Cloths, full grass bleached and assorted designs, with borders all around, in lengths from 2 to 3 yards, slightly imperfect in manufacture, and to be sold at nearly half their regular values, special for Tuesday at Linen Counter.

Hagerman.

Duncan McKay had a fine Jersey cow killed by a G.T.R. engine at the crossing on Friday. The cattle were crossing the track on the road, when they became frightened by the train and the Jersey ran up the track and was killed. Mr. McKay valued the cow at $50 and appears to have no redress from the company. This is another illustration for the need of proper cattle guards at all crossings.
