Gossip of the Turf.

Peterboro will have two days of ice racing at the Driving Park, Jan. 21 and 22, with $600 in purses.

Carter Hall, a trainer who had several horses on the Canadian Circuit last summer, is reported to have an engagement to train in Austria next year.

Dr. Lorimer Park, Montreal, has claimed the following dates for the opening winter meeting: January 27, 28, 29, 30. The program has not yet been definitely arranged; but, one thing is decided, and that is that $2700 will be hung out in purses. This ought to ensure a good entry list.

The Moabina race of Monday last furnished the chief evidence against the club that was ruled off at New Orleans. Their sheet of the race showed that they had taken in $1608 on Moabina, who operated at 3 to 2 in the betting, and closed at 2 to 1. They claimed that they had laid off $200 of the amount, but their statements to the stewards in this particular were contradictory.

It has been learned at Cincinnati that a new turf congress will wage war against the Western Jockey Club. John J. Ryan, who will open the Newport, Ky., course for winter racing next Saturday, says that a meeting of representatives of the tracks, not members of the Western Jockey Club, will be held next Friday, to revive the old American Turf Congress. The following tracks will be represented: Kansas City, St. Louis, Baltimore, Savannah, New Orleans and Newport.

The Toronto Mounted Rifles have entered a team in the Garrison Indoor Baseball League, and play their first match on Friday night. All members of the regiment are requested to be on hand, as the team will be chosen from those present. Practice will be held every Monday night.

IN BANK HOCKEY LEAGUE

Dominion's Strong Team Should Give Toronto Close Race for Championship.

COMMERCIAL LEAGUE DOINGS

Delegates Decide to Bar Players From Other Leagues—Some Notes.

Altho it is a little early for prophesying, the opinion is freely expressed that the Bank of Toronto team, with George McKay, the O.H.A. star, as captain, is the only thing in sight for the championship of the Bank League.

The Dominion Bank, however, will have an unusually good team this year, for in addition to Reiffenstein and Cochrane of last year's team, Hamber and Neeve of Winnipeg, Bloomfield from Collingwood, and others will be available. The team has held several practices and the new men have amply lived up to their reputations. Neeve is an exceptionally fast skater and a deadly shot. Hamber is an excellent stick-handler and knows the game thoroly. He will captain the team and play cover point. Bloomfield is a forward and is a strong heavy boy, who sticks closely to his check. A successor to Jack Winchester has not yet been found, but several likely aspirants for the place between the posts are being tried.

Since the entering of teams from the Bank of Montreal and the Ontario Bank, increased interest in the Bank League is being shown, particularly as there will be no little O.H.A. hockey in the city this season.

Commercial Hockey League.

An important meeting of the Commercial Hockey League was held Thursday night in the Central Y.M.C.A., President Forsyth in the chair. The Circuit Committee reported five senior and 16 junior clubs. The juniors will be scheduled in a group of five, the teams being as follows, with the ice they practice on:

Seniors.	Rink.
Old Orchards	Old Orchard.
R. C. B.C.	Broadview
Waverleys	Victoria College
T. Eatons	Old Orchard.
Marlboros	Grand Central

The juniors will be grouped in four districts, as follows:

No. 1—Don R.C., R.C.B.C., Broadviews, All Saints.

No. 2—Wellesleys, Marlboros, St. Albans, Waverleys.

No. 3—Northern A. C., Acmes, Riders, Majors.

No. 4—Old Orchards, T. Eatons Co., Western A. C., Shamrocks.

The following board of referees were chosen: J. H. Booth, Dr. A. Wright, T. O. Orr, F. C. Waghorne, H. Lambe, W. A. Hewitt, F. Woodworth, W. J. Morrison, M. Toone.

The following Protest Committee was appointed: President Forsyth, F. C. Waghorne, W. J. Morrison, A. Boyd, E. Mack, Francis Nelson.

Following is the line of the O.H.A. It was decided to bar players who participated in any of the league games.

Goals in all championship matches must be shot into the regulation goal nets.

The schedules will be arranged at the meeting next Tuesday at the Y.M.C.A., when all clubs must pay their fees to receive certificates for the players.

Hockey in London.

London, Dec. 18.—At a meeting of the City Hockey League executive, held last night, practically complete arrangements were made for the coming season. There are four teams in the league, the 7th Regiment, St. John's A.C., Aberdeens and Hortons, and it was decided that each team shall meet every other team twice during the winter, thus making a total of 12 games. Two games will be played on one night each week, the season thus lasting for six weeks. The season will open on Wednesday, Jan. 7, when the 7th Regiment will meet the Hortons and the St. John's the Aberdeens. A committee has the matter of schedule in charge.

The bank and loan companies of the city will in all probability be represented this winter by a fast hockey team. There are a number of good stick handlers employed dishing out cash and casting up balances in this city, and a septet could be put on the ice that would make the best of them hump. A meeting is called for to-day of all interested in the scheme. The intention is to place an independent team on the ice to meet bank teams in Toronto, Hamilton and other towns.

The Highlanders say that Liederkranz B will agree to play off the game that Munsons defaulted to them, on condition that the Highlanders-Munsons game is played over again.

The outlook for the coming season is very bright. Ferns and Matthews Next Monday.

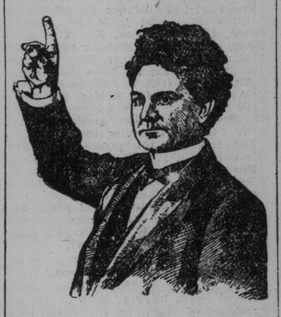
Pittsburg, Dec. 18.—Matty Matthews, the Brooklyn boxer, who is to meet Rube Ferns in a 10-round contest in Allegheny next Monday night, arrived in Pittsburg this morning, accompanied by Tommy West. Matthews is in the best of condition, having continued in training after his bout with Kennedy a few weeks ago. The Brooklyn welterweight expects to reverse the decision that he lost to Ferns at the Crescent A. C. in Toronto a year ago. Ferns, accompanied by his manager, Charley Wilson, and Al Weinig, the Buffalo middleweight, will arrive in Pittsburg to-morrow, and finish training at Corcoran's gymnasium.

INFLAMMATORY RHEUMATISM CURED.

Mrs. Stewart Was Unable to Walk.

CURED BY MUNYON'S RHEUMATISM CURE.

A Wonderful Case—A Permanent Cure Effected—The People Are Enthusiastic in Their Praises of the Great Doctor's Medicine.



"There is no punishment too severe for those who deceive the sick."—MUNYON.

Rheumatism is having a hard time in Toronto these days. Ever since the great free distribution of Munyon's Rheumatism Cure—the largest distribution ever yet held in the city, and by far the most successful—cures have been made; cripples have thrown away their crutches; stiffened arms and legs have been made well; lame backs relieved, and many men and women restored to health. It is indeed a wonderful demonstration of a wonderful remedy—given away absolutely free by Prof. Munyon, who knew positively and surely that it would cure, and cure permanently. "My remedy neutralizes the acid," said Prof. Munyon, "enriches the blood and drives every vestige of the disease from the body." And so it does. Statements are being received every day from the people Munyon's Rheumatism Remedy has cured. Investigate each one. Drop a postal card and find out if they are absolutely true; if they have been actually cured. Prof. Munyon says: "I would not ask a more convincing way of letting you know the value of my remedy."

Inflammatory Rheumatism Cured.

Mrs. J. Stewart, 160 Franklin-street, Toronto, says: "One year and six months ago I was a sufferer from inflammatory rheumatism, affecting chiefly the ankles. The pain was excruciating, accompanied by great swelling and tenderness, and I was unable to walk. After one month's trial of different remedies I heard of Munyon's cures. After using two bottles of his Rheumatic Cure I was entirely well, and have remained so ever since.

"Too much cannot be said in favor of Munyon's wonderful little pellets, and I have often recommended his Cures since that time, and will do so whenever opportunity offers."

Canadian Union and Burnside Rules

Brockville, Dec. 18.—It is expected that there will be a warm time at the Canadian Rugby Union's annual meeting in Toronto next Saturday. The O.R.F.U.'s decision to play the snap-back game, no matter what action the C.R.F.U. takes, regarding them, is tantamount to a declaration of independence. A compromise of some sort may be effected, but it is not considered likely. J. McDonald Mowat, Kingston, President of the Canadian Union, is in attendance at the present sittings of the Brockville Assizes. He thinks the union will hardly survive the shock of the O.R.F.U. adopting the Burnside rules.

In Nature's Storehouse There are Cures.—Medical experiments have shown conclusively that there are medicinal virtues in even ordinary plants growing up around us, which give them a value that cannot be estimated. It is held by some that Nature provides a cure for every disease which neglect and ignorance have visited upon man. However this may be, it is well known that Parmelee's Vegetable Pills, distilled from roots and herbs, are a sovereign remedy in curing all disorders of the digestion.

Eddie Santry Writes.

Eddie Santry writes that he would like to secure another match with Billy Ryan, and feels assured that he could reverse the verdict. He says that a club in Indianapolis will probably match them again for 10 rounds. Santry boxed Jim Ryan of Philadelphia a six-round draw in Chicago the Wednesda after he was here. His next match is with Hary Griffin in Chicago on Monday.
