Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

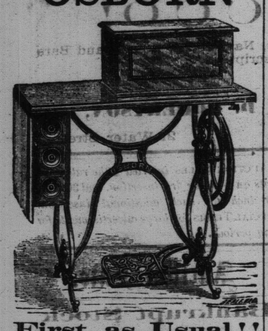
OSBORN



First, as Usual!!

THREE years in succession, The Osborn was awarded at the Great Central Exhibition Guelph, 1874, the first prize for Family Sewing Machine, and second prize as Manufacturing Machine. The new patent shuttle makes the Osborn unrivalled. In this Shuttle there is not the annoyance that is experienced in all other Shuttles; there are no holes in the Osborn Shuttle, and the thread can be put in its place in an instant. The Tension is self-regulating, which cannot be approached for smoothness.

A NEW THING AND A GOOD THING

THE invention of the paper collar was of positive benefit to the world, furnishing as it did, a neat, clean, and most economical article of apparel. But it never did answer all the purposes for which it was designed, owing to its frail nature of the material. The problem has been to make a cloth collar as cheap as paper that would last longer and could be made always fresh and bright. The new "44" collar, now upon the market, fills these requirements perfectly. It is made entirely of cloth, three thicknesses being used; it so closely resembles the finest linen that it might be sold anywhere for linen; and, no matter how much it may be soiled, it can be cleaned and made as bright as ever by the application of a damp sponge or cloth.

The Portland Robbery.

The examination of the younger Haslett was resumed at the Portland Police Office this morning. He will be committed for trial, but it is doubtful whether sufficient evidence will be found to warrant the commitment of the father on charge of receiving the stolen goods.

Measures to be Taken.

It is probable that a meeting of the merchants will be held to morrow to consider what means it is advisable to use in order to put an end to the labor difficulty. The general opinion is that united action is the sole source of safety, and that by joining hands in in the effort, and contributing to a fund as the lumbermen did last year some thing may be effected.

Preparing to Keep Order.

Some of the Society men have declared their intention to prevent the rebels doing work aboard the vessels, and threaten to march in a body to carry out their intentions. It is thought they will not be so rash as to attempt this, but as a reasonable precaution in view of any disturbance the Mayor has called out Special Constables and will swear in 100 if deemed necessary. These will all be good men, who are not afraid to do their duty, and they will be in readiness to serve at a moment's notice. It is hoped there will be no occasion for their services, but in case of need they and the Police Force are prepared to act in such a manner as to preserve order and guarantee safety to the rebels or any other class of citizens.

County Court.

In the case of Madigan and Gallagher charged with assaulting and cutting Thorpe the jury, yesterday afternoon, found the prisoners guilty of assault only.

This morning the case of Madigan and Gallagher charged with assaulting and cutting Hill was called, and after a long delay caused by a lack of jurymen, the prisoners, by advice of counsel, pleaded guilty of assault, and the charge of cutting was not pressed. Mr. Tuck appeared for the Crown and Mr. John Kerr for the prisoners.

Special Sessions.

A Special Sessions of the Peace was held this morning for the purpose of ratifying the amended Highway Act as passed at the last session of the Legislature. The Mayor was not present, and after some time the Sheriff sent a constable to find an Alderman to preside. Ald. Ferguson was found, and being brought to the Court, was placed in the chair, after which the business proceeded.

The Act provides for the establishment of a Highway Board, consisting of three Justices from each Parish. The Sessions appointed Justices Thompson, Knight and Barker from Lancaster; Justices McLean, Gallagher and Wallace from Simonds; and Messrs. Upham, Rourke, and —— from St. Martins. An assessment of $2,200 was ordered for highway purposes in Lancaster and $1200 each in St. Martins and Simonds.

There was no other business before the Board.

Another Threatening Letter.

One of the policeman has received a communication reading as follows:

"SIR—The other night you struck my frend at Breesses corner. Now you old ——, if ever the like happens again or I ketch you striking any boy under 16 you will loose the number of your mess. I have 20 Sheffield street Bummers on your track waiting for you to strik any one as the one you struck is the sec'y of our Secret Society and we are bound to help him put his enemies. And you are One."

On the other side of the sheet of note paper are the words "Thief, murderer, hater of policemen." Also the emblematical designs of crossed swords, crossed spears, the Stars and Stripes on an escutcheon, the Union Jack, do.; a heart transfixed by a sword, with the words "Blood from your heart," and the word "Death" in large letters. There are other mysterious signs, probably only known to the initiated. At the foot are the words: "They are all Americans but me and I am from King's County, the same as your crack men." The rest of the letter contains remarks of a decidedly personal nature and accusations of a damaging character.
