MONTREAL, Dec. 21.—Three thousand fans at the Montreal Forum witnessed the first game of the season in the National Hockey League here tonight by 3 to 1. Hamilton Tigers won the short end of the score and slightly on the short end of play.

Both teams used a good many substitutes and kept up the pace fairly well from the first whistle to the final bell. The game was clean, and Referee Marshall handed out few penalties. The defense in the first few minutes of the game, Bell was the shining star of the game, sharing with Couture the honor of passing Lockhart.

Lockhart played a pretty game in the Hamilton game, but not more so than he has for the Canadiens.

NO PENALTIES.

OTTAWA, Dec. 21.—(By Canadian Press.)—St. Patricks of Toronto upset the Ottawa Senators in their own backyard at the Arena rink after one of the fastest, most thrilling hockey games ever witnessed on local ice.

The game, although close, also established a unique record in that no penalty was issued in the entire sixty minutes of play.

Whether it was on account of the new league ruling that a penalized player must serve his sentence on the bench or whether it was because the two teams determined to play the puck rather than the man, no one can say.

The fact remains, however, that the Ottawa Senators were on the bench for the entire game, and the St. Patricks of Toronto were on the ice for the entire game.

The line-ups: Ottawa, St. Patricks.

Goal—Benedict. Defence—Gerard, Stuart, Wing—Boucher, Corbett, Denenney, Centre—Nighbor, Dye, Wing—Broadbent, Smylie, Sub—F. Boucher.

Play Golf and Stay Young!

LONDON, Dec. 21.—Play golf and don't grow old. That is the system. If you would believe Clarence Cooper, former deputy surgeon-general in the British army.

Cooper is the veteran golfer in Britain. That probably means he is the oldest man in the whole world. He began playing when golf was merely a name in the London papers, nothing more.

Gen. Cooper started his golf game 60 years ago, at the now famous golf course at St. Andrews. At 91 he is still faithful to the game.

He golfs twice a week at the Norwood Golf Club.

GEN. CYRENCIE COOPER.

With the club professional as his partner, his regular opponents are a woman of 60, and a mere youth of 75.

Cooper plays the 18 holes. He can follow the flight of the ball beyond 60 yards. He relies for knowledge of distance and direction upon the eyes of his young caddie. Cooper often plays a hole in bogey.

Next to golfing, walking is the best exercise, according to Cooper. As relaxation he likes billiards or bridge.

Back in 1852, when he started his career as a golfer, players made their own golf balls out of leather stuffed with feathers.

Now they are made of rubber.
