Advance Guard and His Derby.

Of the Canadian Derby race on opening day at Fort Erie, The Buffalo Express has to say:

They paraded past the stand and were off promptly after a couple of false breaks. Harry Lewis at once sent Lamp Globe to the front and passing the stand they were handsomely bunched, traveling at a pretty fair gait. Rounding the second turn Alfred Vargrave, who had been indulged by the others with a place in the first rank, began to move back and Taral shook Advance Guard up into third position. Even now Radford was having trouble keeping in front of John Halsey and it was clearly apparent that the favorite would not do. Vargrave began to move back and Taral shook Advance Guard up to Lamp Globe, and Lewis promptly let out a link on the leader. Halsey sticking desperately to the pair. As they flashed around the last turn into the stretch Lewis made his run with Lamp Globe, and as he opened up a gap of a couple of lengths a shout of approval by the backers of the son of Lamplighter went up from the stand.

"Lamp Globe in a romp!"

For a few seconds it certainly looked that way, but Taral had a good horse under him and he knew it. Coming into the stretch he was pursuing Lamp Globe hotly and had cut his advantage down to a length. Down the straight they flew and in a few strides they were even. Then the California star was extended momentarily for the first time in the race, and he shot by Lamp Globe like a flash, Lewis yielding the lead when he saw his efforts were in vain.

Advance Guard flashed past the post two lengths in front, running easily, and Lamp Globe was the same distance ahead of Radford, struggling in third place ahead of Halsey.

It was a popular victory, and the victor and his rider were cheered liberally as they returned to the stand to weigh out.

Alex Shields came in for a round of happy congratulations. "I have maintained that Advance Guard was still good," said he, "despite talk to the effect that he was worn out."

"Your horse has a good look in for the American Derby," observed Mr. Hendrie.

"Yes," said Mr. Shields, "and I expect that in at 122 pounds he will be heard from. I do not know that I even except Lieutenant Gibson among those I think he will beat in that event."

Yesterday's time, 2.08¾, Advance Guard's strong finish and his advantage of the loss of several pounds of weight, in the American Derby all argue well for his prospects in the Chicago event.

Taral, who came on from New York expressly to ride Advance Guard in the Derby, and who found the weight, 126 pounds, well suited to his increasing avoirdupois, was very well satisfied. "It was a true-run race and the best horse won it," said he. "The winner is a very good colt, very good. In fact," he continued, modestly, "he was so good they could have won with any boy up on him. I made my run quick at the finish because I had just had an experience in the Topmast race with some rough riding and I didn't care to take any chances of getting close to the others."

Taral, who, despite the fact that weight is gradually decreasing his days of usefulness in the saddle, seems in the pink of physical condition. He is engaged to ride Sidney Lucas in the American Derby, and was much disappointed with the poor showing of Thomson Bros.' entry in yesterday's race.

Harry Lewis was not inclined to doubt that he had been defeated by the better horse in the race, but he did register a declaration in talk with friends to the effect that, judging by yesterday's showing, Advance Guard has not been running up to his true form in his previous races in this section of the country. More than one spectator, who had seen the winner defeated at Toronto, was inclined to agree with Lewis that Advance Guard's owners have been handling him kindly in anticipation of annexing the Derby.

Miss Underhill Champion.

New York, June 13.—In the third day's play in the annual championship of the Women's Metropolitan Golf Association, near Morristown, N.J., to-day, Miss Underhill was one down with two to play, when Mrs. W. Fellowes Morgan, her opponent, went to pieces, and she virtually gave her the next two and the match. Miss Hoyt's opponent, Miss Fargo, who has proved to be the surprise of the week, had her three down in the first four holes and one down at the turn. Then Miss Hoyt showed her true power and won out by three up and two to play.

There was a long driving contest in the afternoon, which was won by Miss Hecker of Weeburn.

Sporting Notes.

The Ramblers will run off a five-mile handicap sweepstake race on June 20. The race will be open only to members, and an entrance fee of 25 cents will be charged.

The Tecumsehs have been strengthened by the addition of Dobbin, goalkeeper of last season's Peterboro team, and Pringle, centrefielder of last year's Athletics of St. Catharines.

The Toronto Methodist Cyclists' Union run, set for Tuesday evening, and postponed to meet the convenience of the members of the Eastern District, will take place this evening, starting from Sir John Macdonald's monument, at 7.30 o'clock.

Oscar Gardner and Billy Ryan fought 18 terrific rounds Tuesday night at Cleveland. From the 11th round on Ryan had the better of the fighting, until he was finally knocked out by a blow on the jaw, after he had broken away from a clinch.

On account of the nearly date of the annual regatta of the Canadian Association of Amateur Oarsmen, the Brockville Rowing Club and the Bohemians will not send crews to take part, as it is considered that the time for training is too short. The Bohemians, instead, are arranging for a special four-oared race between the Brockvilles, Grand Trunks of Montreal, Ottawas and Bohemians. It will be held in conjunction with a two days' celebration, held under the auspices of the Bohemians. The first day's events will include the war canoe championship race of the recently formed Canadian Canoe Association. The second day's events will be pulled off on Monday, Aug. 6.

TORONTO IN WINNING FORM

Second Game at Rochester Easier for the Islanders—Score 5 to 1.

SCHAUB MADE A CIRCUS CATCH.

Pitcher Foreman Replaced by Bruce Early in the Game—Stars Again Lost.

Toronto could afford to drop to-day's game after winning two from the leaders right in the camp of the Rowdies. Shortstop Berte seems to have done pretty well yesterday in both departments—three sacrifice hits and a single and a good, clean record in the field. The pitchers appear to be all in good fettle, tho Foreman has been forced to retire in his last two games, but not before it was too late. To-day winds up at Rochester, and then on to Worcester. At Syracuse Montreal is having some easy picking. The record:

Clubs.	Won.	Lost.	P.C.
Rochester	26	15	.634
Montreal	23	17	.575
Providence	23	18	.561
Worcester	18	20	.473
Springfield	17	19	.472
Toronto	17	21	.447
Hartford	18	24	.428
Syracuse	15	23	.395

Games to-day: Toronto at Rochester; Montreal at Syracuse; Hartford at Worcester; Providence at Springfield.

Trimmed the Rowdies Again.

Rochester, June 13.—Rochester could do no effective batting to-day, and in consequence was again trimmed by Toronto. Four of Toronto's hits were sacrifice bunts. Schaub made a one-handed circus catch of a line drive that resulted in a double play.
