A TURFMAN'S OPINION OF THE WINDSOR RACES.

Detroit News: "I am glad to see that legitimate running races will soon start in the city," said a well-known turfman this morning. "I do not call the game across the river legitimate racing. Horse racing is sport. There can be no sport when a thing is continued all the time. It becomes nauseating, just as a steady diet of pie would. The men who patronize Windsor do not go to see the sport. They go to bet their money. The animals are used merely as tools to encourage gambling. The class at that track was poor. There was not a single really good horse in the lot. There can be no sport in the highest sense of the word unless there is quality. Horse racing is a grand game when well conducted. It will work irreparable injury to the sport in this vicinity if such games are allowed to continue."

The same gentleman volunteered the information that the reason Windsor would open so soon was on account of the legislation against continuous racing that is sure to be enacted. They want to make the most of it while it lasts.

AQUATIC.

GAUDAUR DEFEATS ROGERS.

Orillia, Ont., May 25.—A large crowd saw the two boat races yesterday on Lake Couchiching. The event of the day was the two-mile race between J. G. Gaudaur, of Orillia, and Erastus Rogers, of Worcester, Mass., for the championship of America and $500 a side, together with a liberal purse presented by the citizens of Orillia, and the Fox challenge cup.

The men took the water at the same time, and both hugged the shore. Neither was rowing a very fast stroke, and until near the turning flags they were about even. Gaudaur turned his flag first, and was a length or two ahead of Rogers when the latter started on the home stretch. Rogers soon decreased his opponent's lead, and until about 200 years from the finish the race was even. At this point Jake forged ahead, and won with apparent ease by two boat lengths. Loud cheers greeted the champion as he passed the finishing flags.

LOST THEIR BOAT.

Ithaca, N. Y., May 25.—Yesterday was an interesting one in the Cornell navy circles. Casper Whitney was here to look over the crews. The three were out for practice. The first 'Varsity's shell struck a log which had floated in, and their boat was immediately ripped in two, filling so that the ocupants were forced to take to the water. Luckily the launch was not far away, and those on board came to the rescue. The boat was practically destroyed. The accident to the boat was a great blow to Courtney, as it was an excellent piece of craft. It cost $600.

Piles! Piles! Itching Piles.

SYMPTOMS—Moisture; intense itching and stinging, mostly at night; worse by scratching. If allowed to continue, tumors form, which often bleed and ulcerate, becoming very sore. Swayne's Ointment stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. All druggists, or by mail, 50 cents. Dr. Swayne & Son, Philadelphia. Lyman Sons & Co., Montreal.

"So you're broke," said the indulgent father to the son he had started in business, "but I'll put you on your feet once more." "On my feet? The first thing that I want is a '97 wheel."

FAGGED OUT.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength is gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.

Do You Use It?

It's the best thing for the hair under all circumstances. Just as no man by taking thought can add an inch to his stature, so no preparation can make hair. The utmost that can be done is to promote conditions favorable to growth. This is done by Ayer's Hair Vigor. It removes dandruff, cleanses the scalp, nourishes the soil in which the hair grows, and, just as a desert will blossom under rain, so bald heads grow hair, when the roots are nourished. But the roots must be there. If you wish your hair to retain its normal color, or if you wish to restore the lost tint of gray or faded hair use

Movement to Secure the Use of Broad Tires on Country Roads.

The Essex County Council will meet at Sandwich on June 8.

The South Essex Farmers' Institute will hold its annual meeting at Kingsville on June 1.

The Orangemen of Essex county will celebrate the Twelfth of July at Ridgetown this year.

Judge Horne will hold county court with a jury at Sandwich on June 8. The principal cases on the docket are those of ex-Mayor Mason, Peter McEwan and W. J. Brett, for removing the fittings of Mason's grocery store in the night time.

Rev. T. R. Davis on Sunday completed the fifteenth anniversary of his pastorate in St. George's Church, at Sarnia. For the advancement of the church and for home and foreign missions the congregation has during that period contributed $67,000.

Alfred E. Edmonds, brother of Mrs. A. Virtue and Miss Grace Edmonds, Woodstock, has been promoted to the position of local passenger agent of the C. P. R. at Detroit. A Detroit paper speaks highly of the appointment, and says that his colleagues are more than pleased at his success, for he is a good fellow all around.

The following changes in the Salvation Army officers in the western district have been announced: Adjutant McAmmond, from Windsor to the Desperadoes; Adjutant Dowell, Galt, to Windsor; Capt. Slote, Windsor, to Berlin; Capt. Coy, Bothwell, to Tilbury; Capt. Reddle, Tilbury, to Watford; Capt. Payton, Blenheim, to Leamington; Capt. Fell, Leamington, to Amherstburg; Lieut. Hancock, Amherstburg, to Tilbury; Lieut. Ogilvie, Leamington, to Amherstburg.

W. Hudson, of Preston, a commercial traveler, was in Ingersoll on Friday. He drove from Woodstock, and tied his horse in front of the Daly House. The wind blew a little paper bag in front of the horse, which took fright, and, getting free from the bridle, it dashed down King street at a wild pace to Thames street. The horse dashed up on the sidewalk and through the plate glass front of Robinson Bros.' grocery store, smashing several fine sets of chinaware, to the value of $75. The total damage to the buggy will be about $10. Two of the veranda supports were twisted out of place and the roof damaged. Several narrow escapes occurred. One lady who saw the horse coming while on the crossing sought refuge in the store and no sooner got inside than the horse crashed through the window.

St. Marys Argus: The move of the town council at their last meeting was in the right direction. They will put a bylaw in force that, after March 1, 1898, the tires on the wheels of all wagons, drays and other vehicles owned by residents of the town carrying loads of 2,000 pounds and up to 3,500 pounds, shall not be less than 3½ inches wide, and those carrying loads over 3,500 pounds, shall not be less than 4½ inches wide. If we are ever going to have better roads, the wagons carrying heavy loads must have wide tires. The above action is taken on the assumption that each municipality has the right to regulate this matter within its own bounds. Now, if some such action was taken by township councils, and fix some date after which the narrow road-cutting tires could be abolished by residents of their township, the question could easily be settled. No doubt some unprogressive chronic grumblers would make an ado about the great expense and so forth, but once get the bylaw on the books and it is not likely that it will ever be changed.

Why will you allow a cough to lacerate your throat or lungs and run the risk of filling a consumptive's grave, when, by the timely use of Bickle's Anti-Consumptive Syrup the pain can be allayed, and the danger avoided? This syrup is pleasant to the taste, and unsurpassed for relieving, healing, and curing all affections of the throat and lungs, coughs, colds, bronchitis, etc., etc.

INK, black, red, or blue, contains disease-breeding bacteria, micrococci, and saprophytes, according to German doctors, who have been examining school inks and have cultivated a bacillus found in it that proved fatal to mice in four days.

British Fruit Steamer Chased by Spanish Gunboats.

They Believed the Famous Filibuster, Capt. John D. Hart, Was Aboard the Steamer.

Philadelphia, May 25.—The British fruit steamer, Ethelred, just arrived, reports an exciting experience with Spanish gunboats. Capt. John D. Hart intended to go on the trip, but was arrested as he was about to go aboard. It is thought the Spaniards believed he was aboard, and attempted to capture him.

The first encounter with the Spanish cruisers occurred off Cape Maisi, on the trip down. Just after dusk on Sunday evening, May 16, a gunboat without any lights shot out from under the Maisi capes, and crowding on all steam steered directly for the fruit vessel. After steaming for an hour without gaining an inch, the gunboat turned a searchlight on the other vessel and steam was crowded on the Ethelred. A second later a solid shot cut the water a half a mile ahead of her bows. Then came a second and third shot, much nearer than the others. Capt. Israel kept on his course, and after another hour's hot chase the Spaniard dropped from the race.

The second chase happened last Thursday afternoon, in almost the exact spot in which the first attempt to hold the vessel up occurred. Just as the Ethelred rounded Cape Maisi a big Spanish gunboat of the newest type started out from under the cape and gave chase, every now and then firing solid shot at the fruiter. After two hours' fruitless chase, another steamship was sighted, and the gunboat sheered off and gave vigorous chase to the newly discovered steamer. The Ethelred flew the British flag.

ARTS OF POLITICIANS.

On one of the stumping tours of the late Gov. Albert G. Porter, of Indiana, he found a number of fine carriages at the station to carry him and the persons who were with him to the place of speaking. Off at one side was an old-fashioned "carryall," with ragged oilcloth curtains, wheels incrusted with mud, presenting a sadly dilapidated appearance. Mr. Porter looked beyond the carriages to this conveyance, and his clear blue eye lightened with pleasure as he recognized the driver, who was a well-known mossback Democrat. "Why, George," said Mr. Porter, extending his hand, "I'm glad you're here. Gentlemen," turning to the persons at the carriages who were awaiting him, "never mind me; I'm going to ride over with my old friend George." His "old friend George" had four grown sons, all Democrats, but every vote in the family was given to the handsome young man who could mix with the plain people, and who had ridden with "dad" to the place of meeting.

THE INVALID.

Languid People Who Lack Vitality and Force—A Gift of Modern Science Which Is a Blessing to Them—Read About It.

Our reporter recently visited Mr. James Johnston, 646 Maitland street, London, Ont., Mr. Johnston has been a resident in London for some 23 years, and his words carry great weight.

Says Mr. Johnston: "I had a severe attack of La Grippe four years ago. Since that time I have suffered greatly from pain in the back, sometimes so much so that I could hardly walk across the room. At night I suffered so much that my sleep was fitful and uncertain and gave me no rest. It was an effort for me to get out of bed in the morning. I had further pronounced and painful symptoms of kidney disease, and until I commenced taking Doan's Kidney Pills, which I got at W. T. Strong's drug store, almost despaired of a cure.

"It was a happy day for me when I got the pills, because they cured me, removed all my distressing kidney troubles, drove out the pain in my back, restored healthy, restful sleep, and have made me a strong, healthy man today.

"I can say that Doan's Kidney Pills are a quick-acting, sure cure for kidney and back troubles, and as such I recommend them to suffering humanity."
