THE SOCCER WAR.

WINNIPEG, March 10.—The football war will break in Winnipeg this week, when the annual meeting of the Winnipeg and District will be held.

A number of the football men had a conference with officials of the Amateur Union, but arrived at no policy, in respect to soccer matters.

The football men take exception to the statement made by President Boyd of the Amateur Union, while at the amateur meeting in Toronto, where he said that the west did not want to play against the English pro. teams. "This is what we want," is what the football men say.

BROCKS SECURE CHAMPIONSHIP

Defeated Massey-Harris in Mercantile League Finals—A Semi-Serious Game.

W. R. Brocks defeated Massey-Harris, last year's champions, in the final game of the Mercantile League, by the score of 3 to 2 last night at the Arena and gathered unto themselves the championship honors for 1913-14. The winners will be the proud possessors of the Aikenhead Cup for one year. The game was a real battle, in which both teams were so earnest that their efforts at times were ludicrous. Every one of the large crowd of supporters who kept the place in a continual uproar with their cheers, had more laughs in a minute than if they had been looking at some artificial fun-maker. Shinny in the good old fashion way was the rule and the maxim was slug and hit the puck and if you can't hit the puck, slug any way. Even at that some nice work was exhibited, in which Burton for the winners was the star. He worked hard and his skating was very good. McLaren on the wing was very strong in the second half, and Bert Darlington, the ex-Argonaut manager, performed brilliantly in goal. Sanderson for Massey-Harris was the most consistent player and he forced the play all the time. Shields was watched too closely to be very effective and Beemer kept him cornered nearly all the time. Joe Stevenson was very strong at point, but spent a considerable portion of his time on the fence.

Mr. Aikenhead, the donor of the cup, faced the puck off. Both teams went to work with a will and it took six minutes before Burton scored the first, when he took Curzon's pass from behind and beat Doyle. Massey-Harris responded and ripped in on Darlington time after time, but he was there all the time, clearing nicely. Sanderson in 21 minutes evened things up by a nice push. Burton, however, secured the lead for the red and black when he intercepted a pass and bored right in for another tally. Half time was called with Massey-Harris working hard. Score, Brocks 2, Massey-Harris 1.

In the second half Massey-Harris forced things from the start and Whitaker tied it up again when he bulged the net from a mix-up in a minute and a half. Then a glorious struggle began with both teams giving and taking with a will. Gradually Brocks began to wear down their opponents and Burton circled the net and passed to McLaren, who beat Doyle in 20 minutes. The uproar was awful and a ding-dong battle was the result all the way, but the red and white were unable to overcome the lead. Final score, Brocks 3, Massey-Harris 2.

The teams:

Massey-Harris (2): Goal, Doyle; point, Stevenson; cover, McLean; rover, Shields; centre, Whitaker; right, Keenan; left, Sanderson.

W. R. Brocks (3): Goal, Darlington; point, Beal; cover, Sisley; rover, Beemer; centre, Burton; right, McLaren; left, Curzon.

Referee, Lou Marsh.

WILLIE RICHIE AGREES TO MEET McFARLAND

CHICAGO, March 10.—Willie Richie, lightweight champion, announced today that he will give Packey McFarland the first chance at the title, provided he will agree to weigh in at 133 pounds six hours before the bout.

"You can't blame me for wanting to drag Packey down somewhere near my size," said Richie. "I think he is the greatest exponent of scientific boxing in the world, if anyone will allow him to come in at 136 pounds at least six hours before ring time. However, as I hold the lightweight title, I feel it is purely a business deal to have something to say about the weight. As far as the money is concerned, I am not claiming the lion's share."

PARKDALE CANOE CLUB IS OPPOSED

To Location for Club House Proposed by Harbor Commissioners.

The Parkdale Canoe Club are opposing the exchange of properties with the Toronto Harbor Board on the terms as laid down by the commissioners. The club state that to build on the lot offered by the board would necessitate an elevated entrance over the tracks, an expensive cement foundation and that the board should bear this extra expense. The harbor board are objecting to this and are threatening to institute expropriation proceedings unless the club come to terms.

9 times 2 = 18
Put down both figures
Carry one to 4 and say
5 times 8 = 40
Is not this easier than the way you multiply?

Now try this rule on the following examples:

32 x 38	66 x 82	184 x 98
33 x 37	55 x 64	147 x 48
34 x 36	73 x 77	146 x 77
35 x 35	88 x 46	246 x 49
43 x 47	63 x 48	328 x 88

This rule doesn't apply to all numbers but it applies to hundreds, and works just as well with three figures as with two. The lessons on "Short-Cuts in Figures" in Eaton's 100 Lessons in Business tells you all about it.

100 Lessons in BUSINESS

This is a new business book by *Mr. Seymour Eaton.* Endorsed by scores of the most distinguished business men of the country. The lessons cover every department of a business education. No teacher is required. Each lesson is self-explanatory. Mr. Eaton has made a great book of it; not large or elaborate, but compact and attractive and simple; the kind of book that every young man and every young woman should own. The book contains complete home-study courses in arithmetic and bookkeeping and correspondence and banking. Mr. Eaton has in his possession autograph letters regarding his earlier business books from scores of the most prominent men of the time including John D. Rockefeller, Andrew Carnegie, Theodore Roosevelt, John Wanamaker and many others equally widely known. This book is *new from cover to cover;* right up to date in every particular; and is sure to commend itself with equal force to *the big business men of today.* This new volume contains complete the original "Short-Cuts in Figures" from Mr. Eaton's earlier business book. These are published in no other book in the world and are alone *worth many times the price* to everybody whose office work requires figuring of any kind. The publishers' price is *$1.50.*

Fine Lot of Entries In Kentucky Derby

LOUISVILLE, Ky., March 10.—Announcement was made tonight by the new Louisville Jockey Club that thirty-two three-year-olds have been nominated to start May 10 in the Kentucky Derby, and six more nominations are coming from the far west, bringing the total number to thirty-eight. This number is far greater than anticipated, owing to the public opinion that the race lies between Hawthorn and Helios, two Kentucky geldings. The race will be worth $7500.

The race, which was won last year by H. C. Hallenbeck's great colt, Worth, will bring together the best three-year-olds in training. Nominations to the other nine stakes total 622.

The horses nominated are: Hawthorn, Helios, Ten Point, Yankee Notions, Leochares, El Palomar, Lord Marshall, Judge Wright, The Widow Moon, Brookfield, Nash Cash, Chilton King, Ringling, Uncle Hart, Donerall, Frederick L., Upsteppa, Strenuous, McCorkle, Prince Hermis, Sam Hirsch, His Majesty, Foundation, Flying, Tom Ruskin, High Star, Gowell, Floral Park and Cinders.

Only once has a gelding won the Derby, and that was Vagrant, in 1876. A filly has never won the race.

ATHLETICS AT QUEENS.

KINGSTON, March 10.—(Special.)—Jas. Moxley, medical student, and welterweight boxer, has been appointed assistant physical director at Queen's University. The Alma Mater Society has adopted the recommendation of John D. Lawson, secretary of the athletic committee, to tax students $5 upon registration for athletic purposes.
