Berlin Union Jacks Too Much for Londoners—Game Ends in a Tie, 3 to 3—Visitors Blame the Poor Ice.

[BY BERT PERRY.]

BERLIN, Feb. 17.—Western University Juniors made a gallant effort to stay in the O.H.A. running here at Berlin tonight, but the local Union Jacks' two-goal lead, was too much for them, the game tonight resulting in a tie, 3-3, Berlin winning the round by a margin of 2 goals.

Handicapped by the two-goal advantage which Berlin secured in London, the Collegians went out tonight with determination and spunk written all over them. Berlin got the jump on them in the first five minutes' of play by scoring two goals. Shortly after Western scored when Walden broke through the Berlin defence and beat Merner. A few minutes later Walden was laid out when he was struck in the face with a stick, a nasty gash which closed one eye being inflicted. He was forced to quit and Ott went off to even up. The teams finished with six men a side.

With Walden and Ott off, Western's speed and individual work was more effective, and the Londoners had the Union Jacks on the run at several stages.

Berlin Saved By Defence.

Berlin's great defence work was all that saved them. Berlin was only able to score once after securing the 2 goals in the first period, Shirk finally beating Reuter after the University goal minder had made some remarkable stops. They failed to score at all in the third period.

The game was fast and had the the crowd on edge throughout. Western always looked dangerous and in the third period played a far better game than their opponents.

The Collegians back up the opinion of London fans that on hard ice they would give the Union Jacks a real battle. Had the ice been hard in London, Berlin never would have won and Western would now be in the semi-finals.

Reuter, Phillips, Sinclair and Nelles starred for Western tonight, Phillips showing more speed and stick handling than any player on the ice.

Brodison was not as good as usual, and loafed a great deal. He only showed flashes of his real form. Reuter's work in the nets was great; he stopped many Berlin rushes right at the goal mouth. Bell was also effective, although he served too much time on the fence. Walden played a strong game while he was on.

Exciting Third Period.

The third period was the most exciting, Western scoring the only two goals of the session and making a great fight for the district. After seven minutes' of play, Bell scored on a long shot and five minutes later Tommy Brodison notched one while Western was playing five men to six.

For Berlin Karges, Erb, White and Merner starred, while Shirk worked hard also. Merner played a strong game in the nets. Karges was not near as effective as in London, and all his rushes were broken up.

Referee Harvey Sproule, of Toronto, officiated and was good. The game was clean, the penalties being for accidental tripping mostly.

Hundred London Rooters.

London brought about a hundred rooters.

The teams were:

Merner	Goal	Reuter
Erb	Right defence	Bell
Karges	Left defence	Sinclair
White	Rover	Nelles

NEW HAVEN TO ALLOW DECISIONS IN BOXING

NEW HAVEN, Conn., Feb. 17.—Decisions at boxing bouts in this city will be permitted in the future under a ruling announced by Chief of Police Philip T. Smith today, the chief, however, reserving the right to refuse such permission in the case of any match should he so desire. Each match, said the chief of police, will be passed upon separately.

SPORTING EDITORS NOT KEEN FOR ITEM

Newspapers ain't as keen for live sporting stories as they used to be," said a dejected-looking young man who hung around the portals of the office of a widely circulated publication.

"What makes you think so?" inquired an acquaintance who loitered near.

"I don't think so, I know it. I went into the office of the sporting editor upstairs a few minutes ago and said: 'Well, mister, I've walked a mile, run a mile, rowed a mile, swum a mile and cycled a mile, and I've just finished the whole thing in one hour and six minutes,' and what do you suppose he said to that?"

"I dunno; what?"

"He said, 'Sit down you must be tired.'"

NEW YORK TEAM AFTER AMATEUR HOCKEY TROPHY

MONTREAL, Feb. 17.—Negotiations are being entered into by Mr. Cornelius Fellowes, of New York, to bring an amateur hockey team to Canada to compete for an international trophy. The American team could play off, it is suggested, with the champions of the Montreal and Ottawa city leagues. Mr. Fellowes promises to provide medals for the winning team.

No Trouble to Make Jimmy Clabby Laugh That Time

Jimmy Clabby put one over on Herrman Schaefer, the comedian of baseball, just before the Gibbons fight. Clabby had an engagement with the dentist, and he requested Schaef to accompany him and remain with him through the ordeal.

Schaefer thought to lighten Clabby's pain by turning on the comedy, and after the dentist had commenced to use his intrenching tools Schaef told a funny story. Clabby laughed gleefully and, much encouraged, Schaef laid out his best line of comedy. His every joke brought laughter, and the German comedian postured, performed antics, related comic incidents and worked himself into a lather. Finally Clabby sat up, looked at Schaef wonderingly and remarked:

"Did you say something, Schaef?"

He had been under the influence of laughing gas all the time.

SPEED GIVES ELMIRA VICTORY OVER INGERSOLL

[Special to The Advertiser.]

INGERSOLL, Feb. 17.—Rallying in the second half with a splendid burst of speed, Elmira won tonight's senior Northern League game by a score of 7 to 3. The homesters were minus Henderson, the speedy rover, owing to illness, and their firing line was demoralized as a result. Petrie was switched from the wing for this position, while Radford took Petrie's place. The teamwork of previous games was absent, and the locals were also at a disadvantage in the matter of weight. Elmira, however, has a strong team. The half-time score was 1 to 1. The locals did not evince the interest that marked the O. H. A. games.

The line-up:

Ingersoll.		Elmira.
Wilson	Goal	Heimbecker
Moulton	Defence	Weichel
Firth	Defence	Otto
Petrie	Rover	Ruppel

SHEPPARD SIGNS CONTRACT AS PROFESSIONAL COACH

NEW YORK, Feb. 17. — Melvin W. Sheppard, once the world's greatest middle-distance runner, holder of many world's records, and Olympic championships, set all doubts at rest about his permanent retirement from competition in amateur track athletics, by signing a contract today as a professional coach for the Millrose Athletic Association.

CHATHAM BALL LEAGUE MAY TRIM TO 4 TEAMS

Baseball Fever on—Ottawa Likely to Train Elsewhere.

CHATHAM, Feb. 17.—The ball fever has Chatham in its grip. One city league aggregation is known to have commenced signing up its players of last season. It is possible that the league will be cut down to four teams this season, so as to insure a better and faster brand of ball.

If the spring training trip visit to Chatham this year of the Ottawa Canadian League champs hinges solely on the question of whether or not the local diamond shall be skinned, local sport enthusiasts are probably due for some disappointment. It is quite certain that the removal of the grass from the infield on Tecumseh Park would not be tolerated. This means that the Senators will have to seek other training quarters. Shaughnessy and his outfit like the Sanita baths, but complain of the playing field.

WORRY THROUGH IN SOME FASHION

Shamrocks and Wanderers Manage to Finish.

LATTER WINS GAME

End With Score of Ten to Seven After Dull Session.

MONTREAL, Feb. 17.—In a game that lacked interest, and dragged tediously at times, the Wanderers ground out a 10 to 7 victory over Shamrocks at the Arena tonight. The winners played far below their standard, and the forwards tossed away many chances to score through missing passes in front of open nets.

Although it was rumored around town since Monday that Sprague Cleghorn would be the only one of the regulars of the Wanderers' squad to start out, there was only one change in the team. Ulrich was sent in for Hyland, which weakened the chances of the team, as he never at any stage of his play warranted the change. Roberts was reported on the ailing list, and Odie Cleghorn took his place on the line. The teams:

Wanderers.		Shamrocks.
McCarthy	Goal	Leseuer
S. Cleghorn	Defence	G. McNamara
Prodgers	Defence	H. McNamara

CANADIENS BEATEN IN A SLOW GAME

QUEBEC, Feb. 17.—By a score of 6 to 2, Quebec tonight defeated Canadiens. Both goalkeepers had plenty to do, and both did it well. Quebec, however, played the better combination, and most of their goals were the result of unselfish plays.

The game, though it lagged at times, brought out a lot of good hockey. The line-up:

Quebec.		Canadiens.
Moran	Goal	Vezina
Mummery	Point	Dubeau

RUBE MARQUARD LIKELY TO APPEAR IN GIANTS' CAMP

May Be Result of Conference With National League Officials.

NEW YORK, Feb. 17.—Richard (Rube) Marquard, who jumped from the New York Nationals to the Brooklyn Federals during the middle of the winter, had a lengthy conference today at the New York National League office with President A. N. Hempstead and Secretary John B. Foster.

Secretary Foster refused to make any positive statement as to the outcome of the interview.

"We cannot very well discuss Marquard's status without half admitting that he at one time ceased to be under contract with us," said Foster. "I will say, however, that we have good reason to expect Marquard to report to the Giants' training camp at Marlin Springs next month."

Secretary-Treasurer Huston, of the local American League team intimated this afternoon that if there was any salary difference between J. Franklin Baker and the Philadelphia Athletics, he would be glad to make Connie Mack a fine offer for his star third baseman.

Woodstock juniors won from London juniors in an O. B. A. game in the Y. M. C. A. last night. The visitors made a strong finish, and carried off the game by the score of 31 to 22. London was outplayed in the last period after leading at half time by the score of 12 to 8. In the first half, the locals showed up well, and appeared to have their opponents shaded in every department. Woodstock had apparently been saving something for the second half, however, as they came back strong, and easily overcame the lead. James, Pelton and Bell starred for London, while Coles, Sedge and Douglas played a strong game for the visitors.

FINE SLUGGING MATCH WAS THIS GAME AT TORONTO

Everybody Took a Hand at Pummeling and Ottawa Came Out on Top, Three to One.

TORONTO, Feb. 17.—A few more disgraceful incidents such as those which took place in the National Hockey Association game tonight at the Arena between Ottawa and Toronto and professional hockey will have a short life in Toronto. Ottawa won the game, 3 to 1.

The trouble came in the third period. McGiffin was looking for trouble and got it. He had several tiffs with Art Ross, in which the honors were about even, but the climax came when both players dropped their sticks and used their fists instead. Ross gave McGiffin a bad lacing, although the gloves saved him from any real damage. The majority of the players joined in, but the officials managed to quell the disturbance without any further trouble. This fracas, however, only paved the way for more. During an attack on goal Wilson went in on the Ottawa net and charged Benedict. The result was another fist fight, in which everyone took a hand. Both players were sent off for the balance of the game. What with these penalties and several others previously, the teams were forced to play five men a side on account of Toronto not having sufficient players. Both defences were strong, and the result was most of the shots were from outside the defence.

After the game was concluded McGiffin and Ross were placed under arrest charged with disorderly conduct. They were liberated on $100 bail each, to appear in police court tomorrow.

Once Baited Umpires Now He Is One of Them

Introducing Mr. Dominick Mullaney, the Undaunted Terror of the South, who, as a first baseman, barked at and bit more umpires than Jawn McGraw ever saw, and who now comes out as the newest umpire on the American League staff. "Big Dom" is one of the best fellows in the world, and since retiring as a player has had considerable experience as an umpire. His work in exhibition games between the Athletics, St. Louis Browns, Chicago Cubs and other big league teams at Jacksonville, Fla., attracted the attention of the American League to him and he was employed.

McGIFFIN AND ROSS WERE FINED IN COURT

Fight In N. H. A. Game Last Night Winds Up With Fine Before Toronto Magistrate.

Toronto, Feb. 18.—Roy McGiffen, familiarly known as "Minnie," and Art Ross were arrested last night as the result of a mix-up at the hockey game. They appeared before Magistrate Ellis this morning on a charge of disorderly conduct. T. C. Robinette appeared in their behalf and entered an apologetic plea of "guilty."

Inspector Geddes explained to the court that it was a clean game till the two defendants pulled off their gloves and went at it with their fists.

"Don't the crowd want hot stuff?" suggested Mr. Robinette.

Inspector Geddes pointed out that the referee made no attempt to stop the row. The magistrate said: "If I could fine the referee I would; that's what hurts clean sport. We can't allow this to pass. It will be $1 and costs, or 15 days."

The monetary penalty was promptly paid, McGiffen and Ross flipping a coin to see who would settle the $8. McGiffen lost.

Fans See An Exciting Game of Hockey.

TWO MEN ARE RETIRED

Record Crowd in Attendance At Interesting Exhibition.

[Special to The Advertiser.]

It was won, lost and tied for Seaforth all in the second half. They led by 6 to 2 at half time. Sarnia opened the second half with a score in three minutes, but Seaforth came back with three in a row making them one up on the round, and it looked good to the fans as the home team were going good, but Sarnia came with two more, making it one up in the round after some nice play, and in a few minutes repeated, making two up.

Seaforth would not be denied and with 45 seconds to go scored twice, tieing it up again, just as full time was called.

JOHNSON WOULD RETURN IF WAY WERE CLEAR

CHICAGO, Feb. 17.—United States officials here today received information from an emissary of Jack Johnson, world's champion heavyweight pugilist, that Johnson wanted to return to the United States.

Johnson, who left America while under sentence for violation of the Mann Act, desired to know the attitude of the Government, regarding his return. Johnson could be tried on two pending charges, or re-sentenced under the former conviction, it was said, but officials refused to reveal their course of action.

VANCOUVER MAYOR DISQUALIFIED.

VANCOUVER, Feb. 17.—Mayor Taylor was this morning declared disqualified, and a new election for mayor was ordered, but no date was fixed. Mr. Justice Clement agreed with the contention in the petition that Mayor Taylor's property qualification was faulty.

SELECT MEDICINE CAREFULLY

Purgatives are dangerous. They gripe, cause burning pains and make the constipated condition worse. Physicians say the most ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut; they are exceedingly mild, composed only of health-giving vegetable extracts. Dr. Hamilton's Pills restore activity to the bowels, strengthen the stomach, and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c box yourself.

THE EASIEST WAY TO END DANDRUFF

Stop Falling Hair and Itching Scalp.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and you hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail. D3,F18
