PLAYS, PICTURES AND MUSIC

THE ROBINS PLAYERS.

In Edward Sheldon's play of "Romance," with which E. H. Robins and the Robins Players will inaugurate the sixth week at the Alexandra, one of the prettiest stories ever told on the stage will be seen in the love episode of the Rev. Thomas Armstrong and Mlle. Margarita Cavallini, the noted opera singer of former years. The stage and costuming will be correct for the period.

"MASQUE OF LIFE."

"The Masque of Life," which will be the offering at the Grand Opera House all next week, proves what wonderful things can be accomplished when there is a real story in a spectacular production. Too many motion pictures, which claim fame because of their spectacular bigness, have so little in the way of real story that they fail to hold the public. In this film there is a vital human story running thru the entire seven reels.

HIS MAJESTY'S.

Pauline Frederick, the screen's greatest emotional actress, will be seen for the remainder of the week at His Majesty's in one of her most recent motion picture successes, "Her Better Self," in which she enacts the role of a beautiful society butterfly in love with a serious and hard-working young doctor. The great gulf which separates their social positions and makes it almost impossible for them to marry is bridged only by the girl's devotion and willingness to sacrifice her pampered position in the world for life with the man she loves. The picture shows how all ends happily without this sacrifice, and reveals Miss Frederick in a beautiful character portrayal.

STAR THEATRE.

That funny Jewish comedian, Sam Bachman, assisted by Lew White, will appear all next week at the Star Theatre. Bachman is a clever impersonator and is also assisted in funmaking by James Francis. Max Hyman, a Toronto boy; Ned Woodley, Flossie Everett, Bessie Crandall and Lenore Luther are other stars of the Smile Girls Company.

"THE DEEMSTER" AT STRAND.

There is no let-up in the popular enthusiasm for "The Deemster," the film version of Hall Caine's great masterpiece, which, with Derwent Hall Caine in the principal part, is being presented all this week at the Strand Theatre. A special musical program is rendered each day by the famous Strand Orchestra, and the vocal selections of Mr. John T. Fiddes are very highly appreciated.

HELICONIAN CLUB ELECTS OFFICERS FOR THE YEAR.

The annual meeting of the Heliconian Club took place last night, the president, Miss Marjory MacMurchy, occupying the chair. It was decided to vacate the present club rooms at 615 Yonge street at the expiration of the lease on June 4.

Reports showed that the total receipts amounted to $2102, of which $848.71 were donated to the Red Cross. Five hundred pairs of sox and one hundred kit bags were also contributed by the association.

Mrs. M. Anderson, the housekeeper, was presented with a handsome hand satchel. Mrs. Ringland, on behalf of the members, voiced the admiration for the fine work of Miss MacMurchy during her term of office.

The following officers were elected for the ensuing year: Hon. president, Miss M. Smart; president, Miss Lucy Doyle; first vice-president, Mrs. Elliott; second vice-president, Miss Young; secretary-treasurers, Miss Joy Denton and Miss Pamphylon; executive, Miss M. Coxwell, Miss M. Brush, Mrs. Garvin, Mrs. Dunnington Grubb, Miss Mable, Miss Lorna Reid.

MAY PASS RESOLUTION FAVORING UNION LABEL

The business meetings of the national council of women, who are meeting in Winnipeg, begin today. The sessions will be held in the university building, and interspersed with the business will be many delightful functions, notably a luncheon at the Royal Alexandra Hotel, given by the Women's Canadian Club, at which Mrs. F. H. Torrington, president of the national council, and Mrs. Plumptre, honorary secretary, will be the speakers.

One of the resolutions which will be brought forward and for which the Medicine Hat council will stand sponsor, states that as a guarantee of good condition and fair wages for employes, the national council of women of Canada undertakes to have the union label on all printed matter.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine—double strength—and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

"THE DEEMSTER" AT STRAND.

The magnificent photodrama, "The Deemster," the screen version of Hall Caine's masterpiece, is drawing crowds to the Strand Theatre, where it will continue for the remainder of the week. There is something awe-inspiring about this photoplay. It ends on the tragic note which it sustains thruout its course. Not for the hapless and anguished lovers of Hall Caine's drawing is the happiness of wedded bliss. Tragedy is ever impending over them. Derwent Hall Caine's impersonation of Dan Mylrea is a veritable triumph, while it is not too much to say of the photoplay that much of it is sublime.

MERITTON FREIGHT WRECK.

Both engines were badly damaged and several cars were derailed, blocking both main line tracks, but no injuries to the crew of either train were reported. Passenger traffic, in order to get around the wreck, had to detour via Port Robinson.
