AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Swellings, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous habit, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it formed Kernels and distressed me at the stomach. Two years ago it broke out in my head and covered my scalp and ears with sores, where was painful and loathsome beyond description. I tried many medicines and physicians, but received much relief from any thing. In fact, the disease grew worse. At length I was induced to send to the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to the store and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a year, and used almost three bottles. New and healthy skin grew where the sores had been, which after a time fell off, leaving no trace, and I have by my testimony to the good it did me, every reason to believe that I feel what I am saying when I tell you that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert W. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Scaly Erysipelas by large doses of the same; says he knows the common Erysipelas by it constantly.

Constipation, Goitre or Swelled Neck.

Benjamin Stone of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a goitre or a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Canning, of New York City, writes: "I most cheerfully comply with the request of your agent in giving I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the lymphatic temperament. I have cured many inveterate cases of Leucorrhea by it, and none where the complaint was coupled by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Morrow, of Newbury, Ala., writes, "A dangerous cancerous tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remained."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you cases of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*, one of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather, that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla, in a few weeks. I know from the formula, which your agent gave me, that this Preparation, from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 4th July, 1859.

J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

John T. Gatchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My friend persuaded me to try your Sarsaparilla, because he told he knew you, and thing you made was worth trying. By the blessing of God it has cured me, and has purified my blood so as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Scirrhus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It strengthens the vital functions into vigorous action, and thus overcomes disorders which would be beyond its reach. Such a remedy has long been required by the necessities of the people and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Low are the communities in each hemisphere where there is not some prominent experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disease of the throat and lungs. As all know the dreadful fatality of these disorders, and so they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

A PRINTING OFFICE FOR $10!

The Press for the People! Every Man his own Printer!

LOWE'S PATENT

PORTABLE PRINTING PRESS.

A Silver Medal awarded to the Lowe Press Company, Boston, by the American Institute, 1857.

This wonderful invention was patented in 1857 by Mr. Lowe, since which time many valuable improvements have been effected upon it, so that it now stands without a rival in the world. It has been adopted by the Government Departments, and by the principal Newspapers, Merchants, Manufacturers, &c., &c., throughout the world, as the best, cheapest, and most durable Press in use. It is adapted to all kinds of Printing, and has been repeatedly awarded the Premium at Fairs. It does the work of order, and a boy of ten years can work the largest size with ease, and at a rate of 250 impressions an hour, which is about the average rate.

Persons living in country places where there are no printing offices near will find one of these presses a great benefit to them in saving profit on the printing of Circulars, Business and Visiting Cards, Bill Heads, Handbills, &c, &c.

Those who wish to learn a good trade, and at the same time be laying up money—those who wish to complete their education (for what is intelligence to the printer?)—merchants who wish to advertise their business and save their money from being thrown away—those who find time hang heavy upon their hands—printers who wish a fast, neat, and reliable job press—in fact, all who want to improve their condition, will find it invaluable.

Printed directions, giving all the particulars as to working the press, with information in regard to printing generally, setting types, &c., will accompany every Press; and a Circular, in pamphlet form, containing other information in regard to the press, will be sent on application to any address without charge.

All those who have our presses with the old-fashioned wooden roller can have them exchanged for those with metal cores, with the other improvements.

Our presses may be exchanged at any time during twelve months, and when articles sold by us, if not satisfactory, may be returned within 10 days.

All kinds of printing material furnished to order at manufacturers' prices. Electrotyping, Stereotyping, and Wood Engraving executed better than at any other place in the country.
