Lazarus, Morris & Co.

Opticians and Oculists,
MONTREAL,
HAVE WITH A VIEW TO MEET THE INCREASED demand for the celebrated Perfected Spectacles, appointed F. JORDON, chemist and Druggist, Goderich, Ont as their Sole Agent for this place. They have taken care to give all needful instructions, and have confidence in the ability of their Agents to the requirements of all customers. An opportunity will be thus afforded to procure, at all times, Spectacles unequaled by any for their strengthening and preserving qualities.
Too much cannot be said as to their superiority over the ordinary glasses worn. There is no glimmering, wavering of the sight dizziness, or other unpleasant sensation, but, on the contrary, from the peculiar construction of the Lenses, they are soothing and pleasant, causing a feeling of relief to the wearer, and producing a clear and distinct vision, as in the natural healthy sight. They are the only Spectacles that
PRESERVE AS WELL AS ASSIST THE SIGHT.
they are the cheapest because the best, always lasting many years without change being necessary.
☞ We employ no Pedlars.
