I'M FROM MISSOURI

YOU GOT TO SHOW ME—

THERE is nothing much easier for us to do than to show you these wonderful tire bargains and convince you that never before have you had such an exceptional opportunity to save money. The quality of these tires is A1. Don't make the mistake so often made and think that because the articles are priced cheaply that they are inferior quality. They are not. The reason the price is right is because we buy in large quantities and are satisfied with a fair profit.
