New Advertisements.

TO CONSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after suffering several years with a severe lung affection, and that dreadful disease, Consumption, is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the direction for preparing and using the same, which they will find a sure remedy for Consumption, Asthma, Bronchitis, Catarrh, Coughs and all throat and lung Affections. The only object the advertiser has in sending the Prescription which he considers to be valuable, is to benefit those who are suffering, and he will not close them lacking, and may prove blessing.

Parties wishing the prescription, page by return mail (postpaid), address

Rev. EDWARD A. WILSON,
Williamsburg, Kings Co., New York.

WHISKERS! WHISKERS!!

(Do before others unless prepaid.) w49

STRANGE, BUT TRUE.

Every young lady and gentleman in the United States can best employ very much to their advantage by renewing their church, by informing the sick, aged. Those having facts of being benefitted will oblige by not neglecting the good. All others will please refrain from reading this.

Address, T. P. CHAPMAN,
No. 3 Bond-st., New York.

Mothers Mother Mothers — Mothers

Mothers! Mothers! Mothers! Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of teething? Are your children teething? Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of teething? Are your children teething? Why not put a bottle of Mrs. Winslow's Soothing Syrup for children teething? It will relieve the little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who ever tried it once who will not say it is the best medicine for children. There is not a child that will not cry for it after once taking it. It cures dysentery and diarrhoea in children, whether it arises from teething or from any other cause
