EXCITEMENT IN STELLARTON.

At a *Stellarton*, charivari the other evening an excited individual, who was bound to fire a private salute, in honor of the happy couple, thoughtlessly rammed a two dollar bill into the gun for wadding. AN EARLY SNUB.

About 10 o'clock last night, an infant was found, nicely and warmly wrapped up lying on the door step of the Glasgow House Gratton street, kept by Mr. Newman. The police were immediately notified, and they discovered that the mother was a widow named Grimes, living in Palmer's Lane, and to her abode the infant was sent. The woman was quite ill, having given birth to the child yesterday morning. The little one, when found, was quiet, and appeared to be hungry. The wrapping bore the address of a young man belonging to this city.—Charlottetown Patriot.

TOO AFFECTIONATE.

At Belmont, yesterday, a Miss Langill was seeing a gentleman friend off in the train, and in shaking hands with her, while he was standing on the steps of the moving train and she was on the station platform, he kept hold of her hand too long until she had lost her balance, and when she was about falling, he had to retain hold of her hand to save her from getting under the wheels. Her feet and legs were much torn and lacerated, the boots being torn from her feet, and altogether she had a very narrow escape.—Truro Sun.

THE SPANISH STUDENTS.

The Spanish Students gave another excellent performance last night to a large audience in the Mechanics Institute. The music selections rendered by the Students quintette were received with great applause. The humorous selections given by Prof. Ryerson kept the audience in roars of laughter; his soliloquy of a drunkard in the bar-room was an excellent imitation. His other characters in Dutch and French were received with rounds of applause. Senor Hernandez, the musical director, gave some very difficult performances on the "mandolin" which delighted his hearers. Madam Hernandez played a piano solo "Massa's in the cold, cold ground" most acceptably. The company appear again t night with the Wood-St. John Company, who will play between the acts.

SPIRIT OF THE TIMES.

The Fredericton Gleaner says:—Men will begin the work to-morrow of putting the new athletic club grounds, Scully's field, in condition for base ball, and it is expected that they will be ready for practice games next week. Arrangements have not been completed for the erection of the grand stand, fencing, etc.

PRESUMPSCOTS VS. BOWDOINS.

The Presumpscots defeated Bowdoin Wednesday in one of the prettiest games played on the delta this year. The Presumpscots are by all odds the strongest amateur nine in the state and the boys went into the field without much hope of doing anything with the heavy hitting Maine giants. Contrary to all expectations however, the game was close to the last. At the end of the sixth inning Bowdoin led by three runs which the Presumpscots reduced to two in the seventh and eight. In the ninth Bowdoin failed to score, and Presumpscot with one to tie and two to win came to the bat. It was here that Bowdoin failed. A bat error at short and a timely hit by Campbell gave the visitors the game with one run to spare.

Newman, the Bowdoin left fielder covered himself with glory. For the visitors Webb pitched a good game and was well supported. Galely, the Bowdoin twirler was hit hard but not safely. The Bowdoin outfield is almost perfect and anything in that direction is nearly as good as out.

Score by innings:

	1	2	3	4	5	6	7	8	9	
Presumpscots	0	0	0	3	0	0	0	2	3	—8
Bowdoins	0	0	1	0	1	4	0	0	0	—6

The Turf.

NOTES FROM THE FREDERICTON GLEANER.

As promising a young one as one would wish to see is the four-year-old Black Pilot mare, owned by Mr. J. D. Hanlon. This mare is worked on the track nearly every evening and shows more than ordinary speed. The local prophets predict a very fast mile before snow flies again if she is handled carefully.

Mr. John McCoy has the substance of a good one in the four-year-old bay mare recently purchased from Mr. W. T. Whitehead. This mare is by the famous All Right, shows an excellent way of going, has a grand disposition, and will, without doubt, make a fast mare under the careful tuition of Mr. Gentel.

Another speedy All Right is the two year-old filly owned by Sheriff Sterling. This filly is entered in the stake race to be trotted this fall.

Mr. C. H. Hatt has sold to Willard Carvill, the Fredericton steam laundry man, the gelding, Orphan Boy, by Robert R. Morris.

Mr. Hatt has purchased from Joe Keistard a brown pacing mare, six years old, that shows more than ordinary speed for one that has never been handled.

Mr. W. A. Gibson has bred his Morris mare to McCoy's Mack P. Mr. Gibson should get a good one from this crop if fancy breeding is worth anything. Mr. Gibson already has a handsome filly out of the above mare by Kearsage that Marysville horsemen think perfection.

Mr. Alex. Gibson, jr., is the owner of a yearling Kearsage out of his Morris mare that shows well in the lot.

ENGLISH TURF.

LONDON, May 16.—At the first day of the Doncaster spring meeting, the one mile race for the Doncaster spring handicap for a plate of 1,000 sovereigns, the second horse to receive fifty sovereigns and the third twenty-five sovereigns out of the plate, was won by Dazzle, with Regalis second and Helmesley third. There were twelve starters.

Pedestrianism.

The "25-mile go-as-you-please with eleven starters" dwindled down to an 18-mile race with seven starters, and took place at the Lansdowne rink last evening. The starters were Seymour, Foster, Daly, Craft, Vanwart, Morrison (colored), and O'Neil. Thirteen laps were allowed for a mile, and made a pretty short mile" at that. For the first hour the men trotted round—Daley dropping out at the six and a half distance,—and managed to record for themselves nearly nine miles. Vanwart after dropped out, completing 12½ miles. O'Neil who had become tired with the exertion in the early part of the evening, and on this account had retired, came on the track again about the fourteenth mile, and amused the spectators with his elephantine motion. Morrison was a feature of the evening, and managed, for all his fooling, to come well in with the leaders. The score at the end of the eighteenth mile was:

	Miles.	Laps.
Craft	18	11
Foster	17	11
Seymour	16	12
Morrison	14	6
Vanwart	12	6
Daley	7	6
O'Neil	4	3

The prizes were 50, 30 and 20 per cent. of the gate money.

A GOOD RACE.

At the Columbia Athletic club meeting on Saturday, the event of the day was the open half-mile run in which the crack athletics of the N. A. A. A and A. A. U. competed. W. C. Dohm, N. Y. A. C., who had ten yards handicap, refused to accept that start and went back to scratch with T. P. Conneff, the Manhattan champion. It was a rattling race, and Dohm won in two minutes even; M. Reynolds, N Ale A. A., 30 yards, second. The Amateur Athletic Union members who were present went wild with joy as Dohm crossed the line.

Brevities.

Four bears visited the sheepfold of Charles Lovitt, at Tyrone, Charlotte Co., on the 9th inst., and after killing one sheep were driven away.

Mr. W. J. Robinson of Moncton has subscribed $500 to the Y. M. C. A. building fund. The association purpose erecting a two or three story brick building with stone front. They expect several other subscriptions of the $500 order, which will place them in a position to purchase the necessary lot of land and prepare for the erection of a building next year.

[illegible] of Portland has been appointed a justice of the peace.

His Honor the Lieutenant Governor has been pleased to grant license to the Rev. Costello Weston, pastor in the Universalist church in the city of St. John, to solemnize marriage under 43rd Victoria, chapter 16.

During the last week the foreman of a prominent business house in Halifax has eloped with his employer's governess, leaving a wife behind, and a truckman has disappeared with a servant girl, his wife and five children being left disconsolate. And yet when the fog lifts, the sun will shine on Halifax just the same as on more reputable cities.

A short time ago Mr. Robert Babb observed two deer feeding in the field of Mr. John Hamilton, of Scotch Ridge, Charlotte Co. and another farmer, living not far away, while returning to his home one evening last week, came suddenly upon a huge black bear and her two cubs.

Salmon fly fishing on the St. Croix is commenced, and though but few have yet been taken with fly and rod it is thought by sportsmen that fair fishing will be enjoyed. The wiers along the salt water portion of the river are occasionally capturing some large fish.

Theatrical.

It is scarcely necessary to remind the readers of THE GAZETTE, and the public generally that the Wood-St. John Dramatic Company re-appear to-night at the Institute, with an immense bill, and one that cannot fail to please the anticipated full house.

The play is Dion Boucicault's interesting drama entitled "The Life of an Actress or Behind the Scenes," and to-night it will have its first presentation in this city. With such clever performers as Mr. Wood and Miss St. John in the cast it cannot but be a marked success.

As an additional attraction the Spanish Students will play some of their choicest mandolin selections between the acts, and they will also play in the third act.

The management are evidently sparing no pains to give the public an entertainment of rare excellence to-night, and there is no doubt the public will generously respond by filling every seat in the house.

The Court opened at ten o'clock this morning pursuant to adjournment, when it was expected the case of Hawes vs Dann et al would be tried. The defendants were represented by Mr. Tweedie who was ready for trial, but Mr. C. A. Stockton, plaintiff's attorney, found he required a material witness and on application and payment of costs, the case was allowed to stand over until Tuesday next.

Several cases were called but counsel were present in none of them.

The record was withdrawn in the case of Allingham vs Wilson, No 2 on the docket.

Nos. 3, 4, 5, 6, 9, 10, 12 of the old docket were made remanet, Mr. J. G. Forbes announced that the case of Frederick R. Fairweather vs. the Mechanics' Institute of St. John would be ready for trial in its order.

Of the new docket Nos 6, 7, 8, 9, 10 and 11 were made remanet, and on application by Mr. Forbes, Brown vs. Elder was placed at the foot of the docket.

His Honor, the Chief Justice, remarked that there was very little being done and that the delay was costing the country no trifling sum, and in consequence he would hold a shorter circuit than he had intended. He also ordered some of the counsel in cases on the new docket to be sent.
