GENERAL NOTES AND NEWS

"Women act where man thinks," says a writer. Yes, that's why man is bald.

Children troubled with Worms will find sure relief by using that pleasant and efficient remedy *McLean's Vegetable Worm Syrup.* Sold by all dealers. Price 25 cents.

Hon. Edward Blake at latest advices was in Italy, and was considerably improved in health.

Baird's French Ointment will cure the Itch in a few days, cures Salt Rheum, Chapped Hands, Scald Head, Obstinate Sores and Wounds.—Sold by dealers.

A writer in the Halifax *Critic* says that leprosy exists at several places on the Island of Cape Breton.

Do You Believe in Signs?

We do; for instance the signs of torpid liver are yellow eyes, sallow complexion, pain under right shoulder, irregular bowels, headaches, low spirits and weariness. All these signs may be removed by Burdock Blood Bitters which is a sure cure for all irregularities of the liver.

At a recent ball in New York there were 10,000 newly cut roses, besides a profusion of other flowers. Extravagance is increasing.

Look Out For It.

If you are troubled with a cold or cough, however light the attack, look out for it, do not allow it to settle on the lungs; break up the cough by loosening the tough phlegm with Hagyard's Pectoral Balsam.

Wm. O'Brien was released from Tullamore gaol yesterday.

A Boon and a Blessing.

A boon and a blessing to mankind is Hagyard's Yellow Oil, the great pain destroyer and healing remedy for external and internal use. Yellow Oil cures all aches and pains, rheumatism, lame back, sore throat, croup, deafness, cramps, contracted cords and lameness. Procure it of your druggist.

Father McFadden has been arrested at Armagh for taking the part of tenants against eviction.

Presence of Mind.

Presence of mind is good in case of accidents and emergencies, and when coupled with Hagyard's Yellow Oil will often save life. Yellow Oil cures all painful injuries, burns, scalds, bruises, frost bites, rheumatic and neuralgic pains—and is in fact a handy and reliable surgical aid.

Remarkable Restoration.

Matthew Sullivan, of Westover, Ont., was ill with dyspepsia for four years. Finding doctors did little good he tried Burdock Blood Bitters; six bottles cured him, and he gained in weight to 178 pounds. B. B. B. cures the worst known cases of chronic dyspepsia after all else fails.

Gov. Martin authorizes the statement that great distress prevails in the extreme southwestern part of Kansas owing to the failure of crops last year and the rigor of the winter.

Caution.

A source of much ill health is neglected Constipation. The utmost caution should be observed to keep the bowels regular. The best regulator of the bowels to promote their natural action is Burdock Blood Bitters. Try it if troubled with constipation.

Food For Consumptives.

Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most marvelous food and medicine. It heals the irritation of the throat and lungs, and gives flesh and strength quicker than any other remedy known. It is very palatable, having none of the disagreeable taste of the crude oil. Put up in 50c. and $1 size.

The *Empire's* Washington correspondent telegraphs that a satisfactory settlement of the fisheries question is not unlikely to be brought about, although it must be conceded that the American plenipotentiaries have not manifested any great disposition to yield any points that yet remain in dispute.

Loss and Gain.

"I was taken sick a year ago with bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides and I got so bad I Could not move!

I shrunk!

From 228 lbs. to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life."

Dublin, June 6, '81. B. FITZPATRICK.

HOW TO GET SICK.—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised and then you will want to know *how to get well*, which is answered in three words—Take Hop Bitters!

When Baby was sick, we gave her Castoria,
When she was a Child, she cried for Castoria,
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria.

Municipal Council.

Continued from last week's Edition.

MUNICIPAL COUNCIL ROOM,
Jan. 18, 1888.

Council was called to order at 10, and minutes of yesterday's proceedings were read and confirmed.

Coun. Adams presented petition of Joseph McKnight, praying for a return of amount paid by him, and for which he was over taxed. Referred to committee on petitions.

Coun. Morrison brought up the matter of exemption from taxation of Archibald Wright of Newcastle. He was exempted by resolution of this council last year from poll tax and tax on income, but the amount of $2.47 had been collected from him. He moved the following resolution, which was seconded by Coun. Watt:—

Whereas, The council in July last exempted Archibald Wright from poll tax and tax on income, amounting to $2.47.

Therefore resolved, That this sum be refunded to Mr. Wright and applied towards paying his taxes.

Carried.

Coun. Tozer, as last year's chairman of Com. on Petitions presented a petition of R. R. Call, which was presented last year. The resolution of last year left it to the committee to take such action as they might think fit after examination, such action only to have effect for one year, and the committee not having been able to meet Mr. Call, he having been engaged at the time they appointed to meet him, he moved that the matter be referred to the Com. on Petitions for the year.

Coun. Adams, as chairman of said committee, objected. The committee had a good deal of work to do, and he moved, in amendment, that a special committee of three be appointed to take up unfinished business in regard to petitions. Amendment carried.

Couns. Ryan, Watt, and Morrison were appointed as said committee.

Coun. Benford moved that council adjourn until 12 o'clock for committee work, carried.

Council resumed at 12.

Coun. Bamford asked if there was no business ready to come before the council, and thought the Parish accounts should be proceeded with.

Coun. Brassfield, chairman of that committee, thought it would be better for the member of committee of each parish to present such accounts, and made a motion to that effect, which was carried.

PARISH ACCOUNTS AND RETURNS.

Coun. Bamford then proceeded with the Parish accounts and returns for the parish of Blissfield, which passed, unless otherwise stated, as follows:—

Return of Samuel Betts, Commissioner of Roads.

Return of Robert Swim, highway commissioner. Auditor reports some vouchers not filed. Recommended that Surveyor James T. Lyons be required to furnish vouchers. Otherwise correct. Passed as recommended.

Return of John Duff, highway commissioner. Proper return not made. Ordered he be required to make a proper return at next July session.

Return of Michael Hannan, bye road commissioner.

Return of John McRae, bye road commissioner.

Return of David Fowler, highway commissioner. There was a balance due by Surveyor Holmes of 40 cents. Ordered to pay over that amount to his successor in office.

Return of R. D. Robinson, collector of rates. Auditor finds a charge of $11.58 which is incorrect, there being an overcharge of $5.80, which he has no right to. Ordered that he pay over this amount to his successor in office.

Coun. Tozer asked if the term of office of the County Valuators did not expire this year. The Secy-Tr. stated that their term of three years had expired.

On motion of Coun. Ryan, Council adjourned until 2 o'clock.

The Warden called the Council to order at 2 o'clock.

Coun. Sutherland presented the following Parish accounts and returns for Southesk which passed or were disposed of as stated:—
