ALSO, previous to Stock-taking in January next, they have decided to offer several odd lots in each Department, at REDUCED PRICES In the

Silk Department

They show a large lot of

NEW BLACK SILKS.

The manufacture of the most celebrated Lyons makers. The extra good value they can give in these goods is owing to the disturbed state of trade in America, which has prevented the shipment of large orders from Lyons, and the uncertainty existing in France consequent on the state of political parties, therefore the silk market has not very depressed, and the best makers are selling their goods at very low prices.

B., K. & CO. also have on hand a large lot of

Irish Poplins,

In length from 8 yards to 16 yards, suitable for Misses' and Young Ladies' Evening Dresses. In the same department will be found at low prices, a nice assortment of

The Mayoralty Contest—Candidates for the Commons Mitchell.

OTTAWA, Jan. 6.

Featherstone's election will be contested on various grounds.

Two Conservatives and one Grit contested the Mayoralty in Toronto. Metcalfe, Conservative, was elected. Smith, the *Globe's* candidate, was defeated.

Preparations for the contest are progressing. It is supposed that Metcalfe will oppose Wilkes in Toronto Centre. O'Donoghue, Fenian, is the Grit candidate in Toronto East. The Liberal Conservates meet in Toronto to-night for the nomination of candidates.

MONTREAL, Jan 6.

There is every prospect of a brisk fight here. Ryan will be re-elected for the Centre Division. He is opposed by Devlin. In the Western Division Sir A. T. Galt and Workman are spoken of as Opposition candidates. Jette will be opposed by Victor Hudon or some other strong candidate.

Hon. P. Mitchell arrived this morning *en route* for New Brunswick.

Lists of Electors.

Mr. George W. Day has a revised list of City Electors ready for delivery, and will have the County list ready the last of the week.

Great Bargains.

Messrs. Wills & Dobson offer a large stock of dress goods, black silks, rich Lyons velvets and other dry goods, at greatly reduced prices. A general clearing out at half price is promised.

Dinner to Hon. Fred. Douglass.

Mr. Douglass took dinner at the Victoria last night, with twenty of the clergymen, journalists and merchants of the city. Speeches were made, and general conversation indulged in. Mr. Douglass was delighted with the entertainment, and he other gentlemen enjoyed his wise sayings, interesting reminiscences and humorous remarks. It was a most enjoyable affair.

Sudden Death.

Mr. William Wilson, who resigned from the Police four years ago, took breakfast as usual, at Ten Mile Creek, yesterday morning, left for his work, and on his way fell dead on the road. He was employed in Parker's shipyard. Heart disease is supposed to have been the cause, as, before he left the force, he complained of some affection of that organ.

The Indecent Assault Case.

The evidence for the defence closed yesterday afternoon, and the case was again opened this morning. A long argument ensued as to certain evidence being admitted, and the evidence of the policeman who made the arrest was taken. Policeman Pidgeon was first called, and his evidence was taken to break the testimony of the sisters and mother of the prisoner.

Accident to James McMillan, Esq.

James McMillan, Esq., met with an accident in his store in Prince Wm. street this morning. He was descending into the cellar through a hatchway in the centre of the store, when the steps slipped, and he was thrown down on the composite floor of the cellar. His eye and face were considerably bruised and the shock was a severe one. Whether he has sustained any further injuries is not known as yet.

Bold Robbery.

Last evening some thieves, as yet unknown, entered the house of Mr. Richard Powers, stevedore, in Britain street, and stole from a trunk $172 in cash. Mr. Powers and his daughter, Mrs. Green, were attending a wake in Leinster street, and a younger daughter was attending his store in the same building. During the evening a young man entered the store and ascertained that Mr. Powers and Mrs. Green were out. A noise was heard in the adjoining passage a short time afterwards, which the daughter in the store did not think anything of, but which is now supposed to have been the robbers when they went up stairs. The money was taken from a trunk in one of the up-stairs rooms, and consisted of a number of $20 gold pieces. It was done quite early in the evening, and there is no definite clue to the perpetrators of the deed, though some strong suspicions exist.

Shipping Notes.

New Vessels.—A new bark named the Sunbeam, was launched from the yard of Mr. Joseph Rowan, Indiantown, yesterday. After taking ballast was towed down to the harbor where she will be rigged and fitted for sea. She registers 884 tons, measures 171 feet length of keel, 34 feet breadth of beam and 19 feet depth of hold; and is owned by Messrs. Mills & Jago of this city, Mayor Gregory of Fredericton, Mr. George Lynch of Digby, N. S., and others. She is a handsome craft and reflects great credit on the builder. She is to be commanded by Captain J. F. Whitney.

King's County Court.

The County Court for King's opened this morning, His Honor Judge Watters presiding. The Hanlon family, charged with stealing property from the house of W. I. Whiting, at Rothesay, will be tried during the week.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY — DR. WALKER'S CALIFORNIA — EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when your find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
