FREDERICK R. STARR, Esq., *General Agent for the B. N. A. Colonies.*

THIS INSTITUTION offers to the Assured very many advantages, at quite as low a rate of Premium as guarantees *safety* to the Office.

Policies will hereafter be issued—the Assured entitled, whether at the payment of his first Premium, or at *any future period*, to borrow, upon interest, to the extent of *one-half* of the Annual Payments made, without any responsibility or guarantee, personal or otherwise, nor will the Policy (the only security) be required to be lodged with the Society, as each Loan will be endorsed thereon.

Under this new system, the value of each Policy will at all times be known, and the great objection to Life Assurance entirely removed, as the Assured can at *any time present his Policy and demand of the Society an immediate payment of one-half of the annual Premiums paid thereon,* thus giving to each Policy a known actual cash value.

Existing Policies will continue upon the former system, or may be converted into one of the new form.

As the Policies received from London are signed in Montreal, under special Power of Attorney from three of the Court of Directors in London, to the Local Board in this City, there is no *Stamp Duty.*

Applicants are not charged for the Medical examination.

The Assured has the right of paying his Premium will in *Thirty Days* after it falls due, thereby preventing the forfeiture of his Policy, which would otherwise frequently occur.

The Society will, on satisfactory proof of the health of the party, receive the Premium within a year after its falling due.

By the establishment of the General Agency here, *Risks are Accepted, Loans Granted,* and *Losses Paid* by the Montreal Local Board, without referring to London.

THIS COMPANY, which has been established 30 years, commenced with a subscribed Capital of $3,000,000, and was the first, 20 years ago, to offer to the Public two Scales of Premium—the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Advantages offered to Insurers.

Very low Rates of Premiums on Young Lives.

The security of a large realised and invested Capital.

Large Bonuses on Policies effected on the high Scale.

Prompt settlement of Losses.

The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Age admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company fully set forth the merits of Life Insurance; and copies thereof may be had, *gratis,* on application to the Agent, who is also prepared to furnish every information that intending Insurers may require.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at *much lower rates of Premium than those of any other Assurance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their interest in their respective Policies.
