LONDON PLAYERS.

Jack McConnell, London's change catcher, arrived this morning from Kansas City, having traveled all night.

Crow, Cooper, Mohler and Capt. Lohman put in a couple of hours on the diamond Saturday morning, getting used to the feel of the ball and limbering up their throwing arms.

THE HIGH-TONED REDS.

"We have a strictly temperate, gentlemanly team this year," said the energetic manager of the Reds. "Some are professional ball players, but the majority are young men, who, during the winter months will always be found following their business vocations. These fellows are salesmen, tradesmen and even there are lawyers or attorneys among the aggregation. I can safely say that there is no loose or rowdy element in the whole of the players corralled for Chatham. There is a rowdy element frequently seen on the ball grounds, but Chatham fortunately has none of these this year. No expense has been spared in finding players who would came up to these requirements. The Reds will uphold the Maple City this year in every way, because we have what the management believes to be the best and fastest team, besides the most gentlemanly, in the Canadian League this year—a team which the citizens of Chatham will be glad to encourage and help along. A fact not generally known is that ladies are admitted free to all league games, excepting on holidays. The fair sex always become enthusiastic, and we want them to attend all the games."—Chatham Banner.

THE RAMBLERS.

The Ramblers have organized their baseball club for the season, electing the following officers: President, Dr. Seaborn; vice-president, C. W. Smith; secretary, George Wilkey; treasurer, E. Young; manager, A. Brazier; captain, J. Carson.

GROUNDERS.

The F. and P. M. baseball club of Saginaw, Mich., wants to play the Saints on May 3 and 4. Dates will be arranged for May 5 and 6.

A. B. Royce, a first baseman with a splendid record, will hold down the initial bag for Chatham. Royce played with Bay City in the International League in 1898 until it collapsed, and then joined the ball-tossers at Youngstown, Ohio. Royce, in the Interstate League, stood first in fielding, and made enviable averages in hitting. A strong point is his base-running.

Stratford Herald: If there are no games here on the Queen's Birthday there will be "a large-sized kick." Stratford should have home games on May 24, as the last day of the races is July 1, thus precluding the possibility of a game on that day.

President Stroud reports the addition to his pitching staff of C. Van Giesen, the tall twirler who officiated last season with Saginaw and Chatham.

Frisk pitched six inings of a shut-out game for Detroit against Grand Rapids on Saturday. Two hits only were made off the ex-Canadian League twirler.

"Tip" O'Neil, "Silk" O'Loughlin, Herman Doescher and Tim Hurst have been appointed Eastern League umpires for 1899. All are well known to the sporting fraternity.

Washington Post: Bob Emslie, easily the king of umpires, was heartily greeted by the players of the Irwin and Shettsline teams when his familiar figure loomed up at playing time. His most valuable piece of baggage is a silver cup, the first prize won in a wing shoot tournament in Canada last year. Emslie is regarded as one of the best wing shots in America.

GROWLS FROM GUELPH.

It's rather early for the hammer, but you can hear it knocking gently in the folowing from the Guelph Herald:

The attitude of the larger cities in the Canadian League bodes anything but good for the enduring stability of that organization. After all the begging and praying to get Guelph and Stratford into the league, those cities were met at the door with the declaration that they would be allowed in on suffrance, so to speak—if there was any lapse in the league, one or other, or both of these cities would be forced out. When this childish proposal was abandoned, the magnates proceeded to make a schedule. It is not completed, but as far as it has gone Hamilton and London have got decidedly the best of it. Naturally the supporters of the Maple Leafs are indignant, and it would not take much more treatment of the kind that has so far been accorded this city to put it out of the league for good. President Davis will, no doubt, even matters up in the remaining portion of the schedule. The towns that lose the holidays are certainly entitled to a lion's share of the Saturdays.

It terminated in the 13th round, when Burke fouled Butler, who fell to the floor, writing in agony, and was counted out by the referee, who did not see the blow struck. Butler was best man.

DOCTORS' PRIVILEGES.

City Solicitor Wilson, of Chatham, says a bylaw to allow bicycling on the sidewalks cannot discriminate in favor of any particular class, but in England a decision has just been given that a doctor can ride on the sidewalk when going to see a patient, as an old law allows him to take the shortest cut.

Do You Want a New Back ?

Hundreds of People Daily Exchanging Their Old, Aching, Lame, Weak Backs for Strong, Painless, New Backs.

There is no man or woman in Canada who is suffering from those dreadful backaches but would like to get rid of them.

The trouble is, most people fail to recognize what the meaning of a bad back is—don't know that it is the kidneys underneath the back that are the seat of the trouble.

Once it is understood that the back pain is the kidney's cry for help, then people know what to do—go to their assistance with Doan's Kidney Pills.

All over Frontenac county, as well as in Kingston itself, people are having the pains and aches taken out of their backs—having weak backs strengthened. Doan's Kidney Pills is the remedy they use.

Doan's Kidney Pills is the only remedy powerful enough to touch the seat of the disease. That is the opinion of many respected Kingston citizens. That is the experience of Mrs. Presley, 190 King street.

For several years she suffered with her kidneys. The pain in her back was almost unbearable. She was afflicted at times with violent headaches, and felt worn out and tired most of the time.

The various remedies she tried gave no relief. One day she chanced to see an advertisement of Doan's Kidney Pills, and decided to try them.

"They gave me great relief from the very first," said she. "Before taking them I hadn't been able to do a day's work for a month. Now I am able to do my housework with ease."

"I have no more kidney or bladder trouble, and the backaches and headaches have disappeared."

Doan's Kidney Pills are the only never-failing remedy for backache, lame back, puffiness and dark circles under the eyes, weakness of the kidneys in children and old people, gravel, sediment in the urine, etc. Sold by all druggists, or sent by mail on receipt of price, 50c a box, or three for $1 25. THE PROBLEM SOLVED.

The New Medical Discovery Tested.

Results of the Test in Various Forms of Dyspepsia.

Chronic indigestion or dyspepsia, while a very common trouble, has for some time been looked upon by able physicians as a very serious thing, and that no time should be lost in treating it properly at the start, because recent researches have shown that the most serious, fatal and incurable diseases have their origin in dyspepsia or indigestion.

Diabetes is simply one form of indigestion, the sugar and starchy food not being assimilated by the digestive organs. In Bright's disease the albumen is not properly assimilated.

While consumption and dyspepsia are twin diseases, and it is beyond question that dyspepsia makes a fertile soil for the seeds of consumption.

But the trouble has been to find a remedy that could be depended upon to cure dyspepsia, as it is notoriously obstinate and difficult to cure.

This has been the question which has puzzled physicians and dyspeptics alike, until the question was solved three years ago by the appearance of the new dyspepsia cure in the medical world known as Stuart's Dyspepsia Tablets, which it was claimed was a certain reliable cure for every form of stomach trouble.

Physicians, however, would not accept such statements without first giving the new remedy many tests and carefully observing results.

For three years the remedy has been thoroughly tested in every section of the country and with surprising and satisfactory results.

Stuart's Dyspepsia Tablets can honestly be claimed to be a specific, a radical lasting cure for indigestion in the various forms of acid dyspepsia or sour stomach, gas or wind on the stomach, too much bile, undue fullness or depressure after eating and similar symptoms resulting from disordered indigestion. Stuart's Dyspepsia Tablets were not placed before the public until this three years' trial left no doubt as to their value, and they have recently been placed in the trade and can be found at all druggists at the nominal price of 50 cents a package.

No false claims are made for the remedy. It will not cure rheumatism, pneumonia, typhoid fever nor anything but just what it is claimed to cure, and that is every form of stomach trouble.

No dieting is necessary, good wholesome food and plenty of it and you may rest assured that Stuart's Dyspepsia Tablets will digest it.

Druggists claim for it that it is a pleasure to recommend it to dyspeptics, because it gives such universal satisfaction.

THERE is not a more dangerous class of disorders than those which affect the breathing organs. Nullify this danger with Dr. Thomas' Eclectric Oil—a pulmonic, of acknowledged efficacy. It cures soreness and lameness when applied externally, as well as swelled neck and crick in the back: and, as an inward specific, possesses most substantial results.
