ADD 2,000,000 BUSHELS TO GRAIN IN STORAGE

Special to The Advertiser Fort William, March 25.—Nearly two million bushels of all grains were added to the stock in store at week just closed, bringing the total a half-imllion bushels of this wheat, almost four million oats, three million barley, two and a half million rye, and only three hundred thousand flax. Shipments of all grains continue light, while receipts have in-creased somewhat over those of last week. Elevator capacity is not strained, there being room for twelve or fourteen million bushels yet be-fore the actual storage will be filled. According to the average of past years, navigation should be opened in not more than five weeks.
