OMINOUS FOR MINISTRY.

What a British Member of Parliament Thinks of Tarte Episode.

Montreal, Oct. 22.—A cable from London says: English critics interpret the Tarte affair as summary dismissal by the Governor-General, at the request of the Premier. They admit that no other course was open, unless cabinet government is to be reduced to a farce. Much curiosity is expressed regarding Tarte's future action. Allegations are freely made in the cables that he has support of manufacturers, and this encourages suggestions of possible alliance with Borden on a high tariff program. A British member of parliament, just returned from Canada, says this Tarte move appears to him **most ominous for the ministry.** The fact of Tarte's presence at the British Empire League dinner is quoted as evidence that Tarte has no anti-British intentions along the lines foreshadowed in Bourassa's articles in The Monthly Review.

Relating to Sir Wilfrid Laurier's health, the fact is recalled that before the Canadian ministers left England, one of his closest political associates, when asked whether they were not anxious, replied: "Certainly not; nor would you be had you known Sir Wilfrid when I first did. He is far better now than then. Don't believe this talk about resignation."

Pastors Moved Around.

The Toronto Methodist Conference Special Committee met on Wednesday, Rev. James Allen of Sault Ste. Marie presiding. The following changes in the Uxbridge District were made: Rev. J. D. Caldwell goes from Markham to Don Mills; Rev. C. Smith, from Don Mills to Markham; Rev. H. Lee, from Sutton West to Unionville; Rev. F. Roach, from Hill Side to Sutton West.

The following men were allowed to be employed under the chair: H. Lovering, Parry Sound; James Dudgeon, Alfred Morton, Thomas Bateman, Algoma; Charles E. Fry, John Cavers, George Goodliffe, Nipissing.

The matter of deciding the next church in which the Toronto Conference will be held was left to the next Methodist preachers' meeting.

At the Star.

Al Reeve's famous big company of entertainers, which comes to Manager Stair's popular Star Theatre next week, is reported to be one of the best burlesque attractions now on the road. Al Reeves is sole manager and is directing the tour of this organization. He is well known by the theatre-loving public and has always given it the best of vaudeville talent obtainable.

The Flagging Energies Revived.—Constant application to business is a tax upon the energies, and if there be not relaxation lassitude and depression are sure to intervene. These come from stomachic troubles. The want of exercise brings on nervous irregularities, and the stomach ceases to assimilate foods properly. In this condition Parmelee's Vegetable Pills will be found a recuperative of rare power, restoring the organs to healthful action, dispelling depression, and reviving the flagging energies.

THE ESQUIMO

The Esquimo eats blubber. The lumbermen eat pork. These people are constantly exposed to cold and physical strain. Experience has taught them that fatty foods give warmth and nourishment.

For those who have cold and thin bodies, or are threatened with consumption or any wasting disease, there is no fat in so digestible and palatable a form as Scott's Emulsion. Physicians prescribe it.

We'll send you a little to try, if you like.
SCOTT & BOWNE, Chemists, Toronto.

Public Amusements

New Military Play.

"Sergeant James," Mr. Kirke La Shelle's latest production, which will be the attraction at the Grand Opera House next week, is a play where the sentiment is straight-cut, and there is not much nonsense about it. Love, soldiers and work make life attractive in and around an army post in the west. There are a few characteristic touches to make it stand out from other plays of military life. There are many stage heroes of a military kind, but few authors or managers have had the courage to glorify in this fashion the humble private. The locale of the play is Montana, and the story is strenuous, as befits the rugged state where the action takes place. There is a wealth of beautiful scenery.

When Johnny Comes.

Something entirely new in comic opera will be seen at the Princess Theatre next week, commencing on Monday evening, when Mr. Fred C. Whitney will present the stirring spectacular military opera, "When Johnny Comes Marching Home." While the opera deals with incidents of the civil war, it is said to be one of the most brilliant musically that have come from the pens of Mr. Julian Edwards and Mr. Stange, the authors of "Dolly Varden." The opera is beautifully costumed and staged and carries nearly 150 people. The idea is unique, the execution is faultless. The brigand and peasant choruses are absent, but not missed. Instead, there is the setting of war times, and the stirring and military atmosphere breathes an aroma of patriotism that is an exhilarating novelty. The blue tunic of the north and sensuous beauty of the south is aptly woven into a real dramatic fabric. The music is inspiring, tuneful and always pleasing. Turn its entire three acts, "When Johnny Comes Marching Home" is a picturesque military picture, a cataract of stirring melody, a riot of color, of beauty and rythmic activity. The introduction of a chorus in expanding crinoline and pantalets is but one of the novelties which please the audience immensely. Mingled with these yards of femininity in a galloping waltz are strapping soldiers in gilt and blue. To offset this more or less conventional beauty is the additional chorus in black cork, whose weird song and antics add charm to the scene. The sale opens this morning.

"A Fight for Millions."

Malcolm Douglas' new melodrama, "A Fight for Millions," will be seen for the first time in this city at the Toronto Opera House next week. The play scored one of the greatest successes of the season in New York, Philadelphia and Brooklyn, in all of which cities it has drawn houses packed to the doors, and it is said to be one of the most interesting entertainments before the public. Mr. Douglas is well known to the Toronto amusement public thru "The Brownies," and he will be here to personally direct every performance of his play.

Next Week at Shea's.

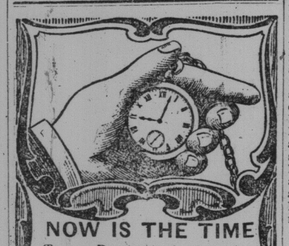
There is a splendid show at Shea's this week, and the large audiences indicate that the attractions are appreciated. Rossow's Midgets, who are unquestionably the best of the little fellows, please with their burlesque wrestling and boxing. Edna Aug, who is one of the cleverest women on the stage, pleases everybody with her songs and costumes and makes everybody scream with laughter when she comes out as a scrub woman. Her German dialect is immense. Stephen Grattan & Co., who present a good comedy sketch entitled "Locked Out at Three A.M." are new in Toronto and have already received the stamp of approval. Eddie Girard and Jessie Gardner, as "The Soubrette and the Cop"; Cook and Sonora, in their laughable specialty; Florence Bindley, in a musical act; the Martine Bros. and the kinetograph complete a good list of attractions. For next week Mr. Shea has secured a number of excellent vaudeville acts, including Jules and Ella Garrison, the Eretto family, Nayon's birds, Bert Shepard and Falke and Scamon.

Madame Sembrich.

Madame Sembrich arrived in the city last night so as to be here in ample time for her recital at Massey Music Hall this evening. This recital will begin at 8.30, and very interesting books of words with notes and translations by the famous critic of The New York Tribune, H. E. Krehbiel, will be presented as souvenirs to each one of the audience. Madame Sembrich's program includes a wide range of classic and modern songs in all languages. Madame Sembrich arrived in New York ten days ago, and this is one of her first appearances in America. She is undertaking the present tour under the direction of the C. L. Graff Company prior to a regular operatic season with the Grau forces. Madame Sembrich is in excellent voice and spirits, and looks very little older than the day when she first astonished the New York critics and public alike by the wonderful beauty and art of her voice.

Mascagni's Three Companies.

Mascagni carries with him on his present American tour no less than three full companies, having a sufficiently large number of leading singers of every voice. With his orchestra of 70 there will be over 175 people engaged in the production. Work has already been begun on the stage at Massey Music Hall so as to have everything in readiness for his three masterpieces, which will be produced, "Ratcliff" on Thursday afternoon, and "Zanetto" and "Cavalleria Rusticana" in the evening. The sale of seats for the public opens on Saturday morning.



NOW IS THE TIME

To use Dr. Agnew's Catarrhal Powder. It is an antiseptic, healing dressing, applied directly to the diseased surface by the patient himself, who blows the powder through a tube into his nostrils. The cure dates from the first puff.

You needn't snuffle from colds or hay fever if you have the catarrhal powder in the house. Cures a headache in ten minutes.

Rev. J. L. MURDOCK writes "I have used Dr. Agnew's Catarrhal Powder for the last two months and am now completely cured of Catarrh of five years' standing. It is certainly magical in its effect. The first application benefited me within five minutes."

Dr. Agnew's Pills

costing 10 cents for forty doses, two-fifths the price of other first-class pills, first cleanse and then cure the bowels and liver forever. 1

EVIDENCE IN CRUDE SHAPE

Slow Progress a Feature of the Investigation Into Workings of Assessment Department.

MORE CHARGES AGAINST FLEMING.

Details Will Be Provided in Writing at Next Meeting—Notes From the City Hall.

It had been hoped that the details of the charges made by the Retail Merchants' Association against Assessment Commissioner Fleming would all have been placed before the special committee at the session held Wednesday afternoon, but there is but little likelihood now that the matter will be closed up inside of a month.

The investigation went on in a sort of rambling way, without much being accomplished, and an adjournment was made until early in November, when Mr. Trowern promises all his evidence.

More of the Charges.

Ald. Burns, Lynd, W. T. Stewart and Sheppard were present. Following up Tuesday's proceedings, Mr. Trowern charged that Mr. Fleming had not fulfilled his duty in securing the location of factories here, but Dr. Lynd asked him if the Commissioner was to be censured if all the inducements the Council permit him to offer are not sufficient. Mr. Trowern argued that Mr. Fleming got a salary of $1500 more than his predecessor in office, with a view to his supposed ability to get manufacturers to locate here, and Ald. Sheppard retorted that the 13 new concerns brought here should be considered worth more than $1500 a year to the city.

Mr. Trowern didn't think so; in fact, he did not know that the new concerns were wanted much, if they were given concessions unfair to the concerns already located here.

The Sunlight Park Matter.

Charges that the Commissioner had acted against the best interests of the city in the matters of the Baseball Park, Lever Bros.' Sunlight Park property and the Cyclorama, were made by H. Joselin, but he was unable to put his facts in connected form, and he was given an opportunity to have them produced in writing at the next meeting of the committee. One statement he made was that Lever Bros. were to have employed 500 hands, whereas they only employ 10 men, 10 boys and 7 girls, and thus escape $60,000 a year in taxation. He went into some details, which were not very clearly put, to prove his figuring, but it was pointed out by the chairman after the matter had been mixed up at some length, that the whole deal had been ratified by Council.

The Cyclorama deal was touched upon by Mr. Joselin, but he declined to divulge information he possesses until he has time to put it in writing.

The charge that the Commissioner has discriminated against local manufacturers in favor of outsiders will be explained in detail by Mr. Trowern at next session.

Alleged Falsified Report.

One of the charges that Mr. Fleming requested thoroly explained was that he had falsified a report supplied to Ald. Sheard last year of the expenses of his department, compared with the expenses annually incurred by his predecessor, Mr. Maughan. Mr. Joselin, who, by the way, is an ex-assessor, who was dismissed during the reorganization of the department, when Mr. Fleming was Mayor, said the Commissioner had falsified his statement as to the number of assessors, as well as to the amount of wages they received. This was left for a report from the City Treasurer.

Board of Control.

The Board of Control met Wednesday afternoon, and again referred the radial railways and the Yonge-street bridge matters to the City Engineer.

An application from the House of Industry for 250 cords of pine slabs and 40 cords of hardwood, and a request from the Girls' Home for coal, were sent to the Street Commissioner.

The request that certain contracts which the city has awarded to the Forest City Paving Company be transferred to the Warren Bituminous Paving Company of Ontario was sent to the City Solicitor.

More New Buildings.

Building permits have been issued to Gowans, Kent & Co. for an additional storey to their warehouse, to cost $9000; J. Buginer, a $1600 house at 69 Grant-street; F. Sanderson, an $8000 house at Cluny-avenue and Crescent-road; H. M. Death, for two houses at 33 and 35 Concord-avenue, to cost $4000.

Court of Revision.

The Ward 6 assessment appeals were taken up by the Court of Revision Wednesday, but no very important reductions were made. Mrs. Myers, who has the refreshment booth at Sunnyside, secured a reduction of $1000. The C.P.R. property on Dufferin-street, south of Queen, was reduced from $30 to $16 a foot, which was the figure at which it was assessed last year. Arthur Harvey of Crescent-road appealed against an assessment of $8 a foot for land on Wright-avenue, but was unsuccessful. Many others were likewise disappointed.

A Comfortable Night Train.

Toronto passengers for Port Huron and Detroit find the 11.20 p.m. express a very convenient train for these points. It carries a Pullman sleeping car to Detroit, via Port Huron, and also has through wide vestibuled coach, Toronto to Chicago, arriving Detroit 7.25 a.m., Chicago at 12.30 p.m.

The Grand Trunk have again demonstrated their determination to merit public favor, by adding a handsome Pullman parlor cal to the equipment of the 1.00 p.m. express for Guelph, Stratford, Port Huron and Detroit, (except Sunday). This, together with the wide vestibule coaches operated on this train, make it one of the most comfortable and up-to-date of this great system.

Saturday, October 25th, inst., and Sunday, October 26, will be the last dates on which Saturday to Monday excursion tickets will be sold this year. Round-trip rate to Barrie, $2.05, Brantford, $2.05; Cobourg, $2.45; Dundas, $1.45; Fergus, $2; Galt, $1.85; Guelph, $1.50; Hamilton, $1.30; Niagara Falls, $2.60; Peterboro, $2.40; St. Catharines, $2.25; Woodstock, $2.70. Valid returning, Monday, Oct. 27.

Death of John J. Murphy.

John J. Murphy, a young man, well-known in Toronto, died from pneumonia in St. Michael's Hospital, on Tuesday, after an illness of two or three days. Mr. Murphy, for many years, was employed at the auction rooms of Dickson & Townsend, and, afterwards, of Mr. C. J. Townsend, giving up his position a few years ago, on account of ill-health. After a period of rest, he again resumed an active business life, but never again regained his usual health and strength. He was an exceedingly clever young man, possessing a most kindly disposition, and his friends were numerous. His death at so early an age is to be regretted, and much sympathy is expressed for his parents and family in their sad bereavement.

Money Left By the Dead.

Policeman John Armstrong, who died on Sept. 15 last, was insured for $2000 in the A.O.U.W. His widow and daughter applied in the Surrogate Court yesterday for administration.

Rev. J. P. Lewis is named as sole executor under the will of Mrs. Mary Starr, who died on Sept. 21, leaving an estate worth $9837.56. Sarah, Elizabeth and John Starr are the beneficiaries.

The will of the late Robert J. Quigley was entered for probate. The estate is worth $61,708. The testator directs that his late home at 217 Beverley-street be retained until his youngest child is 14. After that, the estate is to be divided among the family.

Funds for Home Missions.

A meeting was held on Wednesday morning of the Missionary Committee of the Toronto Conference, when $11,286 was voted to the following home mission fields: Peacebridge, Parry Sound, Algoma, Sudbury and Nipissing, which include 45 mission stations.

The Macdonald Manual Training School will be opened at the Normal School next week.

MRS. IDA L. ROSER

Grand-Niece of Ex-President James K. Polk, Writes to Mrs. Pinkham Saying:

"DEAR MRS. PINKHAM:—I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

MRS. IDA L. ROSER.

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself to-day, she enjoys such blessed health. I took four bottles of your Compound and consider myself cured. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours very gratefully,—MRS. IDA L. ROSER, 326 18th Ave., Denver, Col."—*$5000 forfeit if above testimonial is not genuine.*

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free.

TRINITY UNIVERSITY CONVOCATION.

The Annual Business Meeting Was Held on Tuesday.

The annual meeting of the convocation of Trinity University was held yesterday at Trinity College. Among those present were: D T Symons, chairman of convocation; the provost and professors of Trinity University, the Ven. Archdeacon Dixon, Revs A J Broughall, C B Kenrick, W J Brain, F C C Heathcote, A U DePencier, Canon Welch, Canon Cayley, C L Ingles, F G Plummer and C E Thomson of Toronto; Rev. H.H.Bedford-Jones of Brockville, Rev W H White of Ottawa, Canon Tremayne of Mimico, R Seaborn of Bowmanville, J Gibson of Thornhill, G F Davidson of Guelph, H D Tremayne of Lambton Mills. Messrs Kirwan Martin of Hamilton, J C Mitchell, Elmes Henderson, J A Worrell, N F Davidson, His Honor Judge McDonald, Dr Pepler, Dr R J Reade, L Baldwin, G B Strathy.

D. T. Symons was re-elected chairman of convocation for the coming year, and Rev. E. L. King was elected clerk. The following were elected members of the executive, to take the place of six retiring members: Revs. G. H. Broughall, H. D. Tremayne, E. C. Cayley, C. B. Kenrick, Dr. Fotheringham, F. E. Hodgins.

The question of a re-arrangement of the fees payable to convocation was, after some discussion, referred to the Executive Committee, with power to act.

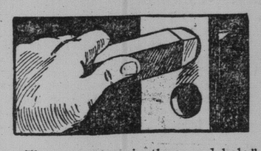
The omission of the annual dinner this year excited a certain amount of discussion, some expressing regret at its discontinuance. It was decided to hold a dinner next year, provided the Executive Committee find a general wish for it among members of convocation.

Wanted His Commission.

A nice point was involved in a suit for commission on the sale of property brought by M. J. Mallaney, real estate agent, in the Division Court, the other day. The property was placed in Mr. Mallaney's hands for sale by the owner, Mrs. Crew, with the understanding that he should not accept less than $6000 for it. In the meantime, a "kerbstone broker" sold the property for $5750, notwithstanding that Mr. Mallaney received a letter from the owner a few days previous to the sale, holding out for $6000. Mr. Mallaney advertised the property in the newspapers, and put his board up on the house, and he thought he should have been entitled to the commission. Judge Morson decided against him.

Death of a British Journalist.

In Canadian journalistic circles regret will be felt on account of the death of Mr. Lacelles Carr of The Western Mail, Wales. A friend received the news in Canada this week. Mr. Carr had visited Canada more than once, and had made personal acquaintance with most of the newspaper men of the House of Commons gallery at Ottawa, as well as the fraternity in Toronto and the West. He was a genial soul, a typical newspaper editor and one of the most successful in his own country, west of London. He was a familiar figure in the Press Gallery at Westminster.



"The square peg in the round hole" figuratively expresses the use of means unsuited to the desired end. A great many people who have been cured of dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition by the use of Dr. Pierce's Golden Medical Discovery say: "We tried many medicines with only temporary benefit. It was not until we began the use of 'Golden Medical Discovery' that we found a complete and lasting cure."

It is undoubtedly true that Dr. Pierce's Golden Medical Discovery holds the record for the perfect and permanent cure of indigestion and other diseases of the stomach and associated organs of digestion and nutrition. It is not a palliative. It cures the cause of disease and builds up the body with solid healthy flesh, not flabby fat.

"It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pellets' have done for me," writes Mrs. T. M. Palmer, of Pecde, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would put me in distress. I lived two weeks on milk and even that gave me pain. I felt as though I would starve to death. Three doctors attended me—one said I had dyspepsia, two said catarrh of the stomach and bowels. They attended me (one at a time) for one year. I stopped taking their medicine and tried other patent medicine; got no better, and I grew so weak and nervous my heart would flutter. I could not do any kind of work. Now I can do my house work very well, *am gaining in flesh and strength*, and can eat anything I want."

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

Dr. Pierce's Common Sense Medical Adviser is sent *free* on receipt of stamps to pay expense of customs and mailing *only*. Send 31 one-cent stamps for the paper covered book, or 50 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

How many people there are who love music, but cannot play any instrument.

To these people the

CECILIAN Perfect Piano Player

gives hours of enjoyment.

You can control it with ease and fill your home with music without having to study or practice.

And if you are a musician you can appreciate its fine tones and almost human responsive touch. It is a treasure to any owner of an erstwhile silent piano.

IT HAVING come to our knowledge that malicious reports are being circulated to the effect that we are not filling orders paid for at low prices for Hard Coal, and at the same time selling the same coal to new customers at $14 to $18 per ton, we wish to give all such statements an emphatic denial. The highest price at which we have sold Hard Coal this season was $7.00 per ton.

We Have No Hard Coal to Sell at Present

but hope to have some in the near future.

We have now overtaken our Soft Coal orders and can deliver promptly.
