

ASQUITH DENIES ANY ALLIANCE

Describes Idea of Joining With Conservatives As Wholly Fantastic.

LONDON, Nov. 6.—Premier Bonar Law today announced the appointment of the remaining minor officials of his government. He has decided that his cabinet, including himself, shall consist of sixteen members. This will be the smallest cabinet of recent years, except the war cabinet, which was a kind of inner cabinet.

The cabinet includes the minister of labor, which is a plain intimation that there is no intention to abolish the labor ministry.

Herbert H. Asquith, in a speech in London tonight, took occasion to deny rumors of a possible new alliance between the Asquithian Liberals and the Conservatives in the event the Conservatives fail to secure enough seats to command a majority in the new parliament. He described the idea of such an alliance as wholly fantastic.

BONAR LAW CONFIDENT.
LONDON, Nov. 6.—(By Canadian Press Cable).—Nomination day has by no means finally sorted out the election color scheme. Lloyd Georgeian headquarters claim many candidates who, however, down in their constituencies, at any rate, have announced themselves as Liberals, pure and simple, without the prefix "National."

FINISH HIGHWAY TO ST. THOMAS

New Cement Road Will Be Open To Motorists in Week.

Special to The Advertiser.

ST. THOMAS, Nov. 6.—The cement highway between London and St. Thomas was completed Monday noon, and will be ready for traffic in about a week's time.

The final piece of cement has been laid, and as soon as it dries motorists will have a highway comparable with that between Toronto and Hamilton. The pavement has been used to a considerable extent this summer, although the long detours have made its use difficult.

The work has been reported very satisfactory and has been laid very rapidly.

Grading of roads west of the city have also been completed for the year. Contractor F. D. Milligan reports that his contract of 18 miles is now finished, while the four miles undertaken by Contractor Sills is also ready for traffic.

Great satisfaction is expressed locally at the excellent improvements in roads in this part of the country.

SMUTS ATTACKS UNION OF SOUTH AFRICAN PARTIES

JOHANNESBURG, South Africa, Nov. 6.—(Canadian Press Cable via Reuters.)—Referring in a speech at Potchefstroom to the movement for a working agreement between the Nationalists and the Laborites, Premier General Smuts of the South African Union, asked whether it was not "a pure swindle" that two parties were giving up their "high and holy principles merely because they hoped to get control of government."

Premier Smuts foresaw dark days for South Africa under a Nationalist-Labor combination, and declared the country would be put back hundreds of years and would never again regain the ground lost.

ALLIED CURRENCY HITS NEW LOW RECORDS AT N.Y.

NEW YORK, Nov. 6.—French francs and German marks today slumped to new low records for the year, while demand sterling dropped 1½c, presumably in reflection of the more threatening developments in the Near East.

Franc checks were quoted at the rate of 6.69c each, as compared with their previous low of 6.81½, while German marks sold at 1½ cents a hundred, or more than 6,000 to the dollar. The normal or pre-war price of francs was 19.3 cents each, and the mark 23.8 cents each.

Demand sterling was quoted at \$4.45½, as compared with the year's high of \$4.51½ in June, and the year's low of \$4.17 in January.

"Yes, Mrs. Brown, we sell Graded Eggs now."

"YOU understand that if eggs can be graded for export, we can grade them for home consumption, and you will now be sure of the quality you are getting. We used to depend entirely on getting our eggs fresh from the country. But 'fresh from the country' doesn't mean 'fresh' in the way the consumer means 'fresh.' The meaning to the consumer is eggs of high quality. And we could never be sure that our country eggs were uniform as to quality. We just sold them as we got them—'fresh from the country,' 'new laid,' etc., and passed on the risk to our customers."

"Yes, and many a time I made up my mind I'd never buy eggs in your store again. Why, sometimes, two and three out of a dozen would be positively unfit for use—others

were weak and watery and weren't worth the price."

"Yes, but we tried to do the best we could under the old system of marketing eggs. The new system will be much more satisfactory. Eggs will soon all be sold by grade. They will be graded according to the Canadian standard grades, the same as eggs for export or inter-provincial shipment. We will buy them according to grade and sell them according to grade. The very freshest, largest, nicest eggs will be graded 'specials.' The next grade will be called 'extras.' Then will come 'firsts,' and last 'seconds.'"

"Well, it will be satisfactory to know what one is getting. I think the grading of all eggs will be a big, long step in the right direction. And I for one will use more eggs."

Ask your grocer for graded eggs, and be sure that they come out of a container marked "specials," "extras," "firsts" or "seconds."

Young Girls Need Care

FROM the age of twelve a girl needs all the care the thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time.

If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter make life easier for her.

Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions. It can be taken in safety by any woman, young or old.

Cobourg, Ontario.—"Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound, and attends school regularly. She is gaining steadily and I have no hesitancy in recommending Lydia E. Pinkham's Vegetable Compound to others, as it has done so much for my daughter."—Mrs. JOHN TOMS, Ball St., Cobourg, Ont.

Hamilton, Ontario.—"When my daughter was thirteen months she was fifteen, she suffered every month so that she could hardly move around the house, and when she would have the pains in school she would have to be carried home. She also had headache, dizzy and faint spells, and soreness in her back. I saw your advertisement in the 'Hamilton Spectator' and got Lydia E. Pinkham's Vegetable Compound for her. She does not have the least bit of trouble now, and we recommend your medicine. She works in a candy-shop now and seems well and strong."—Mrs. I. P. CLAUSS, 83 Oxford St., Hamilton, Ontario.
